PLATINUM TOOLS®
ezEX48
**The nEXt Generation of
Pass-Through RJ45**

**Fits wire .043 - .048" Ø
1.09-1.22mm - 23-22 AWG
(Typically Cat6A)**

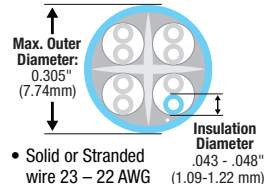

**ezEX is the most advanced
pass-through RJ45 ever**

*Patented front load bar
supports conductors
during crimp for a perfect
flush trim every time*

*One-piece design with
patented staggered wire
path reduces cross talk
and increases allowable
conductor diameter*

Does your cable fit?

- Solid or Stranded wire 23 – 22 AWG
- TIA/TAA/RoHS 2/FCC compliant
