IN-WALL DIMMERS

PRODUCT BROCHURE

IN-WALL DIMMERS

For nearly a century, the TORK® brand has set the benchmark for budget-friendly, innovative solutions in the lighting control industry. Fast forward to today's busy lifestyles and you'll find TORK® lighting controls, dimmers, timers and photocontrols still designed specifically for customers needing convenience, security and reliability.

New TORK® In-Wall LED Dimmer Switches are attractive, easy-to-install and work with CFL, LED, halogen and incandescent light sources.

LED

CFL
