PREMIER
RESEARCH LABS

WELCOME TO PREMIER RESEARCH LABS

Premier Research Labs (PRL) was founded to deliver uncompromising quality and effectiveness by providing 100% non-toxic and effective products. In fact, PRL has achieved an industry first in creating premier nutritional products based on quantum cellular resonance technology. Our products are free of undesirable chemical tag-alongs and are designed to deliver the very best quality to you and your patients.

For many years, Premier Research Labs (PRL) has had a sterling reputation as the world's leader in premier cellular resonant nutritional formulations. We have strived to become the industry leader in excipient-free, premier quality nutritional products and super foods.

Back in the 1980's, when our founder was in full-time practice as a clinical nutritionist (and not yet a supplement manufacturer), he gradually began to be aware of the waning power of the nutritional supplements that he had been recommending to clients. By 1985, it seemed to him that the nutritional power of the supplements he was using was mostly gone. As he began trying to find out why, he was harshly struck by the many ways a nutritional supplement can be degraded. He realized that highly undesirable excipients were being commonly used, ingredients were often compromised and that the source of a nutrient was often selected merely because it was the cheapest on the market. And yes, we could go on.

By 1987, he realized he had to make a drastic change in order to get the premier quality in nutritional supplements that he so badly wanted for his clients as well as for himself and his family. Thus, the beginnings of Premier Research Labs were born.

Far from obtaining ingredients from the "cheapest on the market," PRL sources its raw materials from trusted suppliers all over the world using our strict protocols that we have developed to consistently ensure the premier quality that is the foundation of all our products. In addition, our comprehensive practitioner line of clinically tested nutritional products includes the first targeted organ and gland formulas without animal glandulars.

To deliver the most consistent level of premier quality nutrition, our in-house, state-of-the-art laboratory uses chromatography technology to scan all of our raw materials to ensure they meet our superior quality standards. In addition to our standard laboratory procedures, we also screen our raw materials using our proprietary bioenergetic testing.

Yes, it has been many years since PRL decided to part from the pack, and we can absolutely guarantee you that we will never knowingly use compromised ingredients in any of our products. We invite you to experience a new dimension of nutritional excellence with Premier Research Labs.

PREMIER RESEARCH LABS IN A NUTSHELL

- Comprehensive, clinically tested, professional nutritional product line to meet all the practitioner's needs
- Ultra "clean" products: no added magnesium stearates, undesirable fillers or excipients
- Full-time practitioner support team (Monday - Friday)
- Ongoing Practitioner webinars and QRASM training seminars

QUALITY YOU CAN COUNT ON!

Premier Research Labs offers a full line of premium quality, professional nutritional supplements and foods. Due to our dedication to excellence, we insist that our nutritional supplements meet the highest quality standards, both biochemically and bioenergetically. To source the most promising and advanced nutrients, we purchase only the highest quality raw materials from around the world, including leading suppliers in America, Asia, and Europe.

We operate a full, in-house, state-of-the-art scientific lab that applies advanced analytical testing methods, including high-performance liquid chromatography (HPLC), gas chromatography, and mass spectrometry, to confirm our products meet label claims for potency, purity, and identity. Additionally, we conduct microscopic analysis to verify plant material identity and test for potential contaminants, including heavy metals, aflatoxins, and pesticide residues, to uphold our commitment to safety and quality.

THE “PREMIER QUALITY EFFECT”™

We believe that premier nutrients (exquisitely well-grown and free of undesirable tagalongs), when they are combined together, their effect can be far greater than the sum of their individual benefits. This is what we call the “Premier Quality Effect”™. Premier products are the result of our relentless search to find not only the best-grown phytonutrients worldwide, but also those with premier energetic properties.

LIVING NUTRIENTS IN THEIR PREMIER STATE

Many key nutrients contained in our formulas have been sourced from once-living, natural sources. Specific isolated nutrients can be very powerful, but we believe that it is best to include an appropriate phytonutrient matrix in order for the formula to deliver the Premier Quality Effect™.

INGREDIENT QUALITY

At PRL, quality begins with ingredients. Our ingredients are selected solely for quality in terms of purity, potency, and premier resonance capacity. We source only from the most qualified suppliers worldwide, including Europe, South America, India, China, and other regions known for high standards in plant-based nutrition. Because of our rigorous quality testing, we must reject many materials to meet our standards. Our sourcing team thoroughly vets each source to confirm that only ingredients reflecting our commitment to pristine quality make it into our products.

INGREDIENT TESTING

With carefully sourced ingredients, our next step is thorough testing. PRL conducts extensive scientific laboratory testing of raw materials and finished products, along with state-of-the-art, proprietary bioenergetic testing of all ingredients. PRL pioneered the use of bioenergetic testing to provide customers with unparalleled quality assurance. Using the latest lab technology, including HPLC (High-Performance Liquid Chromatography), high-performance thin-layer chromatography (HPTLC), and advanced microscopy, we confirm the potency, purity, and identity of each ingredient.

In addition to standard purity tests, we conduct specialized screenings for contaminants, including heavy metals (such as lead, arsenic, cadmium, and mercury), aflatoxins, and pesticide residues, to meet rigorous safety standards. Our team also performs phytochemical strength testing to ensure optimal levels of beneficial plant compounds, supporting the efficacy and consistency of every product. With over 20 years of dedicated testing and research, PRL delivers “Nutrition That Really Works”®—quality you can depend on for every patient, every day.

MANUFACTURING AT THE PREMIER LEVEL

Once ingredients pass our rigorous testing, they move on to manufacturing, where we uphold these high standards at every step. PRL is a primary manufacturer offering a fully professional line of premier nutritional products and natural foods. Our state-of-the-art manufacturing facility in Austin, Texas, is an NSF-certified and FDA-monitored facility that operates under current GMP (Good Manufacturing Practice) guidelines. To uphold the highest standards, our products are manufactured in controlled environments where temperature, humidity, and dust levels are carefully regulated. Before each production run, our manufacturing equipment is thoroughly cleaned, sanitized, and approved by our experienced quality control team. Additionally, PRL excels in implementing cutting-edge bioenergetic analysis, ensuring our products meet our uncompromising standards.

100% SOLVENT-FREE VEGETABLE CAPSULES

To maintain a product that is both safe and effective, PRL chooses 100% solvent-free vegetable capsules and vegetable-source soft gels for almost all encapsulated products. These capsules are superior to their solvent-based or gelatin counterparts and support a healthier, safer product for our customers. Unfortunately, other manufacturers often use inferior vegetable capsules (solvent-tainted), as well as tablets and animal-based gelatin capsules, all of which may create issues if consumed over time.

Tablets require glues and binders to hold ingredients together, while gelatin capsules may be harder to digest, sensitive to temperature, and typically contain chemical preservatives in their shell. In contrast, our 100% solvent-free vegetable capsules are designed to provide excellent absorption of nutrients, to deliver the best possible efficacy.

NO ADDED STEARATE PRODUCTS

Magnesium stearate is a questionable and undesirable agent that is often used in the nutritional supplement manufacturing process in many products. PRL is dedicated to offering products that are stearate-free.

No artificial flavorings, artificial colors, or artificial preservatives are added to our products. Our products are manufactured to avoid questionable sweeteners such as aspartame, saccharin, and sucralose.

Ingredients such as magnesium stearate (an undesirable hydrogenated oil) and talcum powder (a suspect carcinogen) may often be used as fillers or flowing agents to help in the encapsulating process. These highly questionable chemical agents may create health problems if consumed over time.

Experience a brand new level of 21st-century product excellence you can depend on — formulas without magnesium stearate (a questionable excipient) or undesirable artificial colors, flavors or sweeteners, manufactured to deliver premier quality resonance for outstanding results.

VEGETABLE CAPSULES: THE SMART CHOICE

Vegetable Capsules (The Preferred Delivery System)

vs

Tablets (The Poor Man's Capsule)

- | | |
|---|--|
| • Nutrients retained in their original form | • To smash ingredients into a tablet, thousands of pounds per square inch or more must be used |
| • No damaging heat or pressure | • Damaging heat and pressure may degrade nutrients |
| • No degrading of nutrients caused by encapsulation | • May result in poorer dissolution than capsules |
| • Typically better dissolution than tablets | • Undesirable binders and lubricants |
| • Easily breaks down in stomach | |

VIOLITE® CONTAINERS: AN INDUSTRY FIRST

PRL created an industry first with the development of unique, first-of-its-kind Violite® bottles to ensure maximum protection of our ingredients. Violite® is our proprietary, dark violet-colored, PET plastic bottle engineered to block damaging light frequencies that can degrade nutrients. In addition, PRL protects its premier products from tampering with foil induction seals and shrink seals.

WORLDWIDE DISTRIBUTION

PRL distributes its nutritional supplements exclusively to qualified health professionals. PRL has distributors throughout the world, including Europe, New Zealand, Singapore, and the Middle East.

Please note: Ingredient amounts and nutritional values for nutritional and food products may vary. Please contact your account manager to obtain current values.

Are You Really Eating Magnesium Stearate in Your Supplements?

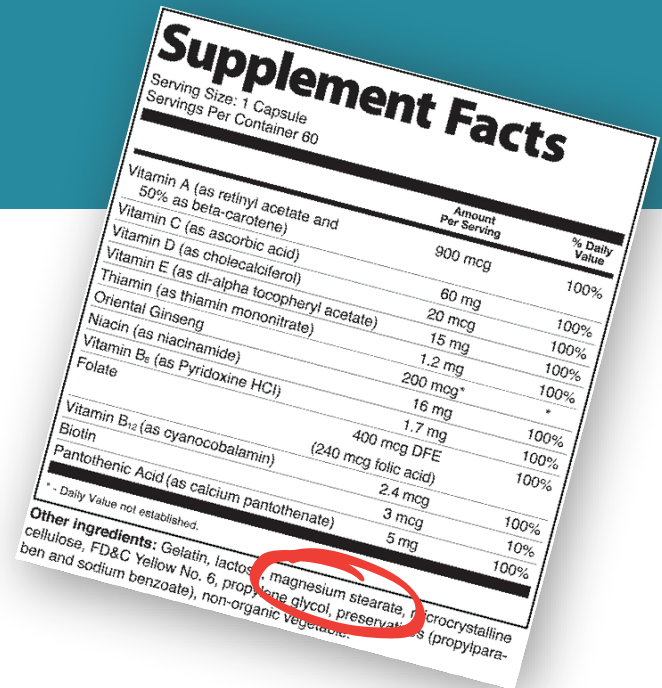

WHAT IS MAGNESIUM STEARATE?

Magnesium stearate is an undesirable excipient that is often used in nutritional products as a low-cost filler or flowing agent.

In our opinion, it is not necessary to use this highly questionable additive.

Magnesium Stearate

A flowing agent; research shows it may be immune-compromising.

Supplement Facts
Serving Size: 1 Capsule
Servings Per Container 60

	Amount Per Serving	% Daily Value
Vitamin A (as retinyl acetate and 50% as beta-carotene)	900 mcg	100%
Vitamin C (as ascorbic acid)	60 mg	100%
Vitamin D (as cholecalciferol)	20 mcg	100%
Vitamin E (as dl-alpha tocopheryl acetate)	15 mg	100%
Thiamin (as thiamin mononitrate)	1.2 mg	100%
Oriental Ginseng	200 mcg*	100%
Niacin (as niacinamide)	16 mg	100%
Vitamin B ₆ (as Pyridoxine HCl)	1.7 mg	100%
Folate	400 mcg DFE	100%
Vitamin B ₁₂ (as cyanocobalamin)	(240 mcg folic acid)	100%
Biotin	2.4 mcg	100%
Pantothenic Acid (as calcium pantothenate)	3 mcg	10%
	5 mg	100%

* - Daily Value not established.

Other ingredients: Gelatin, lactose, magnesium stearate, microcrystalline cellulose, FD&C Yellow No. 6, propylene glycol, preservatives (propylparaben and sodium benzoate), non-organic vegetable oils.

Is magnesium stearate in my products really a problem?

Yes! It really can be a problem.

Magnesium stearate is a common excipient in many nutritional products and may partially metabolize into formaldehyde (listed as a **carcinogen** by the U.S. Department of Health and Human Services).

Go Premier

and Make Premier Research Labs
Your Standard of Excellence

The biggest problem facing every nutritional company today is the issue of sourcing consistently high-quality raw materials on a regular basis. PRL has chosen to provide ONLY high-quality raw materials in every one of its products ... every time that product is made.

Premier Research Labs is recognized as the world leader in cellular resonant formulations, establishing a high standard in the nutritional industry. PRL's Quality Control Department includes an advanced, state-of-the-art laboratory staffed with scientists and a sourcing team dedicated to maintaining the high quality and integrity of raw materials that PRL products are known for.

Our scientists use scientifically accepted methods of quality control and assurance procedures, using sophisticated laboratory testing methods of raw materials to test for pesticides and non-organic materials, heavy metals (arsenic, mercury, cadmium, lead), solvent residues, pathogenic microbiological testing, raw material identity confirmation, moisture content, confirmed potency (when applicable) and more.

Recently, our scientists began using highly sophisticated DNA testing equipment (DNA sequencing-based species identification) to confirm the identity of raw materials and to rule out contaminants. Our scientists also use advanced immunoassay analysis to test production equipment to ensure high efficacy in the cleaning of allergenic materials before each production run.

PRL's solid commitment is to deliver the highest excellence in nutritional products without compromise. That's why "Nutrition that really works" has been our company motto for over 25 years.

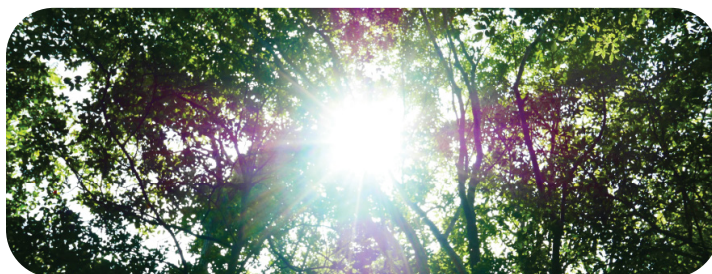

PRL's uncompromised network of research and development technologies offer you and your patients the most progressive nutritional innovations and strategies in the industry today.

