## **The Illuminati and the One World Government**

<https://youtu.be/tft9T32BNgc>

The title message of this morning is “The Illuminati and the One World Government.” I

bet some of you are here because of the name “Illuminati.”

Ah, it is cool. It is not cool. It is burning from the fire of hell.

You know, going back to Genesis 3:4-5, we find all the

answers to all that evil that started then and continues until

our very day. God created the heavens and the earth, and He did that within six days. He created us in an intelligent way; we were not monkeys or apes. We did not have to go through some sort of evolution. We were already okay because when God saw us, the Bible says, He saw that it was good. But then, on the last day of the six days of creation— because remember that on the seventh day He rested—on the sixth day, He created man, Adam, remember. Then from his ribs came Eve because it was not good for man to be alone.

And knowing man’s heart and knowing what might happen, as a good Father, the Lord said to Adam and Eve, one thing I ask you not to do. I am going to give you a garden. I am going to give you life, health, abundant life. Nothing is going to be wrong here. You are going to have dominion over any animal that is right here and any creature that is in the ocean. Can you imagine? We do this (snaps finger) and the lion is coming, you tell it to go get the deer and tell it to come right now. Everything is under our control. But there is one thing He said, don’t do. He said don’t eat from the fruit of that tree because when you eat it you will *surely* die, *surely* die. And then the Bible says, **“Then the serpent said to the woman, ‘You will not surely die. For God knows that in the day you eat of it your eyes will be opened, and you will be like God,**

## knowing good and evil.” (Genesis 3:4-5)

You see, God knows good and evil. That is why He tells you to stay away from evil. But when you don't even go there, there is no place for evil in your world. But when you now know it, isn't that interesting, the minute they ate from that fruit they immediately were filled with evil. Evil brings you shame and guilt, and they were hiding. It is interesting, because it is a double lie here, because first he said, "you will surely not die," and then he said, "your eyes will be opened, and you will be *like* God."

This is the birth of the Illuminati. Probably you are saying, "Wait a minute, this is a verse from Genesis." Yes, Illuminati is a Latin word. It's a plural case of a Latin word called "illuminatus" which means the "enlightened." To be enlightened means to see the light. It means to get some revelation, to get some knowledge that will open your eyes to see things you couldn't see before. Things that you didn't know before. Things that will make you more clever. Things that will make you superior. Things that will kind of give you more control.

Illuminati means more than one, and guess what? Eve gave it to Adam, and guess what? They were already two, and guess what? They were the first Illuminati. They were the first ones who were seeking illumination, who were seeking enlightenment, who were seeking to, actually, know more and, unfortunately, as that serpent said, to be like God.

One of the leaders of the Freemason Illuminati in America, the leader, he was the Grand Commander of the Supreme Council. He was a 33<sup>rd</sup> degree Mason. His name was Albert Pike. He actually wrote in his book, *Morals and Dogma*, "Lucifer, the Light-Bearer! Strange and mysterious name given to the Spirit of darkness! Lucifer, the Son of the Morning! Is it he who bears the light... doubt it not!" That is on page 321, and you can look at it.

**2 Corinthians 11:14-15** says, <sup>14</sup> **And no wonder! For Satan himself transforms himself into an angel of light.** <sup>15</sup> **Therefore it is no great thing if his ministers also transform themselves into ministers of righteousness, whose end will be according to their works.”**

Ministers of righteousness, that means that they really think that by what they are doing, they actually do what, or exercise what? Righteousness. Almost every secret society that was born from the time of the Garden of Eden, they always thought that their target is for good. It's for the best of humanity, for the preserving of our planet.

**2 Corinthians 4:3-4** says, <sup>3</sup> **But even if our gospel is veiled, it is veiled to those who are perishing,** <sup>4</sup> **whose minds the god of this age has blinded, who do not believe, lest the light of the gospel of the glory of Christ, who is the image of God, should shine on them.”** You see they chose their light. There are two lights: there is the real light, the good light, the light of the glory, the light of Christ; and there is the one who disguised to be an angel of light and they chose that light.

I want to cause you now to fasten your seat belt because we are going all the way back to the time of the ancient people who lived here, ever since Genesis. The first attempt for people to create a world government, to create the world domination, to come together without any barrier, without language barrier, without borders, it is the story of the Tower of Babel, if you remember. They all came together, first time ever that humanity joined forces. What for? To take over and replace God because they believe they are gods, because they believe they are like God. They were given a lie and they are given to the lie. They believe in what we call “pantheism.” “Pan” means everything is god: they are god, the tree is god, the earth is god, the sun is god, the moon is god. No wonder they worship the moon, they worship the sun, they worship the stars, and looking for symbols with these things because they believe these are gods. Therefore, they

came together to build a tower and put a shrine on top. God destroyed it. God spoiled their plan and dispersed them and gave them different languages and different nationalities and they were no longer united. Ever since, they are seeking to get back to be united in order to take over and in order to replace God.

The Egyptian pharaohs, if you go all the way back, the pharaohs were of the mind-set that they are of the blood line that is connected to the gods.

