

SU2

Rear Mount Desktop Speaker Stand for Ora and Uki

COLOUR OPTIONS

- Black: SU2
- White: SU2W

PRODUCT DESCRIPTION

SU2 is crafted to bring high design and high fidelity to your Uki and Ora speakers. Seamlessly secured to the rear with a provided 1/4"-20 screw, it instantly frees up valuable desktop space and creates a minimal, floating aesthetic. By lifting your speakers off the desk, SU2 reduces early reflections that can muddy the sound. Clarity is enhanced further with a slight upward angle that directs audio straight to your ears for uncoloured sound. Integrated silicone pads provide vibration reduction and stability, ensuring a refined, distraction-free experience.