Experience The "Premier Quality Effect"™

The Cellular Resonance Effect

Exciting research has shown that the outer membrane structure of every cell in your body is a unique, semi-crystalline matrix.

The "Body of Light"

This research has demonstrated healthy cells release a "body of light" that distinguishes it from unhealthy or non-living substances.

The Harmonic Resonance Effect

This discovery reveals the ideal resonant frequency of each cell can only be sustained or regained by consuming nutrients that are also at their ideal resonant frequencies.

Cellular Harmony

For best health, the answer is to consume premier quality nutrients that have a "body of light"—without the junk (no undesirable tagalongs or excipients).

HAVE YOU HEARD

about our amazing **ND** products?

Probiotic-Fermented Liquid Nutrients

Our Signature **ND** line
is an Industry First!

Our Signature **ND** Line

- **B12-ND**
Probiotic-fermented vitamin B12; a probiotic-cultured formula
- **Fermented Cardio-ND™**
Probiotic-fermented botanical formula; premier cardiovascular support*
- **HM-ND™**
With fermented chlorella complex; ancient super nutrients
- **Fermented Gallbladder-ND™**
 - Probiotic-fermented botanical formula; premier gallbladder support*
- **Green Tea-ND™**
Probiotic-fermented green tea formula; with polyphenols
- **Fermented Liver-ND™**
Probiotic-fermented botanical formula; premier liver support*
- **Max B-ND™**
Probiotic-fermented vitamin B complex formula; dynamic liver, energy, brain, and mood support*
- **Melatonin-ND™**
Probiotic-fermented melatonin; premier brain, sleep, immune, and antioxidant support*
- **Premier Resveratrol**
Probiotic-fermented resveratrol formula; premier antioxidant, cardiovascular, and immune support*

ND TECHNOLOGY™ Novel Micro-cultured Delivery

Our premier quality formula is fermented using a unique probiotic culture which allows rapid oral delivery with superior bioenergetic properties. Many people say they can feel the effect of these products the very first time they take them.

NUTRITIONAL SUPPLEMENTS & MORE

Nutrition That Really Works®

Adaptogen-R3™

Premier Adaptogenic and Stress Support Formula*

Adaptogen-R3™ offers a premier, full-spectrum formula that supports the body's adaptogenic response and promotes the body's ability to manage occasional physical and mental stress.*

This product features several key, nutraceutical blends. Rhodiola Pro Blend™ contains an adaptogenic support blend with the famous botanicals: Rhodiola Rosea root, Eleuthero, Maca, Opuntia and more. SynerPro Support Blend™ and CordyPro Blend™ supply a broad range of biocompatible botanical agents which offers a complex phytochemical profile for additional nutritional support.*

Three Plant-Source Capsules Provide:

Rhodiola rosea (root) Extract (Standardized to contain 2% total rosavins and 1% salidroside)	283 mg
Organic Turmeric (root) (<i>Curcuma longa</i>)	194 mg
Eleuthero (root) (<i>Eleutherococcus senticosus</i>)	151 mg
Organic Ceylon Cinnamon (bark) (<i>Cinnamomum verum</i>)	100 mg
Organic Prickly Pear (leaf) (<i>Opuntia ficus-indica</i>)	108 mg
Organic Maca (root) (<i>Lepidium meyenii</i>)	94 mg
Organic Fermented Cordyceps (mycelia) Extract (<i>Cordyceps sinensis</i>)	94 mg

Other Ingredients: Organic Rice Concentrate, Plant Source Capsules (Cellulose, Water)

Suggested Use: Take 3 capsules at breakfast or before 2 pm, or as directed by a health professional.

Order Code: 2175 (90 plant-source capsules/bottle); Violite® Container

AdrenaVen™

Premier Adrenal Support*

AdrenaVen™ is a premier quality, nutraceutical formula designed to support healthy adrenal glands.*

This formula features the following high-value botanicals: Cordyceps (fermented mycelial extract), Rhodiola Rosea Extract, and Eleuthero root. In addition, this formula showcases Adrenal Pro™, a comprehensive, multi-nutrient support blend.*

Everyone may feel fatigued from time to time. In addition to adopting healthy lifestyle choices for the management of occasional stress, such as regular exercise, certain herbs such as Rhodiola Rosea may help with occasional fatigue and may support energy levels.*

Cordyceps sinensis is a famous adaptogenic mushroom that has been used for centuries for whole-body support.* The well-known botanical, Eleuthero root (also called Siberian Ginseng), is also a well-known adaptogen. Adrenal Pro™ provides a broad range of biocompatible botanical agents which offers a complex phytochemical profile for additional nutritional support.*

Two Plant-Source Capsules Provide:

Fermented Organic Cordyceps (mycelia) Extract (<i>Cordyceps sinensis</i>)	475 mg
Eleuthero (root) (<i>Eleutherococcus senticosus</i>)	126 mg
Rhodiola Extract (root) (<i>Rhodiola rosea</i>) (Minimum 1% salidroside, 3% rosavins)	122 mg
Organic Chlorella (whole; broken cell, wall) (<i>Chlorella sorokiniana</i>)	54 mg
Bromelain Enzyme Blend	38 mg
Bromelain (from pineapple), Japanese Knotweed (root) Extract (<i>Polygonum cuspidatum</i>), Humic Acid	
Organic Burdock (root) (<i>Arctium lappa</i>)	36 mg

Other Ingredients: Plant Source Capsules (Cellulose, Water)

Suggested Use: Take 2 capsules at breakfast or before 2 pm, or as directed by a health professional

Order Code: 2371 (60 plant-source capsules/bottle); Violite® Container

AllerCaps is a comprehensive, multi-nutrient nutraceutical formula that promotes immune health.* This formula features several important nutraceutical agents. NAC (n-acetyl-l-cysteine) promotes the endogenous production of glutathione which offers antioxidant support and also promotes healthy respiratory support.* Quercetin provides flavonoids that offer support for immune function.* Bromelain provides active proteolytic enzymes. Aller Assist Blend™ is also included to provide a broad range of biocompatible botanical agents for advanced nutritional support.*

Three Plant-Source Capsules Provide:

Calcium (as Calcium Carbonate from Aquamin F Algae)	40 mg
Aller Assist Blend™	492 mg
Aquamin F Mineralized Red Algae (whole) (Lithothamnion sp.), Reishi (fruiting body) (Ganoderma lucidum), Organic Milk Thistle (seed) (Silybum marianum), Fermented Organic Cordyceps (mycelia) Extract (Cordyceps sinensis), Organic Turmeric (rhizome) (Curcuma longa)	
Quercetin Dihydrate	400 mg
N-Acetyl-L-Cysteine (NAC)	300 mg
Bromelain Enzymes	100 mg

Other Ingredients: Plant Source Capsules (Cellulose, Water)

Suggested Use: Take 3 capsules daily, or as directed by a health professional.

Order Code: 2174 (90 plant-source capsules/bottle); Violite® Container

*CALIFORNIA RESIDENTS ONLY
WARNING
 Risk of Reproductive Harm
 from exposure to Lead.
 See www.P65Warnings.ca.gov

Allicidin® provides broad-spectrum, premier-quality immune support.* It features Alliin Organosulfur Complex™ which yields alliin, the legendary organosulfur immune compound in garlic, stabilized by a unique process. Alliin is activated in garlic when the fresh bulb is pressed, causing it to release the catalyzing enzyme, alliinase, which quickly converts alliin to immune-active alliin.

This formula also delivers European wild garlic, called Bear Garlic, the original non-hybrid garlic (not common kitchen garlic) used for thousands of years for superior immune support.* The third complex, Botani-Pro Blend™, supplies a biocompatible botanical blend to offer a more complex phytonutrient profile for added nutritional support.*

Two Plant-Source Capsules Provide:

Alliin Organosulfur Complex™	630 mg
Garlic (bulb) Extract (<i>Allium sativum</i>), Wild Bear Garlic (leaf) (<i>Allium- ursinum</i>), which yields:	
S-Allyl Cysteine	190 mcg
Alliin	3,780 mcg
Alliin	6 mg
Organic Turkey Tails (mycelia, fruiting body, spore) (<i>Coriolus versicolor</i>)	72 mg
Organic Hyssop (aerial parts) (<i>Hyssopus officinalis</i>)	72 mg
Organic Parsley (leaf) (<i>Petroselinum crispum</i>)	72 mg

Other Ingredients: Plant Source Capsules (Cellulose, Water)

Suggested Use: Take 2 capsules daily, or as directed by a health professional.

Order Code: 2591 (60 plant-source capsules/bottle); Violite® Container

Premier Aloe

Premier Gastrointestinal Support*

Premier Aloe offers advanced gastrointestinal support with active acemannan.* Premier Aloe contains premier quality Aloe vera that has been meticulously grown on a tropical volcanic island. At the time of harvest, it is immediately processed using a proprietary freeze-drying method to maximally preserve the short-chain, immune-supporting polysaccharide called acemannan, naturally inherent in aloe.

Each Plant-Source Capsule Provides:

Organic Aloe Vera (inner leaf) (*Aloe barbadensis*) 145 mg
(Containing min. 11% acemannan)

Other Ingredients: Organic Rice Concentrate, Plant Source Capsules (Cellulose, Water), Inulin, Organic MCT Oil Extract

Suggested Use: Take 1 capsule daily, or as directed by a health professional.

Order Code: 2167 (30 plant-source capsules/bottle); Violite® Container

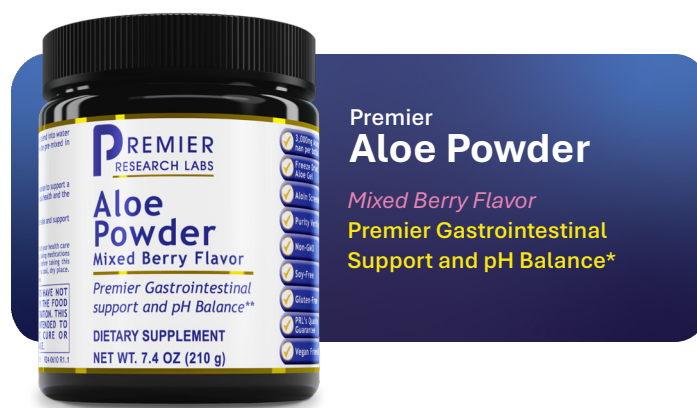

Kosher Certified

*CALIFORNIA RESIDENTS ONLY

WARNING
Risk of Reproductive Harm
from exposure to Lead.

Premier Aloe Powder

Mixed Berry Flavor

Premier Gastrointestinal Support and pH Balance*

Premier Aloe Powder Mixed Berry Flavor boasts organic, freshly harvested Aloe barbadensis leaf gel, instantly freeze-dried to safeguard the plant's delicate, health-boosting elements. Imagine getting the goodness of 200 Aloe vera plants in one compact, powerful serving. It's designed to enhance nutrient absorption, smooth digestion, and promote the healthy movement of waste through your body.*

Sip and savor Aloe Powder (mixed berry-flavored), naturally sweetened with the essence of antioxidant-rich berries like black currant, raspberry, cranberry, and blueberry. This creates a lightly tangy, delightful, and revitalizing mix. Not only does it taste great, but it also offers a unique blend of nutrients that stand out from the rest.

One Scoop Provides:

Calories	20
Total Carbohydrate	6 g
Total Sugars	1 g
Added Sugars	1 g
Protein	1 g
Organic Aloe Vera (inner leaf) (<i>Aloe barbadensis</i>)	2 g
Acemannan	90 mg

Other Ingredients: Black Currant Juice Powder, Raspberry Juice Powder, Cranberry Juice Powder, Blueberry Juice Powder, Tapioca Starch, Prebiotic Blend [inulin, Acacia Gum, fructo-oligosaccharides], Grape Skin Anthocyanin Powder

Suggested Use: Use 1 scoop per day to blend into water or your favorite drink or smoothie. Can be pre-mixed in any liquid to drink throughout the day.

Order Code: 0318 (7.4 OZ/Bottle) Powder; Violite® Container

Kosher Certified

American Ginseng

Whole Body Wellness & Adaptogenic Support*

American Ginseng capsules are a dynamic addition to support an active lifestyle. American ginseng root has a long history of traditional use as a reliable energy booster and offers a calm, but focused effect on the mind and body. With adaptogenic properties, this herb will bolster the body's immune defenses and may sharpen mental clarity.

Supplementing with American Ginseng may lead to increased energy without the restlessness of caffeine, accompanied by a natural boost to the immune system. Moreover, it supports mental clarity and sexual health while sustaining stamina throughout the day.

Two Plant-Source Capsules Provide:

American Ginseng Root (*Panax quinquefolius*) 900 mg

Other Ingredients: Plant Source Capsules (Cellulose, Water), Organic Rice Bran, Organic Rice Concentrate

Suggested Use: Take 2 capsules once daily between meals, or as directed by a health professional.

Order Code: 2850 (60 plant-source capsules/bottle); Violite® Container

Kosher Certified

Amino hGH

Targeted Muscle and Strength Support*

Amino hGH is a specialized formula that features a unique ratio of premier-quality amino acids to support muscular strength and lean muscle tone when combined with physical exercise.*

Amino hGH offers a safe, natural formula to support the healthy production of growth hormone.*

Seven Plant-Source Capsules Provide:

Calcium 50 mg

Proprietary Blend 2,975 mg

L-Arginine, L-Ornithine Alpha-Ketoglutarate 1:1, L-Lysine

Other Ingredients: Plant Source Capsules (Cellulose, Water), Marine Coral (whole), Jasmine Rice Bran

Suggested Use: Take 7 capsules at one time after the dinner meal or before a workout, or as directed by a health professional.

Order Code: 2096 (105 plant-source capsules/bottle); Violite® Container

Kosher Certified

Premier Apple Cider Vinegar capsules deliver natural health advantages of organic ACV in a convenient, easy-to-swallow form. Encapsulating ACV allows you to harness its well-known properties without the potent tangy flavor or concerns about tooth enamel and stomach sensitivity.