They are the gods' representatives. The Egyptian gods sent them to rule over those ignorant people. It is

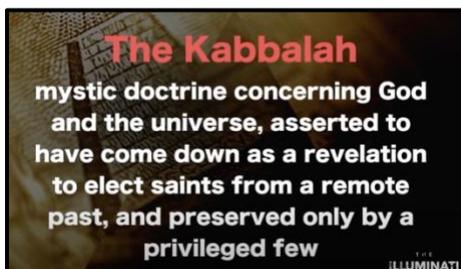

interesting because not only that, but we also know that the Egyptian philosophers of the time also were unwilling to expose their mysteries to vulgar eyes, to the common people. So, they concealed their particular tenets and principles of policy under hieroglyphical figures and expressed their notions of government by signs and symbols which they communicated to their magi alone who were bound by oath not to reveal them, bound by oath.

Whenever you belong to a group that is *bound by oath* not to reveal something, run away! Because if there is one thing that you can identify that is ungodly, it is that which is done in the secret. When God is in the house, there is light. God declares the end from the beginning. God is not choosing certain people whom He enlightens and causes the rest not to see. The only time He blinds the rest is when they reject Him. You must understand that secret societies were all over from Genesis until today because somehow people who do not know God, or reject God, really want to feel special. They don't know that God loves them. They don't know that God is with them. They don't know that there is nothing that can separate them from the love of God in Christ Jesus. So, what are they looking for? Some sort of acknowledgement, some sort of a status as unique. So, they long to belong to a secret society. They love the fact that they don't have to

share, that it is secret, that they don't have to reveal anything, that it is all concealed because that makes them feel *special*. You need to understand that from the very beginning that which is called Illuminati, those who believe that they are enlightened, pass the baton from one organization to another, up until today.

I am taking you through a journey. If we look to the ancient world—the ancient world of the Egyptians, of the Babylonians, of the Assyrians, of the Greek, all those philosophers—just injected poison into people to believe that actually the true God is the one who revealed them the secrets and not kept them away. The one who told them to eat from the tree and not stay away from the tree. The one who told them they can be like God and not stay away from that tree. This is whom they adore.

So, in between the Old Testament and the New Testament Era, a new movement was born. A movement whose object was to somehow penetrate into what we call the special people of God, God's chosen people, Israel, and that movement was called the "Kabbalah." Kabbalah in

Hebrew means "to receive." It is one of the most horrific things that started in the fifth century BC and was probably the basis of every secret society since. They all originate from that time. It is a mystic doctrine

concerning God and the universe, asserted to have come down as a revelation to elect saints from a remote past and preserved only by privileged people.

The Jewish people today know if that they study Kabbalah and if they go too deep, they might lose their minds. It is a proven fact. It is interesting because look what the Kabbalah is teaching. For example, Moses, rather than being the righteous prophet of God who led the Israelites out of Egypt, out of sin, out of slavery, out of bondage, they teach that he was an occult

figure whose purpose was to initiate the Israelites into the enlightenment and more advanced teachings of Egypt. Isn't that interesting? They go back, and change everything, and claim that Moses actually taught them that. I remember that I was in a cab and the driver—you know, I don't look religious, I don't have the hairlocks nor dressed like that—and the driver started telling me what he is studying about the Kabbalah. Then he says, “You know, David was a sinless man, righteous man, sinless man.” I said, “Really? Sinless? Really? So, Bathsheba is nothing?” Then he says, “Oh no, Bathsheba, but actually Uriah, her husband, deserved that.” I said, “Really? Why?” “Well because when Uriah was there and as David was about to kill Goliath, Uriah would not give him his sword to chop off Goliath's head.” I said, “You are mixing two stories and it is two different time periods.” He said, “No.” I said, “You know what? You fell on the wrong person. I know the Bible.”

Open your Bible and read Psalm 51, David *confesses* his sin. He said, “In sin my mother actually conceived me,” and he says, “God, take not thy Holy Spirit from me. I have sinned before you.” I asked the driver, “So, how can you say that he never sinned when he himself confesses his sins?” Then he said, “Yeah, but that is not what we know as we teach later on from a newer revelation given to us by Moses.” A new revelation! The Bible is no longer accurate, anymore. Horrible, because that is going to influence so many people later on.

Then, of course, in the first century, Jesus comes to the world and the light of God was shining. Do you know what the Bible says? “In the valley of the shadow death, light has dawned.” Remember? Now you understand how dark the land was, how dark the world was. The occult was everywhere. Jesus came and said, “I am the light of the world, not Lucifer, not that ‘light-bearer.’ I am the true light of the world.” Jesus, performing so many miracles, gathering so

many people around Him, and the message of the gospels was going into the four corners for the world, the occult movement immediately went under the ground because nothing can withstand the power of Jesus. I can tell you that there is only one reason why the Antichrist is not showing his face yet and it is because the power of Jesus that is in us. The only supernatural manifestations are when we are gone. I want you to know that as long as Jesus was here and as long as the disciples were here and as long as the apostles were here, throughout the first century, the occult went underground.

