

SB250

Universal Soundbar Mount

PRODUCT DESCRIPTION

The SB250 soundbar bracket is truly universal allowing for any combination of TV, soundbar, and TV mount. Its extendable design adapts to soundbars of all sizes lets you use full motion, tilting, and fixed TV mounts. Made from rigid steel, it securely fastens soundbars weighing up to 22 lbs without any visible hardware providing a clean, floating look. Height adjustable arms allow snug, zero gap placement against your TV, while its slotted arms provide depth adjustment to accommodate soundbars with top-mounted speakers. SB250 ensures your soundbar follows your TV's movements, delivering clear dialogue wherever you sit. Includes everything you need for a hassle-free TV mounting experience, and wall-mounting hardware to cover any installation.
