16" OR 24"
STUD SUPPORT

LOW PROFILE DESIGN

With a unique tilt head designed to nestle within the frame, RCAD380 articulating TV mount lets your customers push their TV within 2" of the wall.

PLENTIFUL EXTENSION

Even with its low-profile design, RCAD380 can extend almost 24" from the wall, giving you plenty of room to work behind the TV and allow your customer to position their TV wherever they'd like.

FULLY ADJUSTABLE

RCAD380 full motion mount can be tilted forward 15° or backward 3° and swivel up to 85° in either direction. Post-installation horizontal leveling lets you dial in your clients' TV perfectly.

MADE FOR PROFESSIONALS

The RCAD380 comes with four magnetic wall plate covers to hide any sign of installation, and a durable all-metal cable management system intended to last for years and prevents service calls.

UNIVERSALLY COMPATIBLE

Boasting an impressive 125 lb weight capacity and support for VESA patterns up to 700x400, RCAD380 TV wall mount is suitable for most TVs on the market.