But the minute the second century came, they immediately lifted up their head again and a new movement was erected and that is Gnosticism, the Gnostics. “Gnosis” in the Greek is actually “enlightenment,” “knowledge”. Again, they speak of enlightenment. Again, it is somebody else’s light and look what they teach. They were, by the way, the biggest enemies of the gospel in the second century. They teach that God, the supreme Father, had two sons: the elder son called Satanael, and the younger is Jesus. To Satanael, who sat on the right hand of God, belonged the right of governing the *celestial* world but filled with pride, he rebelled against his Father and fell from heaven. Then aided by his companions of his fall, he created the visible world, the image of the celestials having things like the sun, the moon, and the stars. Last he created man and the serpent, which became his minister. Later Christ came to Earth in order to show men the way to Heaven, but His death was ineffectual for even by descending into hell He could not wrest the power from Satanael. This belief in the impotence of Christ and the necessity therefore for placating Satan, not only the prince of the world but its creator, led to the further doctrine that Satan, being all powerful, should be adored. Ladies and gentlemen, they believed, and they taught that Satan created this planet and that Satan created man. Therefore, man should adore, and man should worship Satan.

Now, you probably are saying, how could they teach that? They taught that and they had more success than the Christians at that time. From one secret society to another, they were keeping that light of Lucifer and that thing, the enlightenment. It goes through the fifth, and the sixth, and the seventh, and the eighth, and the ninth, and the tenth centuries.

And then, when the world was so dead in the occult, come Pope Urban II in 1096, in the city of Claremont, France, and he is calling the Christians around the world to go to the land of Israel, and liberate the Holy Sepulchre, the grave of Jesus, from the hands of the infidels. Little did he know that he was going to create a wave of people, who were so desperate for something, to go and create what we call the Crusades. The Crusaders are those who took the Crusades and they started gathering all the knights in Europe, all of the nobles of Europe, started gathering their peasants. They promised them that they would pardon their debts, they promised them a better future, they promised them a pardon of sins, also. Then, of course, they started their journey and along the way they killed thousands of Jews and, of course, when they reached the land, thousands of Muslims. They burned alive all the Jews in Jerusalem in their synagogues.

It was 1099 when they finally reached Jerusalem, and took it, and created the Jerusalem Kingdom. The Catholic Knights became then the “Kings of Jerusalem” on behalf of the pope. The first king, King Baldwin, the King of Jerusalem, he was there. He turned the Dome of the Rock that the Muslims built in the seventh century into his palace and called it “Templum Domini.” Then, of course, something happened. Watch this.

The distance from Europe to the land of Israel is hundreds of miles, more than a thousand. You have to understand that in those days it would not take an hour, but it would take months. It was a journey by foot and there was a good chance you will never make it. Now, there was a great need for some sort of an organization that would protect the pilgrims along the way.

That is how, in 1118, the Knights Templar was born as a military and religious order. It was established by nine French knights under the leadership of Hugues de Payens, of Champagne, and Godfrey de Saint-Omer, and their stated mission was to protect pilgrims on their way to the Holy Land during the Crusades. That is a very nice thing. Think about it, you need protection. That is why King Baldwin gave them quarters in his palace built on the site of Solomon's Temple and from this the order derives the name of Knights of the Temple or the Knights Templar. You need to understand that even the pope, as it grew rapidly in 1128, took them under his special protection and exempted them from all taxes.

Now the whole Christian world looked at them as their saviors and as their deliverers. They are the poor knights; they are the poor that are helping the poor. They are the people whom we should help and so people started donating land, buildings, cattle, and money. They became so wealthy and so powerful. Then it came into their minds another a way to make even more money. They created the first banking system in the world and the first check book in the world. How? They said to themselves, "We are going to have to open an office in every country in Western Europe. Everyone who wants to travel to the Holy Land on his pilgrimage should come to us and give us all of his possessions. We will give him a certificate, a check, which they can cash when they reach Jerusalem in our Jerusalem-based office." Isn't that amazing?

What a revolutionary thing! It is the first world banking *ever*. It is the first check book *ever*. One thing that the people did not know is that the fact was that only 40% of them would make it to the land of Israel alive. Sixty percent did not make it alive which means they lost all their possessions because they gave it to the Templars, remember? Their families could not enjoy it. Therefore, they became even more rich, super rich! They were the

most powerful organization in the world of that time, controlling tons of land and properties in Europe that even the *pope* was afraid of them.

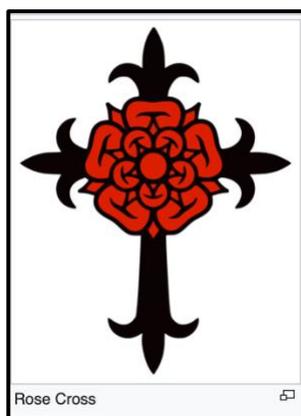

I want you to know that at some point, whether it was from the very beginning, they somehow went astray. They started teaching themselves Gnosticism, which means Satan created the world, Kabbalah, and they were even following a new group of Muslims called the Assassins, Hashashin. Why? Because they were smoking hash, hashish. I am not joking. Now, that group of Muslims were so ruthless they used to kill any political opponent and that is how the word “assassin” came to the world. So, the Knights Templar are becoming violent, they become Luciferians, and they become degraded.

In fact, in the year 1307, the King of France, Philip IV, rounded up all of them. The Knights confessed to a variety of notorious crimes and admitted to taking blasphemous oaths *against* Jesus Christ upon admission into the order. They said that they had been shown the cross upon which was the figure of Christ and had been asked whether they believed in Him and when they answered, “yes,” they were told, in some cases, that this was wrong because He was not God, because He was a false prophet. Some added that they were shown an idol that looked like a goat, big head with a beard, and they were told *this* is your god. Others said that they were shown the crucifix and they were ordered to spit at it, and others even said that they were told to urinate at it or on it.