Regular consumption of fermented foods, like apple cider vinegar, provides beneficial postbiotics that support your gut health. With today's environmental stressors and the Standard American Diet (SAD), your body's ability to produce postbiotics may be compromised. Integrating fermented foods, like ACV, can naturally promote a balanced microbiome and enhance overall vitality.*

Apple cider vinegar research reveals potential benefits for heart health and metabolic support. Crafted with our signature probiotic fermentation process, Premier Apple Cider Vinegar offers a clean, all-natural formula free from excipients or fillers. Enjoy the power of ACV in a simple capsule, designed for those who want its benefits without the potent tangy flavor.

Premier Ashwagandha offers a full-spectrum root of *Withania somnifera* that has been traditionally fermented using lactic acid culture to promote optimal bioavailability and gastrointestinal tolerability. This advanced preparation delivers a rich array of eight bioactive withanolides that have been third-party verified.

This formula is uniquely suited for integrative approaches targeting the body's adaptive response to stress. The fermentation process supports the breakdown of naturally-occurring anti-nutrients while generating beneficial compounds that contribute to microbiome balance, immune function, and antioxidant-like activity.

Practitioners may consider incorporating Premier Ashwagandha into strategies for individuals looking to promote healthy mood, emotional well-being, restful sleep, and/or healthy adrenal function. As a traditional Rasayana tonic, fermented ashwagandha supports a gradual restoration of vitality over time and may be particularly beneficial for long-term foundational care.

Five Plant-Source Capsules Provide:

Premier ACV Complex 1,500 mg
Organic Rice Extract, Organic Apple Cider Vinegar

Other Ingredients: Plant Source Capsules (Cellulose, Water), Organic Ground Rice Hulls, Rice Bran

Suggested Use: Take 5 capsules daily with a meal or as directed by a health professional.

Order Code: 2940 (150 plant-source capsules/bottle); Violite® Container

Five Plant-Source Capsules Provide:

Organic Fermented Ashwagandha (root) 700 mg

Other Ingredients: Plant Source Capsule (Cellulose, Water)

Suggested Use: Take 2 capsules daily or as directed by a health professional.

Order Code: 2858 (120 plant-source capsules/bottle); Violite® Container

Premier Astaxanthin Complex

Premier Immune, DNA, Eye,
Skin, and Heart Support*

Astaxanthin Complex is a unique formula that features a selected range of valued botanicals including natural algae-sourced astaxanthin, a potent, lipid-soluble carotenoid antioxidant that helps neutralize free radicals.* Astaxanthin accumulates in the membrane of the cell and the mitochondria where it can provide key antioxidant support for the cell and its components.* Astaxanthin has the highly beneficial and unique property that it can quench free radicals by accepting or donating electrons without being destroyed or becoming a pro-oxidant.*

Astaxanthin delivers a wide range of benefits: it supports the health of the cardiovascular system, the eyes, and skin and is able to cross the blood-brain barrier to provide further support from oxidative stress.* This comprehensive formula also includes **Asta-Active Blend**, a botanical support blend composed of high value herbal agents that offer a complex phytonutrient profile for added nutritional support.*

Two Plant-Source Capsules Provide:

Organic MCT Oil Extract 252 mg

Asta-Active Blend 86 mg

Organic Chlorella (whole, broken cell wall) (*Chlorella sorokiniana*), Organic Fermented Cordyceps (mycelium) Extract (*Cordyceps sinensis*), Organic Prickly Pear (cladode) (*Opuntia ficus-indica*), Organic Carrot (root) (*Daucus carota*), Organic Milk Thistle (seed) (*Silybum marianum*), Broccoli (flower and stem)

Astaxanthin Extract (*Haematococcus pluvialis* microalgae) 17 mg

Astaxanthin 4 mg

Other Ingredients: Gum Acacia, Plant-Source Capsules (cellulose, water), Pea Protein, Organic Rice Concentrate, Citric Acid (preservative), Natural Tocopherols (preservative)

Suggested Use: Take 2 capsules daily, with a meal or as directed by a health professional.

Order Code: 2582 (60 plant-source capsules/bottle); Violite® Container

B12-ND™

High Potency, Fermented
Vitamin B12 (Preferred
Forms)*

B12-ND™ is a rich source of liquid vitamin B12 in a combination of preferred forms: methylcobalamin, adenosylcobalamin, and hydroxycobalamin. Vitamin B12 has many functions in the body including supporting nervous system health and the formation of blood, fatty acids, and nucleic acids.* This advanced formula provides premier vitamin B12 support, including for vegetarians and vegans.* Our probiotic fermentation is cultured without the use of animal sources.

ND Technology™ (Novel Micro-cultured Delivery)

This premier-quality formula is fermented using a unique probiotic culture which allows rapid oral delivery with superior bioenergetic properties. Many people say they can feel the effect of this product the very first time they take it.

1/4 Teaspoon Provides:

Vitamin B12 1,000 mcg

(as methylcobalamin, adenosylcobalamin, hydroxycobalamin); fermented in a probiotic culture.)

Other Ingredients: Purified Water, Organic Cane (Grain-Free) Alcohol, Organic Molasses, Organic Cane Sugar

*Probiotic culture inactivated after fermentation; preserved with organic alcohol

Suggested Use: Take ¼ teaspoon mixed in 4 oz. of water daily. Shake gently before use. Refrigerate after opening.

Order Code: 2338 (2 fl oz/bottle); Amber glass bottle with dropper dispenser

Kosher Certified

Premier Bone Health** offers a comprehensive formula that provides premier quality nutrients for healthy bone and connective tissue support.* It offers nature-sourced minerals, tocotrienols, vitamin K2-7 (which is vitamin K2 as the preferred menaquinone-7 form) as well as two key phytochemical blends: Bone and Joint Max and Joint Phyto-Flex Essentials, to provide a broad range of beneficial phytonutrients for optimal nutritional balance.*

Research shows that vitamin K2 is one of the most deficient vitamins in the American diet. Vitamin K2 as the menaquinone-7 form has been shown to remain biologically active in the blood (longer than other K forms) which optimizes vitamin K2 activity in the entire body.* Because vitamin K2 helps control calcium balance, it acts to transport calcium out of the bloodstream and into tissues that are deficient. These actions support strong bones as well as cardiovascular health.* It is critical to have sufficient amounts of vitamin K2-7 present so it can interact with vitamin D to synthesize bone protein necessary for bone growth and density.*

Three Plant-Source Capsules Provide:

Vitamin K2 (Menaquinone-7)	114 mcg
Calcium (as carbonate from Aquamin® F)	84 mg
Aquamin® F Mineralized Red Algae (whole) (<i>Lithothamnion sp.</i>)	290 mg
Cetyl Fatty Acids (predominately Cetyl Myristate and Cetyl Myristoleate)	226 mg
Organic Chlorella (whole; broken cell wall) (<i>Chlorella sorokiniana</i>)	112 mg
Organic Prickly Pear (cladode) (<i>Opuntia ficus-indica</i>)	112 mg
Reishi (fruiting body) (<i>Ganoderma lucidum</i>)	112 mg
Tocotrienols (predominately delta and gamma fractions)	96 mg
Organic Parsley (leaf) (<i>Petroselinum crispum</i>)	92 mg
Organic Turmeric (rhizome) (<i>Curcuma longa</i>)	86 mg
Organic Alfalfa (herb) (<i>Medicago sativa</i>)	56 mg
Indian Frankincense (resin) Extract (<i>Boswellia serrata</i>)	27 mg

Other Ingredients: Plant-Source Capsules (Cellulose, Water), Silicon Dioxide

Suggested Use: Take 3 capsules daily or as directed by a health professional.

Order Code: 2367 (90 plant-source capsules/bottle); Violite® Container

We have found that the most preferred source of alkalizing minerals in the world is Sango marine coral minerals: the key to supporting a perfect pH. Premier Calcium Magnesium provides legendary minerals to support the body's beneficial alkaline pH for whole body health, including the bones, joints, teeth, and an alkaline pH. Now that is quite a list of health benefits! That's because that is how important the body's pH and mineral levels are.

To achieve optimal health, it is critical to establish and maintain an ideal body tissue pH (as reflected by a first morning urine pH of 6.4 to 7.0). If your pH is below 6.4 when tested with the pH paper roll, use the pH Trio for 1 to 2 months until your pH is in the 6.4 to 7.0 range.

1/4 Teaspoon Provides:

Calcium (from coral minerals)¹	250 mg
Magnesium (from coral minerals)¹	120 mg
Sango Marine Coral¹	1.3 g

Other Ingredients: None

¹Sustainably Harvested

Suggested Use: Take 1/4 teaspoon, two times daily mixed in water or other liquids

Order Code: 0318 (7.4 OZ/Bottle) Powder; Violite® Container

Kosher Certified

Premier Calcium Magnesium Plus

Premier Minerals for Whole Body Support*

Premier Calcium Magnesium Plus is a coral-based formula that provides legendary mineral support for the bones, joints, and an optimal alkaline pH.* This formula features **Coral MinUltra™** which contains premier quality calcium and magnesium from Sango marine coral minerals with an impressive 2:1 ratio. **Coriolus TriBlend™** is included to provide a biocompatible blend for complementary nutritional support.*

Three Plant-Source Capsules Provide:

Calcium (from coral minerals)	360 mg
Magnesium (from coral minerals)	180 mg
Coral MinUltra™	1.5 g
Marine Coral	
Coriolus TriBlend™	96 mg
Organic Turkey Tails (mycelia, fruiting body, spore) (<i>Coriolus versicolor</i>), Lion's Mane (fruiting body) Extract (<i>Hericium erinaceus</i>), Reishi (fruiting body) Extract (<i>Ganoderma lucidum</i>)	

Other Ingredients: Stabilized Rice Bran, Plant-Source Capsules (Cellulose, Water)

Suggested Use: Take 3 capsules daily or as directed by a health professional.

Canadian Gold Honey

Delicious Honey From Canada's Wildlands

Are you ready for a deliciously unique and exquisite taste? **Canadian Gold Honey** is a pure, raw, unpasteurized, legendary honey from wildflowers in the remote, pristine wildlands of Northern Canada.

Commercial honey (also called “raw”) may be highly heated for high-speed packing. In contrast, our honey is “raw” (i.e. it has not been refined, whipped, spun, filtered, or stripped of any of its naturally occurring nutrition) and is also truly unpasteurized – retaining its live qualities. Every jar of our honey is hand-packed which is labor intensive, but preserves the honey's integrity as a **living superfood**.

Canadian Gold Honey melts in your mouth with an exquisitely different sweet taste – use as a topping on cereal or as a sweetener for smoothies or herbal tea. Or just enjoy it by itself! Eat a tablespoon right out of the jar as an energy boost before exercise. Some people call this the best honey in the world!

Each Tablespoon Provides:

Ingredients: Raw, Unpasteurized Honey

Calories	60	Total Carbohydrate	17g
Total Fat	0 g	Dietary Fiber	0 g
Saturated Fat	0 g	Total Sugars	16g
Trans Fat	0 g	Includes 0g Added Sugars	
Cholesterol	0 mg	Protein	0g
Sodium	0 mg		

Other Ingredients: None

Please Note: The color of this honey may naturally vary from season to season.

Caution: Infants one year and younger should not consume honey.

CardioVen™

Premier Cardiovascular Support*

CardioVen™ is a targeted nutraceutical formula that promotes premier cardiovascular health.* This product features premier quality coenzyme Q10 (50 mg/cap) which is derived from a natural fermentation process (not synthetic CoQ-10). This form of CoQ-10 is fat-soluble and is identical to the CoQ-10 that is naturally produced by cells in the body. Live-source, “trans” isomer CoQ-10 is preferred to synthetic, “cis” isomer CoQ-10 in long-term use.

CoQ-10 is an essential nutrient that is a vital component of cellular energy production. CoQ-10 is an important part of the mitochondrial electron transport system and supplies cellular energy support to all cells of the body.* CoQ-10 especially supports the heart muscle and other bodily tissues that have high energy needs.*

CardioVen also features two key nutraceutical blends, **Cardio PhytoEssence™** and **Cardio Pro Essentials™**, which offer a broad range of biocompatible botanical agents with a complex phytochemical profile for additional nutritional support.* This product is often used concurrently with the HCL Support Trio.

Each Plant-Source Capsule Provides:

Cardio PhytoEssence™ 185 mg
Organic Rice Fiber, Organic Hawthorn Berry (*Crataegus spp.*), Organic Beet (root) (*Beta vulgaris*), Organic Cardamom (pod) (*Elettaria cardamomum*)

Cardio Pro Essentials™ 172 mg
Mixed Tocotrienols (predominantly delta and gamma fractions), Organic Olive Leaf (*Olea europaea*), Bear Garlic (leaf) (*Allium ursinum*), Phytosterols (standardized to contain 40% beta-sitosterol), Organic Chlorella (whole cell) (*Chlorella sorokiniana*), Organic Turmeric (rhizome) (*Curcuma longa*)

Coenzyme Q-10 (Ubiquinone) 50 mg

Other Ingredients: Plant Source Capsules (Cellulose, Water), Tapioca Dextrin

Suggested Use: Take 1 capsule 3 times daily, or as directed by a health professional.

Order Code: 2445 (60 plant-source capsules/bottle); Violite® Container

Organic Cayenne

Supports Healthy Circulation, Digestive Comfort, and Metabolism (1.5 oz)

Premier Cayenne features organically cultivated cayenne peppers dried and milled without synthetic colorants, preservatives, or solvent residues. Each batch is lab-verified for capsaicin content and screened for heavy metals, dyes, and microbial contaminants. Unlike many commercial chili powders, ours is free of dyes, lead oxide, brick dust, and ever present aflatoxin adulterants still found today in the global spice trade.

Capsaicin, cayenne’s primary bioactive, interacts with TRPV1 receptors to support thermogenic activity, digestive motility, and microcirculatory flow. Research suggests doses of 2mg capsaicin daily (found in ~500 mg cayenne) can help support satiety, digestion, and metabolic balance. In traditional systems, cayenne was used to “ignite digestive fire” and support warming circulation, particularly in cold or stagnant tissue states.

Start with 1/2 teaspoon (~500 mg) daily, building up to 1 teaspoon as tolerated. Best consumed with meals. For digestive protocols, combine with ginger or bitters. For circulatory support, pair with hawthorn or warming adaptogens.

