BLOOD TRACKER

The illumatrace[®] Blood Tracker is a revolutionary tool that helps hunters detect and identify blood trails better than anything else on the market. The patented technology makes blood appear to strobe like a neon sign.

ILLUMATRACE[®]

A revolutionary technology that illuminates blood through an alternating strobe effect.

IMPORTANT

Demo mode is deactivated automatically when the battery cover is removed for 10 seconds.

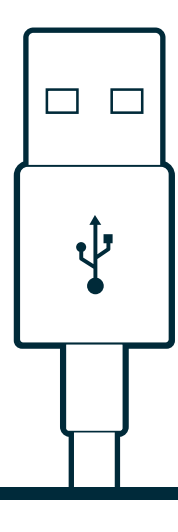

USB-C RECHARGEABLE

High performance 4000mAh Li-ion battery with an integrated USB-C port.

USB-C

USB-A

CHARGING INSTRUCTIONS

Remove the battery from the flashlight and insert the USB-C end of the included charging cable into the USB-C port on the battery. Next, insert the USB-A end of the charging cable into a power source with a USB-A port.

Remove the battery from the flashlight and insert the USB-C end of the included charging cable into the USB-C port on the battery. Next, insert the USB-A end of the charging cable into a power source with a USB-A port.

WHEN CHARGING

A small light near the positive terminal of the battery serves as the charging status indicator.

- Solid Red:** Charging
- Solid Green:** Fully Charged (Charging time may take up to 3 hours.)

BATTERY LEVEL INDICATOR

The power button light serves as the battery level indicator while the product is in use (any mode).

- Steady Orange:** Battery more than 25%
- Flashing Orange:** Battery less than 25%

OPERATION

Lock-Out Mode (O)

This mode prevents the flashlight from being turned on accidentally or while in storage, thereby conserving battery life. The battery level can be checked in this mode by pressing the power button once. It will illuminate and then automatically turn off after 5 seconds.

White Mode (W)

This mode is a non-strobing, traditional flashlight mode.

illumatrace[®] Modes(S1, S2, S3)

Choose between S1, S2, and S3 to determine the strobe rate that works best for your environment.

MODES	LUMENS	RUN TIME	BEAM DISTANCE
BLOOD TRACKER STROBE RATES S1, S2, S3	150	3h	246 ft

WHITE	170	2h 30m	262 ft