Now, if that is not enough, you need to understand that some added, later, that all who confessed declared they had been ordered to spit on the crucifix and very many had received the injunction to commit obscenities and to practice unnatural vice. Some said that upon their refusal to carry out the orders they had been threatened with imprisonment. In fact, the more people coming to confess, the more horrific it was. They were commending their people, who wanted to

become members, to have sodomy, to have homosexual relationships, in front of everyone to prove that they were worthy of becoming Knights Templar. They were so off and before so many witnesses.

King Philip said that it is wrong. I am banning them, but the pope did not want to listen. Pope Clement V refused to respond to the charges and to the confessions of the Templars until the pressure was so enormous, that due to the mounting pressure, what happened is that he summoned 72 people and he questioned all of them. Before these many witnesses, the Templars admitted their crimes which had been previously confessed during the trials by Philip. What happened is they were burned alive at the stake. But don't forget that was not the end because following the death of their leader, Monsieur de Molay, the Templars found refuge in Portugal under King Denis II who became their protector. And so now, the Illuminati, those who are enlightened, those who knew better, those who worship another god, those who worship Satan to be their god, are not allowed to be shown publicly, they went underground. So, what they did, they created a fake mythology, some sort of story to test the ground. This is a well-calculated move that that secret order that allowed them to monitor Europe's openness to the occult. So, what they did, the story elaborates on how Mr. Christian Rosenkreuz, "the rose cross." They say

that he will travel to Syria and Egypt to study the occult. And after learning from all the great masters of the occult in the Middle East and Northern Africa, he returned to Europe to spread his enlightenment throughout the continent, but he was unfavorably received. Then he returned home to Germany where he had hoped to establish a society and he continues on and on until the 18<sup>th</sup> century. The 18<sup>th</sup> century is

the era of the Enlightenment. Go to the books, go to the encyclopedia, the 18<sup>th</sup> century was the

“Era of Enlightenment”; Again light. It’s the false light. People were running to universities, people

were learning the occult, people were absorbing anything they could find, and that was the Illuminati in the 18<sup>th</sup> century.

During that time something horrible happened. Are you ready for that? Two people, born in two different years in Germany, one in Frankfurt, one in Engelstadt in Germany. Amazing how much Germany pumped so much evil at that time in history. I want you to understand that at that time, there was a Jewish man called Amschel Moses Bauer. Mr. Bauer was so humiliated by the German non-Jews—Jews at that time were not allowed to walk freely with every other person. Whenever a gentile came, they had to clear the road to allow him to walk first. And then he was so humiliated, that he promised them when the day comes, he will become so wealthy, that they would serve him. It is interesting because Amschel Bauer opened, in 1743, a coin shop for rare coins in Frankfurt, Germany. Right above his store, he put a big shield of the Roman eagle. It was a red shield, and it was known to be the “Red Shield Firm,” “Roten Schild” in German, the “Roth Child” and that is how they began.

Mr. Amschel Moses Bauer, of course, he died but not before his son, Mayer Amschel Bauer, was able to study, to be excellent, to be super in his intelligence. You know Jewish people in those days were so smart. They had to be because they were a minority. They were afraid they would be stepped on by all the others. To survive, they had to show excellence. He studied and he was an excellent person. He went up the ladder so much so that some of the people that were hiring him introduced him to the king of Germany of that time and to the kings of Europe of that time. He befriended them and he started working with them to create a banking system, a world banking system. He learned the art of making money and mostly loaning money to people. Then

he realized that loaning money to the individual is not making much money. But that actually loaning money to governments, to leaders, *that's* the big money and that is how he started. When he had acquired enough money, he went back to Frankfurt, and he bought his father's shop. He called himself from then on, Mr. Mayer Rothschild, and that is how the Rothschild family was born.

Bear in mind that they had no relations to their Jewish roots. They never counted themselves Jews at that time. Mr. Mayer was so enlightened that he never counted himself a Jew, he counted himself illuminated. He counted himself as a servant of Satan to bring about world domination and one-world government. He could care less if the Jews were going to die because of it or not. He could care less what the consequences were. That is why Jesus said, by the way, in Revelation 3, to beware of those who say that they are Jews, but they are actually not. They are of the synagogue of Satan, the Bible says. And so you need to understand that we have Mayer Rothchild, determined to take over the world with his wealth—by the way, his wife gave birth to five sons, and he placed every son in a different city in Europe. One went to Vienna, one went to London, one went to Naples, and, of course, one was in Paris, and he, himself, stayed in Frankfurt. The interesting thing about it is that those sons were even better than their father in making money and I will teach you how. But before that I want you to know that before he died, he told, and he made sure that his plan will be carried out by someone who is very sophisticated.

At that time on February 6, 1748, Mr. Adam Weishaupt was born in Ingolstadt, Bavaria, influenced by the French philosopher, Voltaire, he started looking into the occult and in 1776, he

*founded* the first Illuminati Order. Up until now none of the Illuminati were calling themselves "Illuminati," they were just illuminated. They were just enlightened,

but they never used the word Illuminati. In 1776, on May 1<sup>st</sup>, for the first time, an organization called themselves officially, Illuminati, and opened its first lodge. Mr. Mayer Rothschild is giving him the money and is sitting with him and plotting how, with his money and this man's teaching, they are going to somehow take over the whole world. Mr. Weishaupt was a Jesuit priest who was leaving his faith in God and ready to take over the world because of his influence by the occult.