1/2 Teaspoon Provides:

Cayenne (100% Organic) 500 mg
Capsaicin 2 mg

Other Ingredients: None

Suggested Use: Start with 1/2 teaspoon (~500 mg) daily, building up to 1 teaspoon as tolerated. Best consumed with meals. For digestive protocols, combine with ginger or bitters. For circulatory support, pair with hawthorn or warming adaptogens. Sustainably Harvested

Order Code: 2094 (60 plant-source capsules/bottle); Violite® Container

Premier Coconut Oil

Unrefined, Virgin, Raw, & Cold Pressed

Premier Coconut Oil contains premium, virgin, organic coconut oil. A quality source of coconut oil is one of the most versatile and healthiest oils to add to daily smoothies, salads or other foods. Due to its high smoke point, it is excellent for cooking and sautéing and also blends well with other oils.

Premier Coconut Oil is easy to digest and has a luscious, full coconut flavor and aroma. It is an example of first-class nutrition that is great for baby foods and contains an impressive source of beneficial fatty acids that are naturally free of trans fats.

Our coconut oil is not bleached, deodorized or hydrogenated, as often seen with commonly available coconut oils that may be compromised and are best avoided. We package our oil in custom made, light-blocking, nontoxic PET plastic. During the extraction process, this oil is centrifuged, not pressed, which we believe yields a richer, more delectable coconut taste.

One Tablespoon Provides:

Ingredients: **Organic Coconut Oil**

Calories	130	Sodium	0 mg
Total Fat	14 g	Total Carbohydrate	0 g
Saturated Fat	13 g	Total Sugars	16 g
Trans Fat	0 g	Includes 0g Added Sugars	
Monounsaturated Fat	1 g	Protein	0 g
Polyunsaturated Fat	13 g		

Other Ingredients: None

Suggested Use: Take 1 tablespoon daily mixed in smoothies, salad dressings, grain dishes, sauces, desserts, snacks, etc. Please refrigerate after opening. Once this bottle is opened and refrigerated, use within 90 days.

CogniTropic™

Brain, Memory, Mood and Attention Support*

CogniTropic™ is meticulously crafted with patented, sustainably sourced ingredients designed to support cognitive function and emotional well-being. This premium formula features **NeuroFactor™**, derived from the whole coffee fruit of *Coffea arabica*, and **Neumentix™**, a potent spearmint (*Mentha spicata*) extract. Both ingredients are celebrated for their role in supporting cognitive health and enhancing brain function. By fostering the natural production of Brain-Derived Neurotrophic Factor (BDNF), is essential for cognitive function s, Cogni-Tropic™ is tailored to assist individuals in managing the challenges of demanding environments and erratic work schedules, supporting sustained focus and mental clarity.

Enhanced with bioavailable Choline L-Bitartrate and organic Rosemary Leaf, this formula is crafted to aid memory retention and cognitive resilience without the use of artificial stimulants. Cogni-Tropic™ is an ideal choice for those seeking to maintain cognitive health with clean and effective ingredients, supporting overall brain wellness naturally.

Four Plant-Source Capsules Provide:

Choline (from Grape Fermentation as Choline Bitartrate)	110 mg
Neumentix™ †	900 mg
Phenolic Complex K110-42 [from Spearmint Extract (aerial)] Standardized to 14.5% Rosmarinic Acid, Standardized to 18% total Phenols	
Organic Rosemary Leaf (<i>Rosmarinus officinalis</i>)	310 mg
NeuroFactor™ ††	100 mg
Whole Coffee Fruit Extract (<i>Coffea arabica</i>)	

Other Ingredients: Plant-Source Capsules (Cellulose, Water)

Suggested Use: Take 4 capsules daily or as directed by a health professional.

GrassFed Colostrum-IgG™ is made from bovine colostrum with naturally occurring immunoglobulins for effective immune support.* In addition, this concentrate delivers a full spectrum of multiple immune support agents including lactoferrin, N-acetylneuraminic acid, and IGF-I.* Our colostrum is obtained from a very select group of dairy farmers dedicated to producing quality colostrum. During the summer, spring, and fall, their cows are grass-fed (a superior nutrition source for cattle). During the winter, they are fed hay. This premier quality colostrum passes our U.S.P. pesticide testing.

What is Colostrum?

Colostrum is a special immune-active fluid secreted by a female cow for about three days after giving birth.

Powder Formula

Each Teaspoon Provides:

Protein	1 g
Bovine Colostrum (milk)	1.2 g

Other Ingredients: None

Suggested Use: Take 1 teaspoon, 2 times daily mixed in food or drinks or as directed by a health professional. Please refrigerate after opening.

Code: 2760 (5 oz/container); Violite® Container, R2.6

Capsule Formula

Each Plant-Source Capsule Provides:

Bovine Colostrum (Milk)	300 mg
--------------------------------------	--------

Other Ingredients: Organic Rice Concentrate, Plant Source Capsules (Cellulose, Water)

Suggested Use: Take 1 capsule, 3 times daily or as directed by a health professional.

Order Code: 2750 (90 plant-source capsules/bottle); Violite® Container

Premier Complete B Capsules provide a full spectrum B vitamin formula with all 8 types of critical B vitamins that are all present in their biologically active forms. This formula directly delivers the fully activated, blood-circulating forms of B vitamins.

B vitamins play important roles in nearly all of the body's functional systems. Some of the wide-reaching supportive roles of B vitamins include the health of the nervous system, support for liver, skin, and hair as well as maintaining muscle tone in the gastrointestinal tract.* A sufficient level of B vitamin intake is essential for maintaining adequate energy metabolism, mood balance, hormone synthesis, hemoglobin formation, and proper nerve cell impulse transmissions.*

Because B vitamins work together as a team, a good recommendation is to regularly take a supplement that contains the whole vitamin B complex family. Even when you are taking only one individual vitamin B vitamin product for specific support (such as vitamin B12 or folate), it is still recommended to take a complete B vitamin supplement along with it to give you full B vitamin support.* The whole B family is needed to help keep your body in balance and harmony for physical, emotional, and mental health.*

Two Plant-Source Capsules Provide:

Thiamine (Vitamin B1 as Thiamine HCl)	50 mg
Riboflavin (Vitamin B2) (including Riboflavin-5'-Phosphate)	10 mg
Niacin (Vitamin B3) (as Niacinamide)	25 mg
Vitamin B6 (as Pyridoxal-5-Phosphate)	10 mg
Folate (as 5-Methyltetrahydrofolate)	665 mcg
Vitamin B12 (as Adenosylcobalamin, Methylcobalamin)	400 mcg
Biotin	300 mcg
Pantothenic Acid (Vitamin B5 as Calcium-d-Pantothenate)	50 mg
Pro-Culture Support	590 mg

Organic Rice Concentrate, Organic Apple Cider Vinegar

Other Ingredients: Plant-Source Capsules (Cellulose, Water)

Suggested Use: Take 2 capsules daily or as directed by a health professional.

Premier CoQ-10

Premier Cardiovascular, Nerve, Brain, and Immune Support*

Dietary Supplement

Premier CoQ-10 contains natural, fat-soluble ubiquinone. It is a product of choice when selecting a CoQ-10 dietary supplement for several important reasons. This CoQ-10 is produced through a natural fermentation process which yields 100 mg/capsule of the bioavailable, preferred trans isomeric form of CoQ-10 (not the less desirable cis isomer form). This process does not use polysorbate 80 (an emulsifier made from polyethoxylated sorbitan), undesirable flowing agents, or other excipients. The natural trans isomer of CoQ-10 is the most desirable because it is identical to the CoQ-10 produced by the cells in the body. CoQ-10 is found in the highest concentrations in body tissues with the highest rate of metabolic activity and energy demands (such as in the heart, muscle, liver, kidney, and brain).*

Each Plant-Source Capsule Provides:

Q-10 Support Blend™	285 mg
Organic Carrot (root), Organic Rice Concentrate, Rice Bran, Mineralized Red Algae (Lithothamnion sp.), Organic MCT Oil Extract (Coconut)	
Coenzyme Q-10 (Ubiquinone)	100 mg
Other Ingredients: Plant-Source Capsules (Cellulose, Water)	

Suggested Use: Take 1 capsule 3 times daily or as directed by a health professional.

Order Code: 0462 (50 plant-source capsules/bottle); Violite® Container

Premier Creatine

Supports Physical and Mental Performance*

Creatine monohydrate is one of the most thoroughly researched dietary supplements for its array of benefits from improving athletic performance and muscle health to bolster cognitive function and brain power. Creatine's primary function is to quickly supplying energy to muscle and brain tissues with increased energy demands. Creatine is an essential compound, integral in refueling and rehydrating brain and muscle tissues at the cellular level.

Creatine is a popular choice among athletes and health-conscious consumers looking to improve physical and mental performance because it helps support elevated exercise capacity and exercise recovery while building muscle mass. Premier Creatine can contribute to helping you keep your muscles strong and healthy. In addition, creatine helps protect brain function and cognitive health by supporting energy production in brain cells. Creatine can provide the fuel to improve short-term memory recall and mental clarity, even when feeling sleep-deprived or stressed out.

Quality is vital when supplementing athletic and cognitive performance support, and Premier Creatine is the clean and practical choice for your supplementation needs. Premier Creatine provides a much-needed option for vegetarians, vegans, and aging adults who may have diminished creatine levels due to dietary restrictions or a reduction in natural production. Fast-dissolving and readily absorbable, Premier Creatine delivers extraordinary quality with results you can truly feel.

Each Scoop Provides:

Creatine Monohydrate..... 5,000 mg

Other Ingredients: None

Order Code: 0910; Net Wt: 7.8 oz (220 g); Violite® Container

D₃ Serum

High Potency Vitamin D3 (Natural Source)

D₃ Serum provides live-source vitamin D3 in liquid form that has high bioavailability and also offers convenience of use. Vitamin D3 offers cardiovascular and immune system support.*

It also aids in calcium absorption for healthy bones and teeth.* Recent studies propose that ideal vitamin D3 intake should be 1,000 IU or more daily (a recommendation this serum meets in just one drop).

Five Drops Provide:

Vitamin D₃ (5,000 IU) 125 mcg

Other Ingredients: Extra Virgin Olive Oil, D-Alpha Tocopherol (Preservative)

Suggested Use: Take 5 drops daily or as directed by a health professional.

Order Code: 1335 (.43 fl oz/bottle); Amber glass bottle with dropper dispenser

Kosher Certified

Premier Daily One

Premier, Live-Source Multi-Nutrition

Deltanol™

Advanced Antioxidant, Bone and Cardiovascular Support*

This ideal, daily nutritional formula for the entire family is a once-living phytonutrient formula. This all-in-one supplement provides a broad spectrum, premier nutrition delivering a quantum shift in energy, health, and vitality.*

What are the RDAs for this product?

Since RDAs (Recommended Daily Allowances) are based on synthetic, isolated nutrients that are recommended in relatively high amounts, it is inaccurate to compare them with a live-source, whole nutrient formula such as Premier Daily One that performs elegantly well.

Two Plant-Source Capsules Provide:

Total Carbohydrate	1 g
Calcium (as carbonate from Aquamin® F)	24 mg
Beta Glucan Blend	192 mg
Organic Fermented Cordyceps (mycelia) Extract (<i>Cordyceps sinensis</i>), Reishi (fruiting body) Extract (<i>Ganoderma lucidum</i>)	
Total Beta Glucan	50 mg
Green Tea Extract (leaf) (<i>Camellia sinensis</i>)	108 mg
Total ECGC	40 mg
Broccoli (flower, stem) (<i>Brassica oleracea</i>)	108 mg
Aquamin® F Mineralized Red Algae (whole) (<i>Lithothamnion sp.</i>)	80 mg
Milk Thistle (seed) Extract (<i>Silybum marianum</i>)	79 mg
Total Silymarin	28 mg
Bear Garlic (leaf) (<i>Allium ursinum</i>)	72 mg
Organic Kale (leaf)	72 mg
Organic Olive Leaf (<i>Olea europaea</i>)	60 mg
Organic Chlorella (whole; broken cell wall) (<i>Chlorella sorokiniana</i>)	60 mg
Organic Prickly Pear (cladode) (<i>Opuntia ficus-indica</i>)	60 mg

Other Ingredients: Plant Source Capsules (Cellulose, Water)

Suggested Use: Take 2 capsules daily or as directed by a health professional.

Order Code: 2081 (60 plant-source capsules/bottle); Violite® Container

We call Deltanol™ the “21st century vitamin E.” This product features delta-tocotrienol, the delta fraction of the vitamin E family that has the most significant properties for cardiovascular and antioxidant health.* Deltanol™ features delta and gamma tocotrienols that have been naturally sourced from annatto. Annatto comes from the nutrition-rich bean pods of the achiote tree, a majestic tree that grows mainly in warmer climates.*

Tocotrienols have been well researched for their antioxidant activity which can fight free radicals to protect cells.* Research supports evidence that tocotrienols may have even more powerful antioxidant properties than tocopherols (such as the typical type of vitamin E). Although normal metabolic processes of the body can contribute to certain amounts of free radicals, the body may also be exposed to excess production of free radicals caused by ongoing exposure to pollutants, toxins, and other stressful factors. High levels of free radicals in the body can damage cells and break down their membranes, which is why the remarkable antioxidant capability of tocotrienols is so valuable.*

Unlike tocopherols, delta-tocotrienols have an excellent potential to provide support for healthy total cholesterol levels as well as LDL cholesterol levels already within the normal range.* They also promote the regulation of healthy metabolic functioning, and support the inner lining of blood vessels which are comprised of endothelial cells.* Research also shows that tocotrienols promote healthy levels of coenzyme Q10 in the blood. In summary, this product offers superior lipid-based nutritional support.*

Each Plant-Source Capsule Provides:

Premier Tocotrienols Complex	100 mg
(from DeltaGold® containing 84% delta-tocotrienols and 8% gamma tocotrienols from annatto)	

Other Ingredients: Olive Oil, Plant-Source Capsules (Cellulose, Water), Silica

Suggested Use: Take 1 capsule daily with meals for antioxidant support.* For lipid-based cardiovascular support follow a heart-healthy diet and take 1 capsule, 3 times daily with meals or as directed by a health professional.

