

Creative Office Solutions

RightAngle® Products is a family-owned manufacturing company with over 35 years of office furniture expertise.

PREMIUM QUALITY

Each product is thoughtfully engineered with quality, functionality, and durability at the forefront of every design.

MADE IN THE USA

Over 75% of our products are made at our facility in Schofield, WI. This means more control over product quality, extensive customization capabilities, and dependable product servicing.

CUSTOM PRODUCTS

Need unique shapes, sizes, finishes, or product functionality? Our team can help you create your perfect furniture solution.
