Liquidtight Fittings

Raintight Fittings

EMT & Rigid Conduit Bodies

Cord Grips & Mesh Support

Cable Connectors

Transition Fittings

Grounding Bushings & Hubs

Molded Connectors & Cord Sets

POLARIS®

Connectivity

- Pre-insulated connectors from Polaris, original innovator and the brand asked for by name
- A wide range of connectors listed for Line Side of Service termination
- With over 3,000 SKUs, NSI offers a versatile and innovative range of connectivity solutions designed for fast, safe installations.

Pre-Insulated Connectors

Compression Connectors

Mechanical Lugs

Grounding and Bonding Connectors

Terminals, Disconnects and Splices

Power Distribution Blocks

METALLICS

WARRIORWRAP®

POWER GRIP® CABLE TIES

Supplies

- METALLICS - Offers a full line of corrosion resistant Stainless Steel fasteners for your solar needs
- Professional grade electrical, general and specialty tapes in a range of colors
- Cable ties – Available in a full range of styles and UV Resistant

Electrical Tapes (11 Colors Available)

Stainless Steel Fasteners & Hardware

Cable Ties, Mounts and Cable Management

1 DC COMBINER & TRANSITION BOXES

Grounding is an essential requirement for any PV system. NSI offers an array of Listed grounding products to ensure the system is protected.