Premier DHA

Advanced Support for the Brain, Nerves, Eyes & Heart*

Plant-source DHA (docosahexaenoic acid) is a premier breakthrough that is derived from micro-algae instead of fish, making it suitable for everyone, including vegetarians and vegans.

Feed your brain with Premier DHA, a key omega-3 fatty acid that is important for the brain, nervous system, eyes, and cardiovascular health.*

Each Vegetarian Softgel Capsule Provides:

DHA (Docosahexaenoic acid from algal oil) 200 mg

Other Ingredients: Vegetable Capsule (water, corn starch, glycerin, carrageenan, sorbitol, caramel color, beta-carotene), Sunflower Oil, Tocopherols, Natural Flavor, Sunflower Lecithin, Ascorbyl Palmitate

Suggested Use: Take 1 softgel daily or as directed by a health professional.

Order Code: 0161 (60 softgels/bottle); Violite® Container

Premier DHEA

Premier Emotional Well Being & Optimal Hormone Support*

Premier DHEA contains DHEA (dehydroepiandrosterone) that has been synthesized from wild yam as the starting material. During a proprietary laboratory process, the compound diosgenin is extracted from wild yam (Dioscorea) which is then used to synthesize DHEA. The body is unable to metabolize wild yam directly into DHEA. A multi-step laboratory process is needed to convert wild yam into the final compound, DHEA.

DHEA is a hormone naturally secreted by the adrenal glands and is the most abundant adrenal steroid hormone in the body. DHEA travels throughout the body where it is converted into androgens, estrogens, and other hormones. Plasma levels of DHEA gradually decline with age. Studies suggest that DHEA provides beneficial support for healthy aging, a sense of well-being (mood), and hormone levels.*

Each Plant-Source Capsule Provides:

DHEA (dehydroepiandrosterone) 25 mg

Other Ingredients: Stabilized Rice Bran, Plant-Source Capsules (Cellulose, Water)

Suggested Use: For men: take 1 capsule, 4 times daily. For women: take 1 capsule, 2 times daily. As with all hormone products, consult your practitioner prior to use. Do not use DHEA if you are at risk for or have been diagnosed as having any type of hormonal cancer, such as prostate or breast cancer.

Order Code: 2400 (60 plant-source capsules/bottle); Violite® Container

A complete, all-in-one digestive support formula. **Premier Digest** contains a broad spectrum profile of vegetarian digestive enzymes that support the digestion of proteins, carbohydrates, fats, fiber, and dairy.* This formula offers two types of protease enzymes that facilitate the normal breakdown of proteins, dipeptides, and tripeptides, as well as promote optimal protease activity across a wide pH range.*

Lipase enzymes promote the breakdown of fats.* Amylase enzymes promote polysaccharide breakdown of starch and glycogen.* Invertase and lactase enzymes support the digestion of carbohydrate disaccharides, including dairy.* Cellulase enzymes help break down plant cell wall components, promoting the nutrient bioavailability of foods that contain fiber.* Protease enzymes promote the breakdown of proteins.* For optimal nutritional effect, this enzyme blend is anchored with the botanical blend, **Plant-Gest™** Support, which contains noni, apple cider vinegar, and pepsin (vegetarian source).* Pepsin is a digestive enzyme that catalyzes the breakdown of protein into peptides.*

Premier Digest is the realization of a breakthrough process: Most of its vegetarian enzymes are made using a proprietary fermentation process derived from *Aspergillus*. While most pepsin may be animal-based, our pepsin is vegetarian sourced. Thus, this plant enzyme formula is suitable for everyone, including vegetarians and vegans. We recommend taking Premier Digest at every meal that contains cooked food.

Each Plant-Source Capsule Provides:

Proprietary Enzyme Blend	206 mg
Amylase Enzymes	5,300 DU ¹
Diastase Enzymes	152 DP ²
Opti-pH™ Protease Enzymes	2,700 HUT ³
Protease Enzymes	9,000 HUT ³
Lipase Enzymes	810 LU ⁴
Lactase Enzymes	462 ALU ⁵
Cellulase Enzymes	302 CU ⁶
Invertase Enzymes	1,875 SU ⁷

Plant-Gest™ Support	95 mg
Organic Noni (fruit) (<i>Morinda citrifolia</i>), Organic Apple Cider Vinegar, Pepsin (vegetarian source)	

Other Ingredients: Tapioca Dextrin, Potato Dextrin, Plant-Source Capsule (cellulose, water), Proprietary Fermentation Media (wheat¹, soy²)

¹Trace amounts may or may not exist after fermentation
²Alpha-amylase Dextrinizing Unit ³Degrees Diastatic Power ⁴Hemoglobin Unit,
⁵Lipase Unit ⁶Lactase Unit ⁷Cellulase Unit ⁸Sumner Unit
 Based on raw material laboratory testing

Suggested Use: Take 1 capsule 3 times daily with meals, or as directed by a health professional.

Order Code: 2945 (60 plant-source capsules/bottle) Violite® Container

Efficient digestion is one of the most important keys to maintaining great health. **Digestase-SP™** provides an extraordinary plant-based enzyme formula that offers specialized enzymes to support the digestion of carbohydrates and protein, including gluten.* This formula supplies hemicellulase and beta-glucanase enzymes which support the breakdown of fiber.* By acting to break down cell wall components and phytic acid, these enzymes promote the nutrient bioavailability of foods that contain fiber.* Glucoamylase enzymes in this formula help to hydrolyze the glucoside bond in starches and dextrins.*

Alpha-galactosidase enzymes, as found in this formula, promote the breakdown of specific complex carbohydrates, including raffinose and stachyose which are found in certain legumes, grains, and vegetables.* Thus, these enzymes may help relieve occasional intestinal gas or bloating.* Peptidase and serratiopeptidase enzymes help catalyze the hydrolysis of peptides or peptones to amino acids, including gluten.*

This formula is suitable for vegetarians, vegans, and those who are gluten-intolerant. For those who are gluten-intolerant and who eat out at restaurants, Digestase-SP™ may be an excellent formula to take with each restaurant meal (which may have hidden gluten in certain foods).

Each Plant-Source Capsule Provides:

Proprietary Enzyme Blend	156 mg
Peptidase Enzymes DPP IV	36,000 HUT ¹
Serratiopeptidase Enzymes	2,880 SPU ²
Glucoamylase Enzymes	27 AGU ³
Beta Glucanase Enzymes	28 BGU ⁴
Alpha-Galactosidase Enzymes	144 GalU ⁵
Hemicellulase Enzymes	215 HCU ⁶

Other Ingredients: Tapioca Dextrin, Plant-Source Capsule (cellulose, water), Rice Bran, Potato Dextrin, Proprietary Fermentation Media (wheat¹, soy², milk³)

¹Very small trace amounts may or may not exist after fermentation
¹Hemoglobin Unit ²Serratiopeptidase Unit ³Hemicellulase Unit ⁴Beta Glucanase Unit
⁵Amyloglucosidase Activity Unit ⁶Galactosidase Unit

Suggested Use: Take 1 capsule with each meal, up to three times daily. Especially effective when taken with cooked meals with Premier Digest.

Order Code: 2944 (60 plant-source capsules/bottle); Violite® Container

EPA/DHA Marine Softgels

Promotes Heart and Joint Health*

EPA/DHA Marine Liquid

Joint, Heart and Brain Health*

Feed your brain, support your joints, and promote cardiovascular health with pure EPA/DHA omega-3 fatty acids!* EPA/DHA Marine Softgels offer natural docosahexaenoic acid (DHA) and eicosapentaenoic acid (EPA) from the original fish oil without molecular distillation. Our cold filtration process does not require heavy manipulation, high heat processing, or the use of harsh solvents to separate the EPA and DHA. Finally, a pure, all-natural fish oil!

Two Softgels Provide:

Calories	20
Total Fat	1.5 g
Saturated Fat	0.5 g
Cholesterol	10 mg
Fish Oil	2,000 mg
(from anchovy, sardine, mackerel, skipjack tuna) providing:	
EPA (Eicosapentaenoic Acid)	320 mg
DHA (Docosahexaenoic Acid)	200 mg

Other Ingredients: Fish Gelatin Capsule [fish gelatin (catfish, tilapia), glycerin, water], Mixed Tocopherols, Sunflower Oil

Suggested Use: Take 2 softgels daily or as directed by a health professional.

Order Code: 1345 (90 softgels/bottle); Violite® Container

Feed your brain, support your joints, and promote cardiovascular health with pure EPA / DHA omega-3 fatty acids!* EPA/DHA Marine Liquid offers 1,000 mg per serving of natural docosahexaenoic acid (DHA) and eicosapentaenoic acid (EPA) from the original fish oil without molecular distillation. Our cold filtration process does not require heavy manipulation, high heat processing, or the use of harsh solvents to separate the EPA and DHA. Finally a pure all-natural fish oil!

Why take the unnecessary risk of a product using molecular distillation? While fish supplements that have concentrated EPA/DHA by molecular distillation may often be cheaper, this altered oil does not occur in nature. To concentrate EPA/DHA using molecular distillation requires a complex process that breaks the natural glycerol structure of the oil. The process includes first esterifying the EPA/DHA to yield ethyl esters. Then these esters are converted back to triglyceride form enzymatically – but it is not a form found in nature. This process initially concentrated PCBs. Reportedly, this has been eliminated. However, we believe the most desirable form of EPA/DHA is naturally occurring EPA/DHA that has not been altered and that has been gently purified.

EPA/DHA Marine offers natural EPA and DHA from the original fish oil without molecular distillation. Our oil is first pressed and then put through a cold filtration process, during which, the fish oil's original, natural triglycerides are crystallized. This oil is then passed through a low-temperature filter press to avoid any high-heat process. This process also does not require the use of solvents and is able to separate the saturated fats, leaving the healthy fatty acid triglycerides. This golden-colored oil has a refreshing lemon flavor. It is suitable for adults as well as children.

One Teaspoon Provides:

Calories	40
Total Fat	5 g
Saturated Fat	1 g
Polyunsaturated Fat	2 g
Monounsaturated Fat	1 g
Cholesterol	35 mg
Fish Oil Concentrate (from anchovies, sardines, mackerel)	4.5 g
providing:	
EPA (Eicosapentaenoic Acid)	600 mg
DHA (Docosahexaenoic Acid)	400 mg

Other Ingredients: Organic Lemon and Organic Vanilla Flavors (No MSG), Natural Tocopherols (Preservative)

Suggested Use: Ages 4-11: Take ½ teaspoon daily with a meal. Ages 12 and up: Take 1 teaspoon daily with a meal. Shake well before use. Refrigerate after opening. Liquid may appear cloudy when refrigerated.

Order Code: 1348 (8 fl oz/bottle), Liquid

ErythroPro® is a premier quality blood support formula featuring live-source iron (naturally inherent in organic kelp, organic Irish moss, and organic beet).* It does not contain inorganic iron (such as ferrous fumarate). It offers two important key blends: Iron Elite™ and Blood Advantage™ for optimal support.*

Two Plant-Source Capsules Provide:

Iron (naturally occurring) 0.5 mg
Iron Elite™ 656 mg
 Pumpkin seed, Organic Oat (grass) (*Avena sativa*), Organic Beet (root) (*Beta vulgaris*)

Blood Advantage™ 180 mg
 Organic Chlorella (whole; broken cell wall) (*Chlorella sorokiniana*), Rice Bran, Organic Tomato (fruit), Organic Bilberry (fruit) (*Vaccinium myrtillus*), Reishi (fruiting body) Extract (*Ganoderma lucidum*)

Other Ingredients: Plant-Source Capsules (Cellulose, Water)

Suggested Use: Take 2 capsules daily or as directed by a health professional.

Order Code: 2184 (60 plant-source capsules/bottle); Violite® Container

*NOTE: ErythroPro® provides natural ingredients and does not contain standardized ferrous fumarate or other iron agents added to it. It is assayed from batch to batch to provide the amount of iron naturally occurring from its constituents. Please contact your account manager for the most current assay results.

Estro Flavone™ is a broad-spectrum botanical support formula that is designed to promote healthy hormone support, especially natural estrogen support for men and women.* This formula features a comprehensive botanical formula that contains Ultra Phyto-Support™, Estro Pro Blend™ and DIM (diindolylmethane).

DIM (diindolylmethane) is a unique indole phytochemical that is naturally metabolized from compounds in the cruciferous family of vegetables such as broccoli and cabbage. Research has shown that DIM helps promote the formation of preferred estrogen metabolites that are associated with healthy tissues.* Thus, DIM can promote more efficient estrogen metabolism.*

Each Plant-Source Capsule Provides:

Ultra Phyto-Support™ 210 mg
 Organic Ceylon Cinnamon (bark) (*Cinnamomum verum*), Organic Parsley (leaf) (*Petroselinum crispum*), Fermented Organic Cordyceps (mycelia) Extract (*Cordyceps sinensis*), Organic Beet (root) (*Beta vulgaris*), American Ginseng (root) (*Panax quinquefolius*), Organic Chinese Salvia (root) (*Salvia miltiorrhiza*), Organic Fennel (seed) (*Foeniculum vulgare*)
Diindolylmethane (DIM) 113 mg
Estro Pro Blend™ 100 mg
 Organic Turmeric (rhizome) (*Curcuma longa*), Milk Thistle (seed) Extract (*Silybum marianum*), Green Tea (leaf) Extract

Other Ingredients: Plant-Source Capsule (Cellulose, Water)

Suggested Use: Take 1 capsule, 2 times daily or as directed by a health professional.

Order Code: 2451 (60 plant-source capsules/bottle); Violite® Container

Kosher Certified

Fem Balance-FX™ provides a premier nutraceutical formulation that promotes healthy female support.* This is a unique health-promoting formula that can be used as a key part of a practitioner's foundational health support program for women.*

Two Plant-Source Capsules Provide:

Chaste Tree (fruit) (<i>Vitex agnus-castus</i>)	600 mg
Ultra Fem Support Blend™	116 mg
Organic Alfalfa (herb) (<i>Medicago sativa</i>), Organic Chinese Salvia (root) (<i>Salvia miltiorrhiza</i>), Aquamin® F Mineralized Red Algae (whole) (<i>Lithothamnion sp.</i>), Milk Thistle (seed) Extract (<i>Silybum marianum</i>), Organic Turmeric (rhizome) (<i>Curcuma longa</i>)	

Other Ingredients: Plant-Source Capsule (Cellulose, Water)

Suggested Use: Take 2 capsules, 2 times daily or as directed by a health professional.

