The world's gone a little soft on cold. But staying in or bundling up in fuzzy mittens is not for people like us. We aren't intimidated by arctic temps because we believe there is a better way to deal with cold. In fact, we are comfortable making others feel uncomfortable about their layers of puff and fluff. We do things differently.

## WE BELIEVE

We are meant to be outdoors — no matter how cold

Layers, like excuses, keep us from meaningful experiences

Taking a hard approach to handling the cold is the best way to warm things up

You get out of life what you put into it

## WE VALUE

EXPLORATION / The freedom to get out and seek new adventures

STANDING OUT(SIDE) / Challenging the status quo to find a better way to be outdoors

COURAGE / The audacity to take risks

TAKING THE UPPER HAND / Embracing new technology to edge out old solutions

## WE EXIST TO

DISRUPT THE FLUFF & GIVE THE FINGER TO COLD

## WE DELIVER

RADICAL WAYS TO WARM
