PT500

Tilting TV Wall Mount

PRODUCT DESCRIPTION

The PT500 is a heavy-duty tilting wall mount engineered for the next generation of large displays. Built to support screens up to 120" and weighing up to 250 lb, this robust mount features an expanded VESA pattern and an oversized wall plate for secure installation across multiple studs. With 12° of forward tilt to reduce glare and extended leveling screws for precision alignment, the PT500 provides the industrial strength and functional flexibility required to safely optimize the viewing experience for your extra-large premium TV.
