

**WEATHER  
OR NOT,  
WE GOT YOU  
COVERED**

## Customers keep coming back for Through the ROOF!

It lasts

- 20X longer than asphalt
- Comes with a limited lifetime warranty

Easy to use

- Guns easily in cold temperatures

## Clear & new colors

**Clear** starts clear and stays clear

- Resistant to UV degradation

**White** provides a durable, flexible, watertight seal for gutters, drain spouts, lap joints, flashings, roof vents, aluminum siding, and other white metal joints. Stands up to weather and temperature extremes.

**Use Black** when you want to match old asphalt, tar, or for inspectors to easily see finished work.

|         |           |       |
|---------|-----------|-------|
| 10.5 oz | White     | 14030 |
| 10.5 oz | White VOC | 14035 |
| 10.5 oz | Black     | 14060 |
| 10.5 oz | Black VOC | 14065 |
| 10.5 oz | Clear     | 14010 |

|          |           |       |
|----------|-----------|-------|
| 10.5 oz  | Clear VOC | 14025 |
| 28 oz    | Clear     | 14003 |
| 28 oz    | Clear VOC | 14023 |
| 1 Gallon | Clear     | 14004 |
| 1 Gallon | Clear VOC | 14024 |

**Through the ROOF!** is ideal for repairs and new roof jobs  
**Seal over nails** that have been driven into the roof to hold down flashing for edges, valleys, and pipe boots  
**Use along PVC and ABS** of vents and skylights  
**Seal the base of chimneys** and storm collars  
**Seal gaps in gutters** and downspouts

## Technology

Screw on nozzle

...easily puncture foil seal

Plastic packaging

...won't get soggy in the truck

Dripless cartridge

...because we all get annoyed with having to clean up the extra sealant that drips out of the tube
