Commercial Refrigeration Condensate Evaporator Pans

For condensate applications where no drain is available, choose the large capacity pan that fits your application. SUPCO commercial refrigeration condensate evaporator pans are made from top quality materials for durable, long life.

FEATURES/BENEFITS

- Corrosion resistant 20 gauge stainless steel construction.
- Positive evaporation
- Space saving
- High limit safety and float switch operation
- Warranty-One Year from date of installation.
- UL Recognized - File# SA32471
- For use in non-low flash point refrigerant applications.

APPLICATIONS

- Evaporates defrost and condensation where no drain is available.
- Used in supermarket refrigeration systems and elevators.
- **These pans are used for water dissipation ONLY! DO NOT OPERATE "DRY".**
- Clean the pan and check the float every 30 days for optimum performance and operation.
