USB-C RECHARGEABLE

Fully recharge in as little as 1 hour

CHARGING INSTRUCTIONS

To charge, connect the light to a power source using the included USB cable.

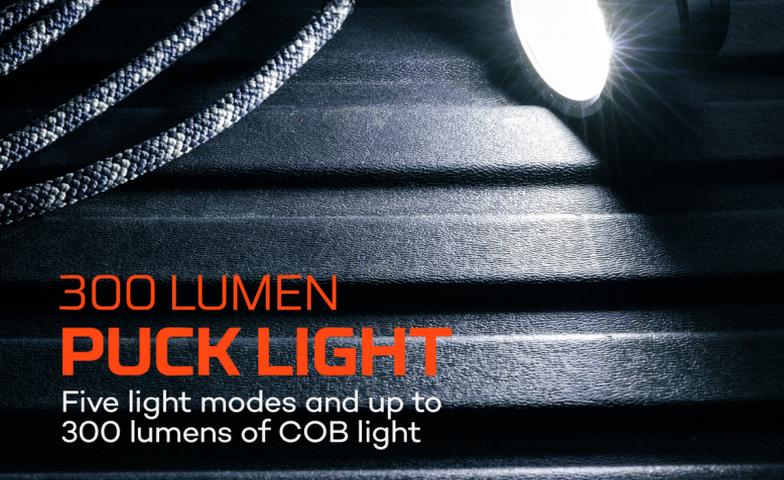

CHARGING INDICATOR

The LED near the charging port serves as the charging status indicator while the light is plugged in.

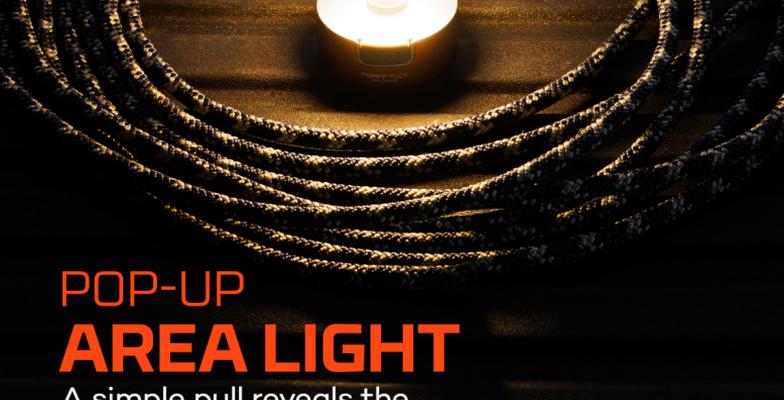

- Solid Red: Charging
- Solid Green: Fully Charged

The light will function while charging, however performance may be reduced and charging times will be increased.

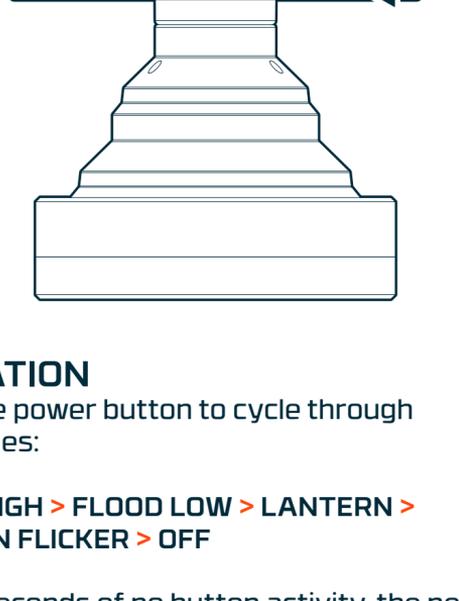

300 LUMEN PUCK LIGHT

Five light modes and up to 300 lumens of COB light

POP-UP AREA LIGHT

A simple pull reveals the soft glow accordion lantern

OPERATION

Press the power button to cycle through light modes:

FLOOD HIGH > FLOOD LOW > LANTERN > LANTERN FLICKER > OFF

After 8 seconds of no button activity, the next press will turn off the light.

STROBE

Double press the power button to activate STROBE.

DIRECT-TO-LANTERN

From OFF, press and hold the power button to activate LANTERN. Press the button again within 8 seconds to cycle through lantern modes:

LANTERN > LANTERN FLICKER > OFF
