

# 22-in-1 Security Screwdriver Kit

Never again be caught without the right screwdriver!

**Designed specifically for security professionals**, this set provides optimal versatility for both security and traditional applications. The handle features a non-slip comfort grip and a shaft design that reaches screws recessed up to 5 inches deep. The 11 double-ended shaft-style bits include multiple sizes of security Torx®, hex and Robertson along with spanners and tri-wings. Also includes standard slotted and Phillips bits.

Bit Load	Size