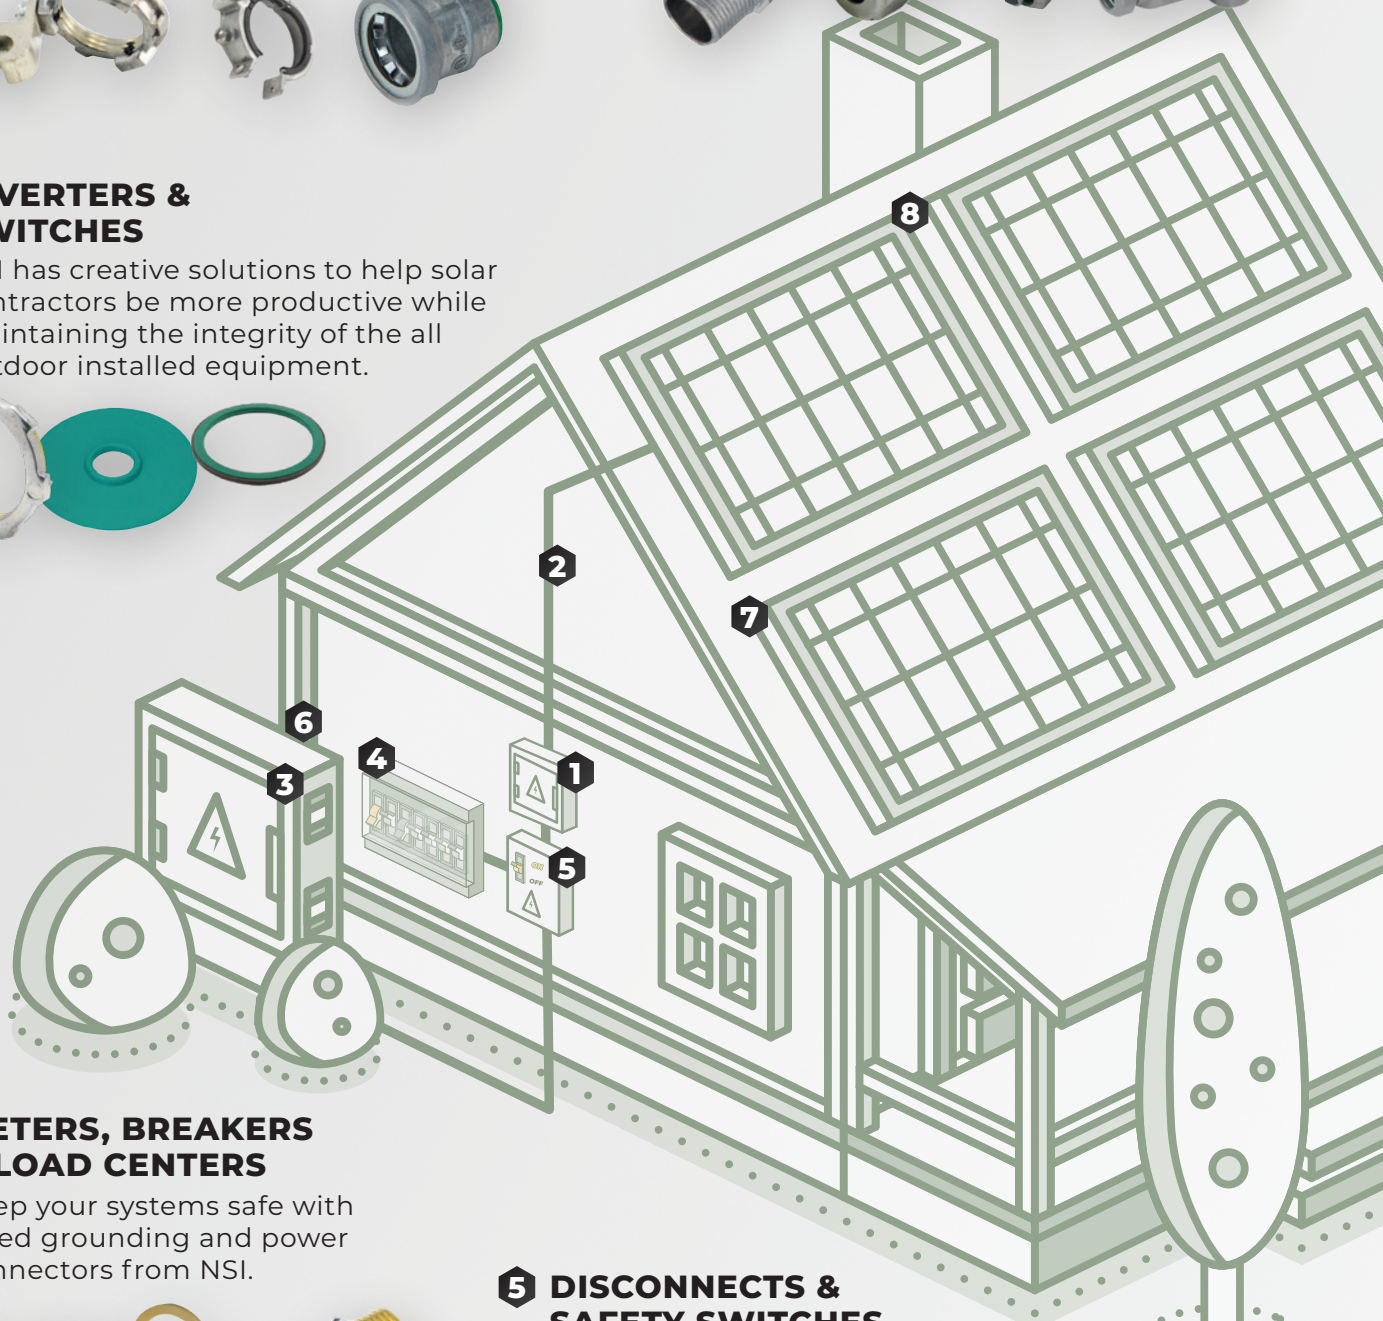

2 CONDUIT SYSTEMS

All fittings must be rated for the environment weather raintight or UV resistant. NSI has products especially designed for Solar rooftop applications.

3 INVERTERS & SWITCHES

NSI has creative solutions to help solar contractors be more productive while maintaining the integrity of the all outdoor installed equipment.

4 METERS, BREAKERS & LOAD CENTERS

Keep your systems safe with listed grounding and power connectors from NSI.

5 DISCONNECTS & SAFETY SWITCHES

Innovative patented products that are designed and created for solar installations ensure your installs are code compliant.

8 VARIOUS APPLICATIONS

Options for drains, roof flashing and more.

7 WIRE MANAGEMENT

Organize and protect wiring in harsh environments.

6 CABLE CONNECTORS & LUGS

Polaris, the brand asked for by name, provides pre-insulated connectors and now available with compression and mechanical lugs.
