Slim Low-Profile Antenna (314401)

Power Supply (859913)

ABOUT

weBoost’s **Drive X** is our most powerful, professional grade vehicle cell phone signal booster. Commonly used by first responders throughout Canada to boost signals while out on the road with a 60% larger service range than the other boosters. The Drive X ensures that you get better voice and data with fewer dropped calls, improved voice quality, faster uploads and downloads, and allows up to 2 hours additional talk time in weak-signal areas. weBoost’s Drive X boosts cell signals up to 32x and enhances signals for everyone in the vehicle whether it’s a car, truck or van.

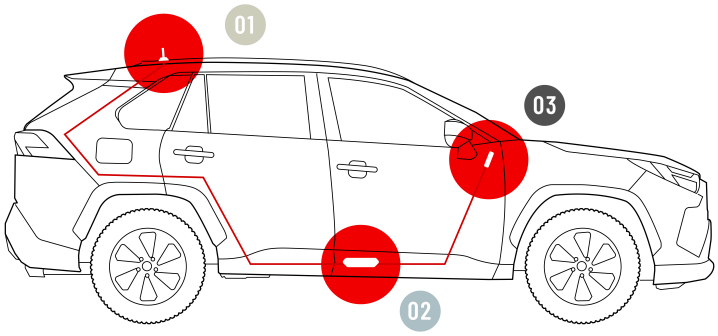

The Drive X is compatible with all major Canadian mobile carriers and is ISED certified. All components needed for installation are included as well as simple instructions for a quick, easy setup. Plug the Drive X into the car’s power supply, place the magnetic antenna on the center of the roof, and get better wireless signal on the road now. The Drive X comes with a 2-year warranty from manufacturer and a 30-day money back guarantee.

HOW IT WORKS

01 **Outside antenna:** The outside antenna communicates back and forth with nearby cell towers.

02 **Booster:** The booster amplifies any cell signals it receives from the outside antenna.

03 **Inside antenna:** The inside antenna broadcasts these signals for use throughout the vehicle.