Somehow, at some point, the messenger that carried the secret writings of the Illuminati died along the way. The documents were found, and they were published. The whole world was roaring because of the fact there is a group of people that was plotting to take over the world. Now, Mayer Rothschild and Weishaupt knew that they could not really write who they are. They wanted to disguise as if it was a *Jewish* plot to take over the world. So, they wrote it in such a way that whoever found it would accuse the Jews for that and that is exactly what happened. Jewish people were accused all around Western and Eastern Europe and thousands of them died in attacks.

Now, before he died, Mr. Rothschild told his sons three things: (1) Whenever you have a job, an important position in our family's business, only you should be there. Don't let any foreigner take that position. If your daughter is marrying someone else, he cannot be in that position, only direct bloodline. (2) He told them to marry second-degree cousins. Don't intermarry with others, we need to keep the wealth within our own bloodline. (3) He said never give any account to anyone about what you have and how much you have. Up until today, there is no document that specifies how much the Rothschild family really owns. They all keep his commandments very well. So, Mr. Mayer Rothschild died and now his sons are all over Europe. There's only one problem: They're all over France, all over Germany, all over England, all over Belgium—all over. Only the Russians are not allowing them a footstep in their territory. That's

why the Rothschilds with the Illuminati, are now plotting to kick this Tsar of Russia out. How? You just have to train some people with the new theory called Marxism. It's called what? Communism, and then you send them in, and a revolution takes place, and the Tsar is out. And now we control that part also.

You must understand the Illuminati is controlling the world in a way that is not really showing any allegiance, and not loyal to a particular thing. For them, it's a double talk. For them, every force tends to have an opposite counterforce. The conflict between the two results in a new situation. You see every thesis must have an anti-thesis, and that brings synthesis. Do you understand that? And then, of course, that's how the synthesis is helping them. You must understand, this is a double talk, a double think, and that's how they do [work]. They feed the world of wealth and they feed the communists, and at the same time, they can oppress these and oppress those, and make sure there are wars, and they give money to this side of the war... They gave money to the French Revolution. They gave money to the Civil War in America. They gave to both sides in World War I. They gave money to both sides in World War II. They gave money to both side in the Cold War. They always supported two sides because it served their interests. It is the thesis and the anti-thesis because they want the synthesis. Remember that.

We are coming to the point where Rothschild is very strong. His son is Nathan Rothschild; he is the one who is placed in England. Have you ever heard the name, Waterloo? Have you ever heard the name ABBA, the Swedish band? Have you ever heard of their song, "Waterloo"? Never mind. Anyway, Waterloo is a place. Today it is in Belgium but at that time it was in the hands of the Netherlands. There was a big battle there between Napoleon and Britain and Germany which took place on June 15, 1815. You have to understand that the Duke of Wellington, on behalf of the British, and the King of Prussia were against Napoleon. The whole

world was holding its breath about who was going to win. The stock market of London was holding its breath because they all knew that if Napoleon wins, the British stock market is going to collapse but if Britain will win then the stocks will soar.

So, what happens is that Mr. Nathan Rothschild had his secret courier, his secret envoy, in the battlefield to observe what is going on. On June 18th, just three days into the battle, he came all the way to London, and he reported to Nathan that Napoleon is being defeated. Nathan is sitting in his room, and he says, "I cannot report that. I must use this information to create disinformation to benefit from both." So, he went to the Department of War and said that my person says Napoleon is actually winning. He went to the stock market and started selling all of his stocks. So, all of the traders thought, wow, if Nathan Rothschild, that wealthy man, is selling all of his stocks we are losing the battle. Everybody started selling all their stocks. The stocks plunged a penny for the dollar, and just ten minutes before the real messenger of the fight came to report their victory, Nathan Rothschild bought all the stocks. Immediately he was the wealthiest man in England, and he bought the Bank of England of that time. His brothers and his descendants, now moving to New York, and they bought the Central Bank of America and the Federal Reserve, today, is not the federal reserve which you think of where there is a central bank of America, but it is a privately-owned bank by the Rothschild family. You probably don't even know that.

We are coming to the point where we have to remember that we are dealing with superpowers of people. The Bavarian Illuminati is no longer there. Now we are entering into the 19<sup>th</sup> century and a new organization was born.

Understand that when the Freemasons started in 1717 in London, they were not a bad organization. They were actually the guild of the builders who were in Europe at that time. They

were building cathedrals, churches, and hospitals. They were a bunch of people who wanted to

just sit together and maybe do something good with their money. The problem was that when the real Illuminati was banned, they decided to infiltrate into

the ranks of the Freemasons and take a ride on them. That is exactly what happened.