Order Code: 2407 (60 plant-source capsules/bottle); Violite® Container

Premier Fermented Beets provides a 100% immaculately fermented, organic whole beet root powder that delivers a potent, bioavailable source of naturally occurring dietary nitrates. As we age, we become less efficient in the production and conversion of nitrates to nitric oxide and thus, our nitric oxide levels naturally decline. Nitric oxide has been widely reported by science to play a critical role in supporting a healthy cardiovascular system as well as promoting energy, maintaining heart health, supporting blood circulation, including promoting healthy blood pressure already within the normal range.*

One Scoop Provides:

Organic Fermented Beet Root	6 g
yielding Betaine	60 mg
Calories	20
Total Carbohydrate	4 g
Dietary Fiber	1 g
Total Sugars	<1 g
Protein	1 g
Iron	0.5 mg
Sodium	40 mg
Potassium	140 mg

Other Ingredients: None

Suggested Use: Add 1 scoop daily to 8oz. of your favorite beverage daily or as directed by a health professional.

Fermented Cardio-ND™ provides a probiotic-fermented formula that is a nutritional industry first! The nutrients in Fermented Cardio-ND™ have been micro-cultured and micro-digested under controlled conditions to deliver comprehensive support for the cardiovascular system.* The diverse phytonutrient profile of this formula has made it one of our most popular practitioner formulas with cardiovascular-associated nutrients.

ND Technology™ (Novel Micro-cultured Delivery)

This premier-quality formula is fermented using a unique probiotic culture which allows rapid oral delivery with superior bioenergetic properties. Many people say they can feel the effect of this product the very first time they take it.

½ Teaspoon Provides:

Cardio-ND Pro Blend™ 40 mg

Organic Hawthorn (berry) (*Crataegus spp.*), Green Tea Extract (leaf) (*Camellia sinensis*), Organic Turmeric (rhizome) (*Curcuma longa*), Organic Ceylon Cinnamon (bark) (*Cinnamomum verum*), Wild Bear Garlic (leaf) (*Allium ursinum*), Garlic Extract (bulb) (*Allium sativum*), Organic Cayenne (fruit) (*Capsicum annuum*); fermented in a probiotic culture (*Lactobacillus reuteri*)

Other Ingredients: Purified Water, Organic Gluten-Free Cane Alcohol, Organic Molasses

†Probiotic culture inactivated after fermentation; preserved with organic cane alcohol

Suggested Use: Take ½ teaspoon mixed in ¼ cup water or juice, 2 times daily or as directed by a health professional. Shake gently before use.

Order Code: 2346 (8 fl oz/bottle); Amber glass bottle

Welcome to probiotic nutrient fermentation technology - an industry first! **Fermented Gallbladder-ND™** offers a probiotic-fermented botanical formula that delivers optimal gallbladder support.* This formula features premier-quality, fermented milk thistle seed extract, artichoke leaf extract, Indonesian cinnamon, organic turmeric and organic beetroot.

ND Technology™ (Novel Micro-cultured Delivery)

This premier-quality formula is fermented using a unique probiotic culture which allows rapid oral delivery with superior bioenergetic properties. Many people say they can feel the effect of this product the very first time they take it.

1/2 Teaspoon Provides:

Gallbladder-ND™ Liquid Extract 2.2 g

Organic Milk Thistle (seed) (*Silybum marianum*), Artichoke (leaf) Extract (*Cynara scolymus*), Organic Turmeric (rhizome) (*Curcuma longa*), Organic Beet (root) (*Beta vulgaris*); fermented in a probiotic culture

Other Ingredients: Purified Water, Organic Gluten-Free Cane Alcohol, Organic Molasses

†Probiotic culture inactivated after fermentation; preserved with organic alcohol

Suggested Use: Take 1/2 teaspoon mixed in water or juice 2 times daily, or as directed by a health professional. Shake gently before use.

Order Code: 2355 (8 fl oz/bottle); Amber Glass Bottle

HM-ND™ delivers three nutrient-dense greens (chlorella, cilantro, parsley) in fermented form for whole-body support.* It features fermented chlorella which contains a comprehensive matrix of vitamins, minerals, amino acids, and antioxidants.

ND Technology™ (Novel Micro-cultured Delivery)

This premier quality formula is fermented using a unique probiotic culture which allows rapid oral delivery with superior bioenergetic properties. Many people say they can feel the effect of this product the very first time they take it.

½ Teaspoon Provides:

Proprietary Blend 50 mg

Organic Chlorella (whole) (*Chlorella vulgaris*), Organic Cilantro (leaf) (*Coriandrum sativum*), Organic Parsley (leaf) (*Petroselinum crispum*); fermented in a probiotic culture;

Other Ingredients: Purified Water, Organic Cane (Gluten-Free) Alcohol, Organic Blackstrap Molasses

*Probiotic culture inactivated after fermentation; preserved with organic alcohol

Suggested Use: Take ½ teaspoon mixed in water or juice, 2 times daily or as directed by a health professional. Shake gently before use.

Premier Fruit Buddies

Probiotic Support for Children

Fruit Buddies™ Probiotic gummies offer a deliciously effective way to support children's daily wellness. Recognizing that kids often have not-so-regular digestion and sniffle seasons, FruitBuddies™ provides gentle support to ease these occasional childhood dilemmas.

Fortified with DE111®, a clinically studied *Bacillus subtilis* strain, they support healthy digestion, normal bowel movements, and a diverse gut microbiome in children, crucial for optimal nourishment and immune system adaptability.*

Integrating Fruit Buddies™ into their daily routine enhances children's nutrient assimilation and immune function, providing essential support for their overall health and well-being. Crafted without any artificial flavors, colors, or preservatives, Fruit Buddies™ Probiotic is a clean and wholesome choice for growing children.

Two Gummies Provides:

Calories	15
Total Carbohydrate	4g
Total Sugars	3g
Added Sugars	3g
DE111g <i>Bacillus subtilis</i> 2mg	1.5 Billion CFU

Other Ingredients: Apple Juice Concentrate, Apple Puree Concentrate, Blackberry Puree, Raspberry Puree, Strawberry Puree, Cherry Puree, Pectin, Lemon Juice Concentrate, Black Carrot Juice Concentrate, Tripotassium Citrate (acid regulator), Citrus Fiber

Suggested Use: Take 2 gummies daily or as directed by a health professional.

Order Code: 2700 (60 Gummies/bottle); Violite® Container

Galactan™

Healthy Prebiotics to Promote Regularity and Healthy Microbiome*

Galactan™ delivers great-tasting, prebiotic-rich nutrition featuring arabinogalactan powder from the larch tree. It acts as a slow-fermenting probiotic agent. It supports optimal immune system integrity as well as healthy bowel regularity and gastrointestinal health.* It also supports beneficial gastrointestinal microflora.* Galactan™ is an immune-promoting, soluble powder that readily mixes in smoothies or other drinks.*

Two Tablespoons Provides:

Calories	30
Total Carbohydrate	7 g
Calcium	140 mg
Larch Prebiotic Concentrate (arabinogalactan)	9 g

Other Ingredients: None

Suggested Use: Take 2 tablespoons daily mixed in food or drinks with at least 12 oz. of liquid or as directed by a health professional.

Order Code: 2124 (8 oz/container) Powder; Violite® Container

Premier 100% Organic Ginger Powder

for Joint, Digestion, and Liver Health**

Discover the powerful benefits of **100% Organic Ginger Powder** from Premier Research Labs, crafted from 100% organically cultivated ginger rhizomes. This premium powder reflects the purity and quality PRL is known for, with all raw materials undergoing rigorous third-party testing to ensure their identity, purity, and potency. Additional kosher and non-GMO certifications guarantee the delivery of the purest form of ginger for both culinary and therapeutic needs.

What sets our ginger powder apart is that it is ETO-free—free from the harmful chemical residues often found in conventionally treated spices. Ethylene oxide (ETO) is a chemical used for sterilizing spices, but it carries significant health risks, including being classified as a carcinogen. By choosing our ETO-free ginger powder, you ensure a safer, cleaner product for your culinary and wellness needs.

One Teaspoon Provides:

Iron	0.4 mg
Potassium	30 mg
Organic Ginger (Root)	2 mg

Other Ingredients: None

Suggested Use: Add 1 teaspoon of our 100% Organic Ginger Powder to a smoothie, water, or juice.

Premier Glutamine

Premier Muscle and Gastrointestinal Support*

Premier Glutamine delivers L-glutamine (free form) that is derived from beneficial bacteria (not synthetically made). Glutamine is a key amino acid that supports muscle and gastrointestinal tract health while also promoting intestinal mucosa health.* Glutamine is necessary in the production of glutathione, a key liver nutrient.

Glutamine, the most abundant amino acid in the body and one of the few that can cross the blood-brain barrier, plays an important role in biological functions including protein synthesis. During catabolic states or stress, as in post-exercise, glutamine supports muscle recovery and glycogen reloading.*

Each Plant-Source Capsule Provides:

L-Glutamine	500 mg
-------------	--------

Other Ingredients: Plant-Source Capsules (Cellulose, Water), Rice Bran, Organic Rice Concentrate

Suggested Use: Take 1 capsule, 3 times daily or as directed by a health professional.

Order Code: 0840 (100 plant-source capsules/bottle); Violite® Container

Premier Glutathione Complex

Premier Detoxification, Liver
and Immune Support*

Premier Glutathione Complex contains glutathione GSH (the preferred reduced form) that delivers effective antioxidant support and broad spectrum free radical quenching.* It also supports the detoxification process and promotes liver and immune health.*

This product also contains the botanical blend, PhytoActiv Support™, which supplies a broad range of biocompatible botanical agents that offer a complex phytochemical profile for additional nutritional support.*

Each Plant-Source Capsule Provides:

Calcium (as carbonate from Aquamin F® Algae)	38 mg
PhytoActiv Support™	370 mg
Aquamin® Mineralized Red Algae (whole) (<i>Lithothamnion</i> sp.), Organic Turmeric (rhizome) (<i>Curcuma longa</i>), Reishi (fruiting body) (<i>Ganoderma lucidum</i>), Organic Hyssop (aerial parts) (<i>Hyssopus officinalis</i>), Organic Burdock (root) (<i>Arctium lappa</i>), Organic Fennel (seed) (<i>Foeniculum vulgare</i>), Organic Lemon Peel (<i>Citrus limon</i>)	

Sertria® Glutathione (reduced L-glutathione)	125 mg
---	--------

Other Ingredients: Plant-Source Capsules (Cellulose, Water)

Suggested Use: Take 1 capsule, 3 times daily or as directed by a health professional.

Order Code: 0470 (60 plant-source capsules/bottle); Violite® Container

Kosher Certified

Sertria® is a registered trademark of Kyowa Hakko Bio Co., Ltd.

Premier Green Tea Extract

with EGCG for Cardiovascular,
Immune, and Metabolic Health*

Premier Green Tea Extract contains green tea standardized to contain a minimum of 150 mg EGCG (epigallocatechin gallate), scientifically demonstrated to exhibit potent free radical neutralizing properties. Please enjoy the significant benefits of this high-quality green tea concentrate, now available in a convenient, easy-to-swallow capsule form in scientifically demonstrated concentrations. Now you can join millions of people around the planet who partake in green tea's illustrious health secrets every day.

Two Plant-Source Capsules Provide:

Green SynerBlend	485 mg
Organic Prickly Pear (leaf) (<i>Opuntia ficus-indica</i>), Organic Kale (leaf) (<i>Brassica oleracea acephala</i>), Organic Apple Cider Vinegar	
Green Tea (leaf) Extract (<i>Camellia sinensis</i>)	355 mg
(Standardized to contain a minimum of 150 mg epigallocatechin gallate [EGCG])	

Other Ingredients: Plant-Source Capsules (Cellulose, Water)

Suggested Use: Take 2 capsules, 2 times daily with food or as directed by a health professional. Avoid taking on an empty stomach.

Green Tea-ND™

Probiotic-Fermented Green Tea Formula

Premier Organic Greens

(powder & caps)

Premier Health and Wellness Support*

Green Tea-ND™ and Green Tea-ND™ Complex are a revolutionary, highly absorbable delivery system for green tea and other greens made with our signature probiotic-cultured technology. It provides all the healthy benefits of green tea through a micro-cultured delivery system. Green Tea-ND™ naturally contains the super phytonutrient called polyphenols. This formula also contains the remarkable nutrient, resveratrol, for optimal nutritional effect.*

ND Technology™ (Novel Micro-cultured Delivery)

This premier quality formula is fermented using a unique probiotic culture which allows rapid oral delivery with superior bioenergetic properties.

½ Teaspoon Contains:

Green Tea Liquid Extract 2.2 g
Green Tea (leaf) Extract (*Camellia sinensis*), Organic Chlorella (whole; broken cell wall) (*Chlorella sorokiniana*), Organic Cilantro (leaf) (*Coriandrum sativum*), Organic Parsley (leaf) (*Petroselinum crispum*), Resveratrol (from *Polygonum cuspidatum*); fermented in a probiotic culture:

Other Ingredients: Purified Water, Organic Gluten-Free Cane Alcohol, Organic Molasses

†Probiotic culture inactivated after fermentation; preserved with organic cane alcohol

Suggested Use: Take ½ teaspoon mixed in ¼ cup water or juice, 2 times daily or as directed by a health professional. Shake gently before use.

Order Code: 2347 (8 fl oz/bottle); Amber glass bottle Order Code: 2348 (2 fl oz/bottle); Amber glass bottle with dropper dispenser

Our ND products undergo a natural, patent-pending probiotic fermentation process. They are assayed from batch to batch to provide the amount of nutrients. Please contact your account manager for the most current assay results.

Premier Organic Greens and Premier Greens Caps are nature's amazing super-nutrition formula for optimal health and wellness. Our prized greens blend features our pristine organic **Power Grass-Plus Blend™** (with organic barley grass and organic oat grass) coupled with **Power Greens Blend™** for optimal effect. It contains no undesirable sweeteners, additives, or fillers.

