

FIXED DUAL STUD MOUNTS

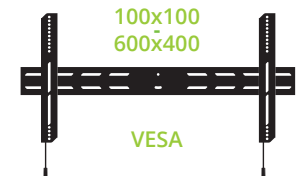

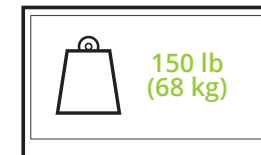

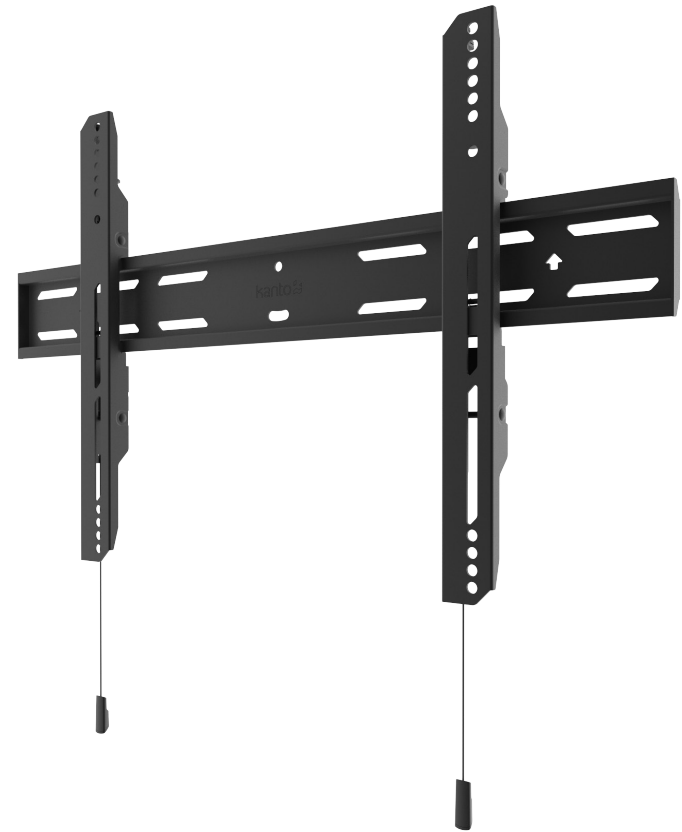

PF300

Level, locked and low-profile.

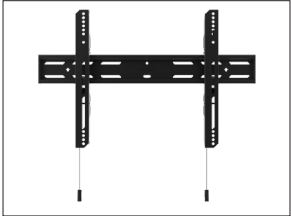

The PF300 provides a low-profile solution to mounting your flat screen TV. Designed to support 150 pounds, its 27-inch wall plate ensures an easy installation on both 16 and 24-inch stud centers. The mounting brackets come equipped with adjustable screws to facilitate precision leveling, Torx screws to protect against theft, and quick release cords for easy removal of your TV. Along with a 6-inch extension bit to conveniently access the security and leveling screws after mounting your TV, the PF300 comes with all the necessary hardware for wood stud and concrete installations.

- Product weight: 6 lb (2.7 kg)
- UPC: 800152718231

TECHNICAL ILLUSTRATIONS

EXTRA WIDE WALL PLATE

Measuring 27" wide, the solid steel wall plate accommodates both 16" and 24" stud spacing.

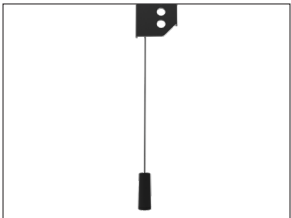

POST-INSTALLATION LEVELING

Precision leveling can be achieved with two adjustable screws. Use the provided 6" extension bit to easily access the leveling screws after your TV has been mounted.

LOCKABLE ARMS

Two Torx screws can be tightened using the provided key and extension bit to prevent your TV from being removed.

MAGNETIC QUICK RELEASE CORDS

Removing your TV from the wall is as easy as pulling on two quickrelease cords. Each cord includes a magnetic end, allowing them to be neatly tucked out of sight.

LOW PROFILE DESIGN

The PF300's slim wall plate and mounting brackets allow your TV to sit 1.4" from the wall.