Now, from 1801 and on, all Freemason Lodges are actually Illuminati Lodges, all of them. Therefore, you see, that the leader of them, the Grand Commander of the Supreme Council, the 33rd degree in the Mason's level, he is the one who wrote in his book, "Lucifer, the Light-Bearer! ... Is it he who bears the light... doubt it not!" (Albert Pike "Morals and Dogma", page 321) In fact, another lady, Russian, who was 32nd degree in the Ancient and Primitive Rite of England, in that Freemason, she wrote, "It is Satan who is the God of our planet and the only God. Satan (or Lucifer) represents the Centrifugal Energy of the Universe this ever-living symbol of self-sacrifice for the intellectual independence of humanity." (Sister Helena Petrovna Blavatsky "The Secret Doctrine", pages 215, 216, 220, 245, 255, 533)

And now we enter into the 20th century. Ladies and gentlemen, Albert Einstein was an amazing, brilliant person and he sensed in his brilliance that something was terribly wrong. Albert Einstein wrote, "The minority, the ruling class at present, has the schools and the press, usually the Church as well, under its thumb. This enables it to organize and sway the emotions of the masses, and make its tool of them."

Today in the 20<sup>th</sup> century, the Illuminati formed itself into a cartel of international bankers and industrialists based mostly in Western Europe and North America. The names of certain families as you all know are Rothschild, Rockefeller, Morgan, Lazard, Warburg, Schroeder, and Schiff. By the way, only three are Jewish families but all the rest of them are not.

In fact, one of them is Chinese, the family of Li. I know that you may not know that they started creating organizations: The Council of Foreign Relations in 1921, the Bilderberger in 1954, the Club of Rome in 1968, the Trilateral Commission in 1973, the Freemasons are saturated by the Rothschilds, the Rotary, and the YMCA. So many Christians innocently belong to those organizations not knowing that they are saturated and that they are filled with Illuminati in their highest level.

David Rockefeller, himself, in a Bilderberger meeting in June 1991 said, "It would have been impossible for us to develop our plan for the world if we had been subjected to the light of publicity during those years. But, the world is now

more sophisticated and prepared to march towards a world government. The super national sovereignty of the intellectual elite and world bankers is surely preferable to the national auto-determination practiced in past centuries." David Rockefeller, in his own biography Memoirs, wrote on page 405, "Some believe we [Rockefeller family] are part of a secret cabal working against the best interests of the United States, characterizing my family and me as 'internationalists' and of conspiring with others around the world to build a more integrated global political and economic structure - One World, if you will. If that is the charge, I stand guilty, and I am proud of it." That is what he, himself, said.

Do you know that one of the congressmen in the 1970s exposed it? He said it in his speech, Congressman Larry McDonald, he said, "The drive of the Rockefellers and their allies is to create a one-world government combining supercapitalism and Communism under the same tent, all under their control. Do I mean conspiracy? Yes, I do. I am convinced there is such a

plot, international in scope, generations old in planning, and incredibly evil in intent.” And do you know what? Mr. McDonald boarded a Korean airline flight, a 747 flight, and he was shot down by the Soviets, the whole plane. They killed all of the passengers just so that they could get him. Isn't that amazing?

You know that in the 20<sup>th</sup> century they came out to light. In 1980, they erected in Georgia, the Georgia Guidestones, in which the Illuminati wrote all their guidelines, the ten

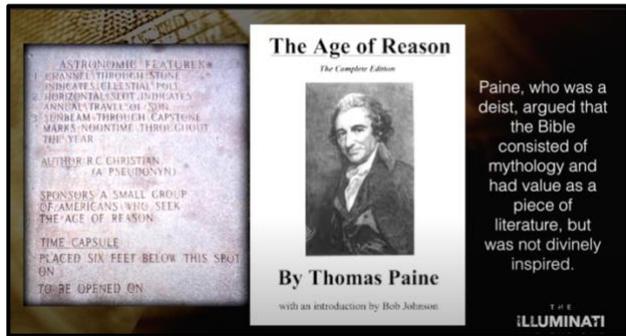

commandments of them. Just look at how the Guidestones look like and are in several languages even in Hebrew, Arabic, English, and Chinese. What they wrote on the stone with the first one is maintaining humanity under 500 million people.

They declare that we are too many people on this planet. We need to lower the number in order to have quality of life. How do you do that? You create wars. You say, look this is what he said about you; and you say to this one, look this is what he said about you. You start a war between them and then you give money to this side and then you give money to the other side, then they kill each other, and they fight. Six million Jews are dying here, and 12 million people are dying there, and it doesn't matter because we have to reduce the planet to 500 million. We are too many; right now, we are over 6 billion. Can you imagine what they are planning? Can you imagine the scope of what they are planning for us in the near future? We are too many people. By the way, I have read at least 80 different quotations of leaders, of bankers, of media people, that are all saying that we are too many people. Unbelievable. Can you imagine?

On the base of that sculpture there is a stone, and it says that the sponsors of that sculpture are a small group of Americans who seek the *Age of Reason*. I was wondering what the *Age of*

*Reason* is. I googled *Age of Reason* and found that there is a book written by Thomas Paine. He is

a man who was a deist who believed that the Bible consisted of mythology and has value only as a piece of literature but has no divine inspiration at all.

Ladies and gentlemen, they came out

in the open, once again. As the world is going away from Christ, they feel more and more comfortable to surface and be out in the open. Now came the 21<sup>st</sup> century and in the New Scientist Magazine of October 19, 2011, they found out that most of the wealth of the world is held by 1,300 companies. But if you really go and dig deep, only 147 companies are so tightly knit together that they control 40% of the world's fortune. Only 147 companies, 40% of the world. Do you understand that there is a group of people, about 13 families, that control the entire financial system of the world? But they are so frustrated because the Filipinos are too many, because the Israelis are going too many, because the Arabs are expanding. They are very encouraged with the Europeans because they are actually shrinking. They are so frustrated.

