

## STAINLESS STEEL CLEANER AND POLISH #20-27

Seymour's Stainless Steel Cleaner and Polish cuts through grease, dirt and oil without leaving a filmy residue. A foaming, non-abrasive product it dissolves and protects against fingerprints, watermarks and smudges while leaving a high gloss finish on stainless steel, chrome and aluminium.

### Suggested Uses:

Stainless Steel  
 Chrome  
 Laminted plastics  
 Aluminum

### Packaging:

|                          |                       |
|--------------------------|-----------------------|
| UPC Code                 | 043281000207          |
| Cans per case            | 12                    |
| Shipping weight per case | 18 lbs.               |
| Container                | 20 fluid ounce can    |
| Label weight             | 18 ounces (511 grams) |
| Shipping Classification  | limited quantity      |
| Hazard Class             | 2.2                   |

### Properties:

|                         |                        |
|-------------------------|------------------------|
| Flammability            | Non-Flammable          |
| Flash point             | Not applicable         |
| VOC content             | 5%, cannot exceed 15%  |
| HAPs content            | 0%                     |
| Storage Temperature     | 40-100F                |
| Application Temperature | 40-100F                |
| Shelf life              | Guaranteed for 2 years |