Powder Formula

Each Teaspoon Provides:

Power Grass-Plus Blend™ 2,015 mg
Barley Grass (*Hordeum vulgare*), Organic Oat Grass (*Avena sativa*)

Power Greens Blend™ 348 mg
Organic Kale (leaf), Organic Chlorella (whole; broken cell wall) (*Chlorella sorokiniana*), Organic Alfalfa (herb) (*Medicago sativa*), Organic Parsley (leaf) (*Petroselinum crispum*), Organic Spinach (leaf) (*Spinacia oleracea*)

Other Ingredients: None

Suggested Use: Take 1 teaspoon daily mixed in water or your favorite smoothieblend or as directed by a health professional.

Order Code: 2585 (10 oz/bottle); Violite® Container

Capsule Formula

Five Plant-Source Capsules Provide:

Power Grass-Plus Blend™ 1,395 mg
Organic Barley Grass (*Hordeum vulgare*), Organic Oat Grass (*Avena sativa*)

Power Greens Blend™ 240 mg
Kale (leaf), Organic Chlorella (whole; broken cell wall) (*Chlorella sorokiniana*), Organic Alfalfa (herb) (*Medicago sativa*), Organic Parsley (leaf) (*Petroselinum crispum*), Organic Spinach (leaf) (*Spinacia oleracea*)

Other Ingredients: Plant-Source Capsules (Cellulose, Water)

Suggested Use: Take 5 capsules daily or as directed by a health professional.

Order Code: 2586 (150 vegetarian capsules/bottle); Violite® Container

Premier Hawaiian Red Seasoning Salt

Hawaiian Red Seasoning Salt
Infused with Nutrient Rich
Organic Botanicals

Throughout history, salt has been an essential ingredient, prized for its ability to preserve food and enhance flavors. From ancient trade routes to modern kitchens, salt remains a staple in culinary practices worldwide. However, conventional seasoning salt blends often contain additives and artificial flavors and lack the natural trace minerals found in unrefined salts, raising concerns among health-conscious consumers and practitioners.

Hawaiian Red Seasoning Salt is a botanically fortified pink salt that elevates culinary wellness while enhancing the nutritional profile of the pink salt, conveniently delivering a savory taste experience the whole family will enjoy! Expertly blended, we combine pure, untreated Hawaiian Alaea clay pink salt with an exclusive organic bio-vitamin blend known as the 'Plant Matrix,' to create a versatile functional food offering a healthier, flavorful alternative to ordinary seasoning salt.

1/4 Teaspoon Provides:

Ingredients: Australian Sea Salt, Pink Alaea Hawaiian Sea Salt with Alaea red clay

Calories	0	Total Carbohydrate	0 mg
Sodium	500 mg	Protein	0 mg
Vitamin D (from organic plant matrix)	1.7 mcg (68 IU)		
Vitamin A (from organic plant matrix)	40 mcg RAE		
Vitamin C (from organic plant matrix)	5 mg		
Vitamin E (from organic plant matrix)	0.8 mg		
Vitamin K (from organic plant matrix)	6 mcg		
Thiamin (from organic plant matrix)	0.2 mg		
Riboflavin (from organic plant matrix)	0.2 mg		
Niacin (from organic plant matrix)	1 mg		
Vitamin B6 (from organic plant matrix)	0.2 mg		
Folate (from organic plant matrix as 5-MTHF and other hydrofolates)	35 mcg DFE		
Vitamin B12 (from organic plant matrix as adenosylcobalamin and methylcobalamin)	0.3 mcg		
Biotin (from organic plant matrix)	2.6 mcg		
Pantothenic Acid (from organic plant matrix)	0.4 mg		
Iron (from organic plant matrix)	1 mg		
Iodine (from organic plant matrix)	0.25 mcg		
Zinc (from organic plant matrix)	0.4 mg		
Selenium (from organic plant matrix)	4 mcg		
Chromium (from organic plant matrix)	3 mcg		

Other Ingredients: Red Alaea Hawaiian Sea Salt, Amla Fruit[^], horseradish tree leaf[^], Holy Basil[^], Green Tea[^], Carrot[^], Sunflower seed kernel[^], Spinach[^], Shiitake and/or Oyster Mushroom[^], Curry Leaf[^], (Murraya koenigii), Coconut (sap and milk), Parsley[^], Annatto seed kernel[^], Lichen[^] (Thallus), Garlic[^], Marigold Flower[^] (*Extracts)

Suggested Use: Ideal for culinary use, including seasoning, cooking, or even baking. Enhance flavors and enjoy the added nutrient benefits of the organic Plant Matrix blend.

Order Code: 4691 (12 oz/container)

Premier Hair/Skin/Nails

Healthy Hair, Radiant Skin and
Strong Nails Support*

Uncover the secret to lasting beauty from within with Premier Hair/Skin/Nails, infused with patented solubilized keratin for enhanced bioavailability. This innovative formula supports radiant skin, strong nails, and lustrous hair by leveraging the structural power of keratin, with added mineral cofactors calcium and magnesium.

Solubilized keratin has been investigated for its superior bioavailability for better absorption by the body, ensuring that the keratin's beneficial properties are optimally utilized. Combined with calcium and magnesium as mineral cofactors, this dynamic formula delivers more potent effects on improving skin firmness, hair strength, and nail resilience when compared to similar products.

- **Skin Radiance and Firmness:** Our bioavailable keratin enhances skin elasticity and supports antioxidant production like SOD and glutathione, which boosts skin resilience against environmental stressors.
- **Hair Strength and Vitality:** By forming strong disulfide bonds in hair fibers, solubilized keratin increases hair's strength and luster, making it less prone to damage and breakage.
- **Nail Health:** It promotes the keratinization process that strengthens nails, enhancing their toughness and reducing brittleness.

Experience the profound benefits of Premier Hair/Skin/Nails, a scientifically advanced and clinically validated formula designed to enhance natural beauty from within.

Two Plant-Source Capsules Provide:

Calcium (as carbonate from coral)	30 mg
Magnesium (as carbonate from coral)	15 mg
Keratin (solubilized)	500 mg
Coral (Whole)(Scleractinia)	150 mg

Other Ingredients: Organic Rice Bran, Organic Rice Concentrate, Plant-Source Capsules (Cellulose, Water)

Suggested Use: Take 2 capsules daily, or as directed by a health professional.

Order Code: 2534 (60 plant-source capsules/bottle); Violite® Container

Premier HCL features the powerful ingredient, betaine hydrochloride, which assists the body's natural stomach acids in the digestion and absorption of nutrients, especially protein, vitamin B12, calcium, iron, and other minerals.*

As we age, we typically produce less hydrochloric acid (HCl) which reduces our ability to efficiently absorb nutrients from food. Betaine hydrochloride helps promote the absorption of nutrients.* When reduced HCl production is present, it affects the amount of protein and calcium we can absorb and can interfere with bone metabolism. Incomplete protein metabolism can imbalance intestinal flora.

Pepsin, a common protein enzyme, can be degraded when stored with HCl. Therefore, we separate HCl and pepsin into two separate companion products, rather than storing them together in capsules, so that you can achieve optimal digestive potency.*

Each Plant-Source Capsule Provides:

Betaine Hydrochloride 500 mg

Other Ingredients: Plant-Source Capsules (Cellulose, Water)

Suggested Use: Take 1 capsule after each meal, 3 times daily, especially cooked meals or as directed by a health professional.

Order Code: 2177 (90 plant-source capsules/bottle); Violite® Container

Kosher Certified

Premier HCL Activator is a superb formula designed to support whole body health for the 21st century.* Premier HCL Activator is designed for use with betaine hydrochloride (HCL) to support the digestive process and to promote its role in whole body health.*

The HCL Support Program (using both Premier HCL and Premier HCL Activator together) is an effective digestive support combination.* Now you can benefit from this amazing health program and enjoy the added benefits of quality nutrients, without added magnesium stearate (an undesirable excipient).

Each Plant-Source Capsule Provides:

Polyphenol Pro Support 196 mg
Organic Tomato (fruit), Organic Turmeric (rhizome) (*Curcuma longa*), Organic Ceylon Cinnamon (bark) (*Cinnamomum verum*)

Pepsin Digestive Support 180 mg
Tapioca Dextrin, Pepsin (vegetarian source)

Other Ingredients: Plant Source Capsule (Cellulose, Water), Organic Rice Concentrate (*Oryza Sativa*), Organic MCT Oil Extract (coconut), Proprietary Fermentation Media (wheat*)

* Very small trace amounts may or may not exist after fermentation

Suggested Use: Take 1 capsule, 3 times daily with meals. For the HCL Support Program, take 1 capsule each of Premier HCL Activator and Premier HCL after each meal or as directed by a health professional.

Order Code: 2178 (90 plant-source capsules/bottle); Violite® Container

Advantra Z® is a registered trademark of Nutratech, Inc.

Premier Lion's Mane can deliver reliable support for maintaining cognitive clarity and overall neurological wellness. Our vegan-friendly, clean-label formula is ideal for a wide range of dietary preferences. Every dose delivers standardized potency equivalent to 7.5g of dry Lion's Mane mushroom fruiting body, ensuring consistent quality and potency. Each batch undergoes stringent testing, including heavy metal screening, to ensure the highest standards of purity and safety.

Lion's Mane Mushroom (*Hericium erinaceus*) is a renowned functional mushroom that supports cognitive function, memory, and nerve health. In traditional medicine, particularly in Chinese and Japanese healing practices, the Lion's Mane Mushroom has been used for centuries for its tonic properties, supporting overall well-being while targeting brain and digestive health.

Three Plant-Source Capsules Provide:

Lion's Mane (fruiting body) Extract (<i>Hericium erinaceus</i>)	1000 mg
---	---------

Other Ingredients: Plant-Source Capsules (Cellulose, Water), Organic Rice Concentrate, Organic Rice Bran

Suggested Use: Take 3 capsules daily or as directed by a health professional.

Order Code: 2610 (90 plant-source capsules/bottle); Violite® Container

Liquid Zinc Ultra

Healthy Immune Support*

As an essential mineral for life, zinc plays a key role in many important physiological functions as well as providing important immune support.*

Liquid Zinc Ultra contains liquid zinc as zinc sulfate. This product is made using purified water - not filtered or tap water which may contain impurities that could potentially distort a zinc taste test.

Each Teaspoon Provides:

Zinc (Zinc Sulfate Heptahydrate) 25 mg

Other Ingredients: Purified Water

Suggested Use: Hold 1 teaspoon in the mouth for 15 seconds. If an immediate taste perception occurs, the individual may have an adequate zinc status. A lack of taste or delay in taste perception may indicate a zinc deficiency. Liquid Zinc Ultra is not harmful and may be swallowed after testing.

As a supplement: Take 1 teaspoon in water or juice daily or as directed by a health professional

Order Code: 1190 (8fl oz/bottle); Violite® Container

Premier Magnesium Glycinate Caps

Premier Energy Support*

Premier Magnesium Glycinate Caps stand out as a comprehensive solution for those seeking to bridge the dietary gap in their magnesium intake. Magnesium deficiency is a widespread issue globally, attributed to environmental factors like soil depletion, as well as poor dietary choices and chronic stress.

Proper magnesium intake can contribute to a reduction of tiredness and occasional fatigue and supports a healthy memory, mood, and mindset. Moreover, it helps maintain bone health and supports a healthy heart, muscles, and joints, and aids recovery from exercise-related fatigue.*

When choosing a magnesium supplement, the amino acid chelate it is paired with makes a significant difference in how the body activates and optimizes magnesium's numerous health benefits. Considered one of the most well-tolerated and effective forms, magnesium glycinate combines magnesium with the naturally soothing amino acid glycine, which is easy on the stomach and soothing to all body systems.

Premier Magnesium Glycinate Caps deliver gentle, effective results and can be safely used for its relaxation benefits, better quality sleep, and support for muscle health and recovery. We selectively source our magnesium glycinate to provide 8X more absorption than magnesium oxide, a commonly used form of magnesium.* Premier Magnesium Glycinate capsules are a whole-body wellness essential ideal for individuals seeking to optimize their magnesium levels and support overall health and well-being without digestive discomfort or digestive disturbances.

Three Plant-Source Capsules Provide:

Magnesium (as Magnesium glycinate) 210 mg

Other Ingredients: Plant-Source Capsules (Cellulose, Water)

Suggested Use: Take 3 capsules daily or as directed by a health professional.

Order Code: 1150 (90 plant-source capsules/bottle); Violite® Container

Are your patients getting enough of the mineral, magnesium, in their diets every day? Since magnesium deficiencies are common in the U.S., supplementing with magnesium can be a wise choice to increase magnesium levels. **Premier Magnesium Powder** features highly absorbable magnesium in the preferred form of magnesium lactate. Simply add this powder to juice or water for a revitalizing, magnesium-rich drink. It has a refreshing watermelon flavor (no MSG) without added sugar.

Magnesium is an important mineral that supports a wide range of functions in the body. It supports heart health, bone and teeth mineralization, a healthy alkaline body pH balance and serves as a building block for cell membranes.* In fact, magnesium functions as a co-factor in hundreds of complex enzyme systems in the body. In addition, magnesium helps in the utilization of vitamin B complex and vitamins A and C.

Two Teaspoons Provide:

Magnesium (as Magnesium Lactate) 420 mg

Other Ingredients: Natural Flavors (no MSG), Chicory Fructooligosaccharides, Stevia Extract

Suggested Use: Take one serving daily (2 teaspoons) or as directed by a health professional. Mix two teaspoons in water or juice and stir well. This powder dissolves best in warm water. In cold water, it may not dissolve completely.

Order Code: 1145 (4 oz/powder); Violite® Container

Hydrolyzed with food-grade enzymes, PRL's **Premier Marine COLLAGEN** is tasteless, fully dissolvable, and bioavailable. Supplementing with hydrolyzed marine collagen, coupled with dietary sources of antioxidants (vitamin C) and micronutrients (zinc, copper) delivers bioactive, short-chain nutritional collagen peptides, which support collagen synthesis, in the tissues that need it the most.