Now they are out in the open. They want to show the world that Satan is the one whom they choose to adore. You know what? A week ago, on July 26, 2015, Satanists came together in the city of Detroit in America. What they did was they unveiled a Satanic statue of Baphomet, the same goat-headed person that the Knights Templar worshipped. Look what they did, the Satanic temple unveiled the one-ton statue at an industrial building near the Detroit River just before 11:30 pm local time as supporters cheered, "Hail Satan!" Media was not allowed in. So, how do I know about that? Somebody recorded that on an iPhone. Actually, I managed to capture the first five seconds of the unveiling of that sculpture. Do you want to see? It's horrible. [Short video

clip.] It is not even funny. It is sickening. You should have seen the people that were walking into that place all dressed in suits. What you saw on the stage is those who were dancing before the people. But they were all the elite of America of that time. They told the media one thing, so all of the media went there. Then, they texted the people, “now go to the other place” and secretly all of them went to the other place without media coverage, and I got it from somebody’s iPhone. Now it is out in the open that Satan is worshipped, and it is, “Hail Satan,” all over the world. **Psalm 2:1-3** says, **“<sup>1</sup> Why do the nations rage, and the people plot a vain thing? <sup>2</sup> The kings of the earth set themselves, and the rulers take counsel together, against the Lord and against His Anointed, saying, <sup>3</sup> ‘Let us break Their bonds in pieces and cast away Their cord from us.’”** People don’t want God. They want to break that cord, break those chains. They think that God is putting them in chains. They want to be free from God and this (pointing to slide) is who they want to worship. They don’t understand (pointing to slide) that is the bondage. Him whom the Son sets free is free indeed and the truth shall set you free. (John 8:36) Nothing else. Isaiah tells us how Satan himself wanted to be like God and that is why God cast him and brought him down to Sheol, to the lowest depth of the pit.

So how do you think they communicate all of their things to the public? Through what we call esoteric symbols. Symbols that only certain people can understand. You know, our society is shaped by our morals and beliefs, and our morals and beliefs are influenced by what we watch, read, and hear. I am sick of seeing what people are doing, watching, seeing, and hearing. It is unbelievable. What has become acceptable in society today and not given even a second thought, would have been rated 18 or triple “XXX” even twenty years ago.

Now, let me show you some of the symbols so you understand how our children are being fed by the Illuminati every day. Look at the Lightning Bolt—Lucifer is thrown from heaven.

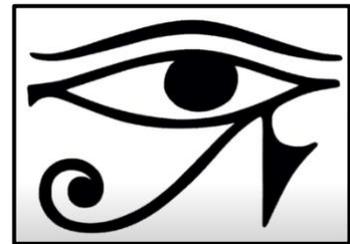

Look at Lady Gaga showing the lightning bolt. Look at even the Nazis who put the SS as the lightning bolt.

I want to continue to the All-Seeing Eye, which is the Lucifer eye of observing us all the time. And I can

continue to the Eye of Horus, the third eye. That is why they hide one eye to show only one, the third eye, invisible eye which provides perception beyond ordinary sight, enlightenment. Look at the third eye. That is what it looks like. Do you know how many

people are showing that one eye? Take a look at how many celebrities are doing that – all of them. Of

course, Lady Gaga is leading but you can see all of them one after the other. They think that it is cool. Many of them are truly aware of the fact that they serve Illuminati.

The pyramid is a symbol of Egypt, of slavery, of bondage, of sin, but the pharaohs felt that they were enlightened by the gods. The pyramid, for them, is a symbol of us looking at God. We are like god. Do you understand? So, the pyramid becomes a big symbol, mostly the 13 levels of the pyramid, showing the 13 different bloodlines of the Illuminati. The pyramid is

everywhere—even on the dollar bill you can find the pyramid. In fact, even Beyoncé, at the end of one of the Super Bowls, look at what Beyoncé did. A pyramid. Now nobody understood that, but she

made the form of the pyramid. By the way a lot of singers are doing that in many different places. They just inject to you all those symbols, just so you know. Another one is the phoenix, that bird that rises from the sand and resurrects itself, is the symbol of the New World Order that comes

from the old one. It is interesting because of The Economist, that magazine in 1988, they showed

their phoenix rising and then they said “Get ready for a world currency” by 2018. It is a sponsored advertisement by the Illuminati. I want you to see that at the closing ceremony of the London games, the Olympic games, the

London games, the Olympic games, the picture of the phoenix rising and, of course, the pyramid and everybody is bowing down to it. Horrific! Now most people may not be able to see that but these are the symbols that they are projecting to the people so they will see and get ready.

There is another one, “As Above So Below. Man is like God; God is like Man”. Look at this symbol that I believe most of you have seen before: as above so

below. It is everywhere. People love those tattoos.

If that is not enough, look at the dollar bill that tells you how much the founding fathers of America were all Masons and, at the time, that was already an Illuminati Masonic Movement. Take a look at the dollar, beyond the eye and the pyramid, where there are two different things written in Latin: “Annuit Coeptis,” on top, which “Annuit” is favor or approved and “Coeptis” is commencement or undertaking: Lucifer approves our undertaking. And then, underneath it says, “Novus Ordu Seclorum,” New World Order. Now they were clever enough to show it on the *one-dollar bill so everyone* will have it.

