42" - 100"

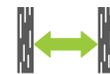

800 x 400

1.4" PROFILE

+12° TILT

16" OR 24"
STUD SUPPORT

LOW PROFILE DESIGN

The slim wall plate and brackets allow TVs to sit 1.4" from the wall for a low-profile aesthetic that your customers will enjoy.

FULLY ADJUSTABLE

RCT190 can tilt TVs up to 12° forward, leveled with adjustable screws on top of each TV bracket, and horizontally offset by shifting the TV along the wall plate.

VERSATILE STUD SUPPORT

Measuring 35" wide, the solid steel wall plate can be installed across three studs with 16" spacing, or two studs with 24" spacing.

EASY TO SERVICE

Removing a TV for servicing is as easy as pulling on two quick release cords. Each cord includes a magnetic end allowing them to be tucked out of sight.

ADDED SECURITY

Included Security Torx screws can be tightened to prevent unwanted TV removal. If additional security is required, add a lock (*not included*) to each TV brackets to secure them in place.

Features and Specifications