And do you know what? For one government and domination of the world you surely need one leader, don't you? They don't want government; they want one leader. The British historian Arnold Toynbee said, “The nations are ready to give the kingdoms of the world to any one man who will offer us a solution to our world's problems.” The first president of the United Nations General Assembly, Mr. Paul- Henri Spaak, who was also a prime minister of Belgium

and one of the early planners of the European Common Market, as well as a secretary-general of NATO, affirmed, “We do not want another committee, we have too many already. What we want is a man of sufficient stature to hold the allegiance of all the people and to lift us up out of the economic morass into which we are sinking. Send us such a man, and whether he be God or devil, we will receive him.”

**Ephesians 5:11** says, “<sup>11</sup> **And have no fellowship with the unfruitful works of darkness, but rather expose them.**” And that is what we are doing tonight, or this morning. **1 Thessalonians 5:5-6,9**, “<sup>5</sup> **You are all sons of light...**” The light of God, by the way, “**and sons of the day. We are not of the night nor of darkness.**” <sup>6</sup> **Therefore, let us not sleep, as others do, but let us watch and be sober.** <sup>9</sup> **For God did not appoint us to wrath, but to obtain salvation through our Lord Jesus Christ.**”

**Ephesians 6:10-12**, “<sup>10</sup> **Finally, my brethren, be strong in the Lord and in the power of His might.**” <sup>11</sup> **Put on the whole armor of God, that you may be able to stand against...**” All this evil, “**the wiles of the devil.**” <sup>12</sup> **For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places.**” I hope that now you understand how wicked it is, how bad, how widespread it is all around the world.

**Colossians 2:13-15** says, “<sup>13</sup> **And you, being dead in your trespasses and the uncircumcision of your flesh, He has made alive together with Him, having forgiven you all trespasses,**” <sup>14</sup> **having wiped out the handwriting of requirements that was against us, which was contrary to us. And He has taken it out of the way, having nailed it to the cross.**” <sup>15</sup> **Having disarmed principalities and powers, He made a public spectacle of them, triumphing over them in it.**” When Jesus came and He died on the cross, He ridiculed all of

them.

The Antichrist is coming. **2 Thessalonians 2:9-12** says, “**9 The coming of the lawless one is according to the working of Satan...**” It is going to come. It is according to the work of Satan, it’s according to his people, the Illuminati, the enlightened ones, those who are pushing for the one world government and those that say it requires a one world leader. “**...with all power, signs, and lying wonders,<sup>10</sup> and with all unrighteous deception among those who perish, because they did not receive the love of the truth, that they might be saved.**” You see, they did not receive the love of the truth, the love of the truth, the truth is there and if you know the truth, the truth will set you free. But if you choose not to receive the love of the truth in order to be saved, then, “**11 ...for this reason God will send them strong delusion, that they should believe the lie,<sup>12</sup> that they all may be condemned who did not believe the truth but had pleasure in unrighteousness.**”

Not only that they don’t believe God and the truth, but they are taking *pleasure* in the unrighteousness. I want to tell you something, especially if you are a young person in your teenage years right now and you are about in the twenties, you may be having the fun and the time of your life right now. Maybe right now you are taking pleasure in all those things in going to bars, going to all the clubs, and doing things that certainly are not leading you to the love of the truth, that is for sure. You may be taking pleasure of it right now, but what you don’t know is that there is a big danger that you will become so blind and so deluded that you will not see, when it comes, you will not see the truth, that you will be completely blinded.

**2 Thessalonians 2:7-8,** “**7 For the mystery of lawlessness is already at work;**” since the creation of the world, the mystery of lawlessness was there, however, “**only He who now restrains will do so until He is taken out of the way.**” He, the Holy Spirit, God’s presence in

the world; us, the temples of God. As long as we are here, he is restrained, he cannot do anything. He can try but the minute we will be taken they will say, "Hallelujah," because the population is reduced. They will say great! And then, he will show up in all of his power. The Bible says, "8 **And then the lawless one will be revealed, whom the Lord will consume with the breath of His mouth...**"

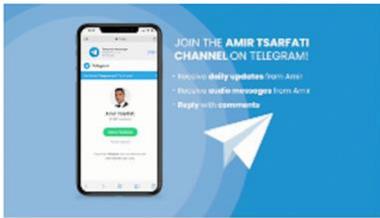

This is it, guys. I want you to know that we live in an evil world. A world that wants to control the economy, the media, the education. A world that is interested in reducing the number of people on this planet. How? By giving them bad food, bad health services, jobs that they will never be able to make enough money to be able to pay for good health services. They want you to be poor. They want you not to make it. They want you to fight each other. They want you to hate the truth. They want you to stay down. They want you to be blind because they want to rule and control and the best way to do that is controlling your mind. Once they control your mind, once you let them do that, it is over.

I want to finish with what Jesus said in **John 16:33**, "33 **These things I have spoken to you, that in Me you may have peace.**" Not in the world, in Me. Not in the wealth, in Me. Not in the health, in Me. Not in the pleasures of the world, not in the stars of the media, not in the stars of the entertainment, not in Hollywood, not on TV, not on radio. In *Me*, you will have peace. And then He says, "**In this world you will have tribulation [great tribulation]; but be of good cheer, I have overcome the world.**"