One Scoop (5g) or 2 Scoops (10g) Provides:

	1 Scoop	2 Scoops
Calories	20	40
Protein	4g	8g
Sodium	5mg	10mg
Marine Collagen	5g	10g
(Wild Caught Cod, Haddock and Pollock)		

Other Ingredients: None

Typical Amino Acid (Profile per 10g Serving)

Aspartic Acid	65mmg	Leucine	248mg
Threonine	307mg	Tyrosine	53mg
Serine	637mg	Phenylalanine	197mg
Glutamic Acid	1030mg	Lysine	398mg
Proline	1100mg	Histidine	117mg
Glycine	2530mg	Arginine	869mg
Alanine	936mg	Cystine	4mg
Valine	219mg	Methionine	206mg
Isoleucine	142mg	Hydroxyproline	747mg

Other Ingredients: None

Suggested Use: Take 1 or 2 scoops daily or as directed by a health professional.

Order Code: 5501 (7 oz/bottle); Violite® Container

ADVANCED FERMENTATION TECHNOLOGY: **FERMEXCEL-100™ PROCESS**

PRL's advanced fermentation technology, **FermExcel-100™** is an **industry first**. This fermentation process is a revolutionary, highly absorbable delivery system made with unique probiotic-cultured technology specific to the raw material it is culturing. It is the first nutraceutical preparation designed to ensure the absorption of the full spectrum of phytonutrients through a micro-cultured delivery system.

PRL's fermented formulas are proudly crafted and thoroughly tested by an expert team of highly trained laboratory scientists in a state-of-the-art laboratory to ensure quality, potency, purity, and composition.

PRL offers a specific range of nutritional products that have been fermented with the **FermExcel-100™** process.

The use of both **ancient fermentation methods** and **modern parameters** are practiced to yield peak, digested nutritional elements as well as enhanced digestive value.

The **FermExcel-100™** Process is not just one process but is tailored individually to the type of plant nutrients that are being fermented. Each plant nutrient undergoes a carefully crafted fermentation process that encompasses specific scientific measurements such as humidity, timing, temperature levels, and the use of the most ideal starting probiotic culture in order to create exceptional nutrient quality and potency.

PREMIER
RESEARCH LABS

Max B-ND™

Dynamic Liver, Energy, Brain & Mood Support*

Dietary Supplement

Max B-ND™ is a nutritional industry first - with never before available probiotic-fermented B vitamins. This product contains a high-energy B vitamin complex that delivers premier nutritional support. Each 1/2 tsp. supplies high-energy vitamin B forms including B5 as pantothenic acid, vitamin B2 in the riboflavin-5-phosphate form, and more. This B vitamin-rich formula offers advanced support for the liver, the immune system, adrenal glands, mood balance, and energy levels.*

ND Technology™ (Novel Micro-cultured Delivery)

This premier quality formula is fermented using a unique probiotic culture which allows rapid oral delivery with superior bioenergetic properties. Many people say they can feel the effect of this product the very first time they take it.

*NOTE: Our ND products undergo a natural probiotic fermentation process. They may be assayed from batch to batch to provide the amount of vitamins. Please contact your account manager for the most current assay results.

1/2 Teaspoon Provides:

Thiamin (Vitamin B1 as Thiamine HCl)	1 mg
Riboflavin (Vitamin B2, including R-5-P Riboflavin-5-phosphate)	1.6 mg
Niacin (Vitamin B3 as Niacinamide)	30 mg
Vitamin B6 (including Pyridoxine HCl, P-5-P Pyridoxal-5-Phosphate)	3 mg
Folate (5-formyltetrahydrofolate Calcium)	1,665 mcg DFE
Vitamin B12 (includes Adenosylcobalamin, Methylcobalamin, Hydroxycobalamin)	263 mcg
Biotin	334 mcg
Pantothenic Acid (Vitamin B5 as Calcium-d-Pantothenate)	3.3 mg

Other Ingredients: Purified Water, Organic Cane Alcohol, Organic Molasses, Ionic Mineral Concentrate, Fermented Probiotic Media (fermented in a probiotic culture)

†Probiotic media inactivated after fermentation; preserved with organic cane alcohol

DFE stands for Dietary Folate Equivalents, a unit of measurement for folic acid and folate.

Suggested Use: Take ½ teaspoon mixed in ¼ cup of water or juice once daily. Shake gently before use. Refrigerate after opening.

Order Code: 2352 (2 fl oz/bottle); Amber glass bottle with a dropper dispenser

Order Code: 2351 (8 fl oz/bottle); Large Size Amber glass bottle

Medi Chlorella-FX features organic chlorella (broken cell wall), grown in fresh water (not in dark vats with tap water). This famous, ancient Super Nutrient was treasured by many cultures for centuries for optimal health and detox.*

This natural product contains organic chlorella without added magnesium stearate or other undesirable additives. The patented Broken Cell Wall Process is used for superior absorption of chlorella's broad nutrient profile.

Two Plant-Source Capsules Provide:

Chlorella (Broken Cell Wall) (*Chlorella sorokiniana*) 636 mg

Other Ingredients: Plant-Source Capsules (Cellulose, Water)

Suggested Use: Take 2 capsules, 2 times daily or as directed by a health professional.

Order Code: 2310 (120 plant-source capsules/bottle); Violite® Container

Kosher Certified

Medi-Clay-FX™ provides a rare source of calcium bentonite clay that promotes whole-body detoxification.* It contains a unique source of bentonite clay called calcium aluminosilicate. Consuming clay internally has a long history of use with outstanding, health-promoting effects and has been used by various ancient cultures.*

Unlike most sodium-based bentonites, Medi-Clay-FX™ contains a rare, freshwater-based bentonite believed to be the only known bentonite sourced from the site of an ancient underwater volcanic eruption that was flushed with fresh water for millions of years. Numerous analytical studies have been performed on this particularly unique smectite form of bentonite clay demonstrating its powerful adsorptive and absorptive detoxification properties. The ingredient in Medi-Clay-FX™ has been shown to bind certain Mycotoxins as well as chemicals such as Glyphosate.

At the outer surface of this clay's distinctive crystalline structure is a negative electrical charge which characterizes Medi-Clay-FX™'s highly effective adsorptive qualities. When these negatively charged clay molecules meet undesirable positively charged particles, the clay's ions- are exchanged with the positive ions of the undesirable molecule. Once the clay molecules' charges are electrically satisfied, the clay's absorptive properties, which have a crystal-like composition, act like a sponge and pull these undesirable substances deep into the clay's inner structure, trapping them until the body eliminates them. Due to the clay's vast interactive surface area, one capsule, taken twice daily (with water) is all that is required for beneficial results.* It is not necessary to hydrate or soak the clay before use.

Each Plant-Source Capsules Provide:

Calcium Bentonite Clay 450mg

Other Ingredients: Plant-Source Capsules (Cellulose, Water)

Suggested Use: Take 1 capsule, 3 times daily with 4 oz. or more of purified water or as directed by a health professional.

Order Code: 2839 (90 plant-source capsules/bottle); Violite® Container

Kosher Certified

Premier
MicroBiome Salt

**Probiotic Infused Pink Himalayan
and Red Hawaiian Salt**

1/4 Teaspoon Provides:

Total Fat	0 g
Sodium	360 mg
Total Carbohydrate	0 g
Protein	0 g

Ingredients: Himalayan Pink Salt, Red Alaea Hawaiian Sea Salt, Bacillus subtilis (OPTIBIOME BS50®)

Suggested Use: Use Microbiome Salt to season, finish, or craft a soothing probiotic drink

Order Code: 4685 (12 oz/bottle); Clear Container

*CALIFORNIA RESIDENTS ONLY

WARNING
Risk of Reproductive Harm
from exposure to Lead.
See www.P65Warnings.ca.gov

Salt has long played a central role in the human diet, but Microbiome Salt redefines its purpose by combining two unrefined, mineral-rich sea salts with a clinically studied probiotic strain to deliver more than just flavor.

The blend includes Himalayan Pink Salt and Red Alaea Hawaiian Sea Salt, both naturally rich in trace minerals like magnesium, potassium, and iron. These salts provide flavor while supporting electrolyte function and hydration, without the additives commonly found in conventional table salt.*

What sets this salt apart is the inclusion of BS50®, a heat-resistant, spore forming strain of *Bacillus subtilis*. Unlike conventional probiotics that require refrigeration or cannot withstand cooking, BS50® remains viable through food prep and digestion. Once in the gut, it supports microbiome balance and immune signaling through multiple mechanisms, including enzyme production, competitive exclusion of unwanted microbes, and promotion of short-chain fatty acid activity.*

Free from synthetic additives, anti-clumping agents, and heavy metals, Microbiome Salt is an ideal choice for anyone looking to replace processed salt with a clean-label, nutrient-dense option that brings functional benefits to everyday meals.

Premier Multi-Vitamin

Immune Priming, Brain,
Cardiovascular and Whole
Body Support

Premier Multi-Vitamin provides comprehensive, whole-body nutrients in a potent, plant-based formulation. Vitamins and minerals are essential substances the body needs to function properly. Most vitamins and minerals can be obtained through diet, but it is difficult to ensure you are getting all the nutrients you need from your food alone. Research shows that multi-vitamin use is linked with healthier antioxidant status, inflammation modulation, blood sugar levels, eye health, cardiovascular markers, and overall immunity.

Premier Multi-Vitamin offers a Premier Quality choice for nutritional supplementation because of its potent, sustainably sourced, fermented whole food ingredients. We have included multiple expert-cultivated botanical blends: Organic Plant Matrix, packed with superfoods and antioxidant botanicals; Immune Primer, powered by turmeric, garlic, and reishi mushroom to boost the body's natural defenses; and Organic Fermented Greens PhytoBlend with detoxifying, alkalizing, nutrient-dense leafy greens.

Together, these powerhouse botanicals deliver a complete spectrum of recommended daily vitamins and minerals, while also boosting immunity, enhancing energy, activating cognition, strengthening bones, supporting the heart, protecting the liver, balancing pH, soothing digestion, and even modulating mood. Experience the difference that our innovative and comprehensive formulation offers. Our ingredients are meticulously fermented with probiotics to unlock their macro- and micro-nutrients in their simplest, most bioavailable forms, making them highly absorbable and contributing to a healthy gut microbiome.*

Four Plant-Source Capsules Provide:

Calories	5
Total Carbohydrate	1 g
Vitamin A (as natural beta-carotene, from Organic Plant Matrix)	300 mcg RAE
Vitamin C (natural ascorbic acid, from Organic Plant Matrix)	75 mg
Vitamin D3 (as vegan, lichen-derived cholecalciferol)	196mcg (7,840 IU)
Vitamin E (as natural tocopherol and tocopherol acetate)†††	35 mg
Vitamin K (natural Menquinone-7 (K2), extracted from <i>Bacillus subtilis</i>)	105 mcg
Thiamine (natural Vitamin B1, from Organic Plant Matrix)	19 mg
Riboflavin (as natural riboflavin and riboflavin 5-phosphate)†††	20 mg
Niacin (Vitamin B3 as natural nicotinic acid and niacinamide)†††	26 mg NE
Vitamin B6 (as natural pyridoxine, from Organic Plant Matrix)	28.5 mg
Folate (naturally-sourced folic acid and 5-methyltetrahydrofolate)†††	1300 mcg DFE
Vitamin B12 (as natural methylcobalamin, adenosylcobalamin from bacterial fermentation, from Organic Plant Matrix)	115 mcg
Biotin (Vitamin B7, naturally derived from Organic Plant Matrix)	340 mcg
Pantothenic Acid (Vitamin B5, naturally derived from Organic Plant Matrix)	25 mg
Iron (naturally derived from Organic Plant Matrix)	4 mg
Iodine (naturally derived from Organic Plant Matrix)	1 mcg
Magnesium (from Ancient Peat Extract)†††	10 mg
Zinc (naturally derived from Organic Plant Matrix)	12.1 mg
Selenium (naturally derived from Organic Plant Matrix)	55 mcg
Copper (naturally derived from Organic Plant Matrix)	4 mg
Manganese (naturally derived from Organic Plant Matrix)	1.4 mg
Chromium (naturally derived from Organic Plant Matrix)	80 mcg
Molybdenum (naturally derived from Organic Plant Matrix)	0.4 mcg

Organic Plant Matrix 805 mg
Organic Amla (fruit) (*Embellica officinalis*), Organic Holy Basil (leaf), Organic Curry (leaf), (*Murraya koenigii*), Organic Lemon (peel, fruit), Organic Annatto (seed), Organic Sesbania (leaf), Organic Guava (leaf), Organic Moringa (leaf) (*Moringa oleifera*), Organic Sunflower (seed kernel and cake) (*Helianthus annuus*), Organic Carrot (root), Organic Spinach (leaf), Organic Shiitake and/or Oyster mushroom (fruiting body), Organic Coconut (sap, milk), Organic Parsley (leaf) (*Petroselinum crispum*), Organic Lichen (thallus), Organic Garlic (bulb) (*Allium sativum*)

Immune Primer 395 mg
Organic Turmeric (root) powder (*Curcuma longa*), Garlic Extract (bulb) (*Allium sativum*)
(Standardized to Minimum 1% Allicin), Reishi (fruiting body) (*Ganoderma lucidum*)

Organic Fermented Greens PhytoBlend 144 mg
Organic Fermented Barley Grass, Organic Fermented Kale (leaf), Organic Fermented Oat Grass, Organic Fermented Chlorella (whole; broken cell wall) (*Chlorella sorokiniana*), Organic Fermented Alfalfa (herb), Organic Fermented Cilantro (leaf), Organic Fermented Spinach (leaf) (*Spinacia oleracea*)

Ancient Peat/MCT Blend 100 mg
Ancient Peat Extract (Ancient plant minerals, 39+ trace minerals), Organic MCT Oil Extract

Other Ingredients: Plant-Source Capsules (Cellulose, Water), Jasmine Rice Bran

†† Extract, ††† From Organic Plant Matrix ▣ Retinol Activity Equivalents

When natural-source nutrients are of “Premier Quality” (i.e. exquisitely well-grown and without undesirable tagalongs), then the cell may be able to adequately absorb both physical nutrients as well as the nutrient’s resonant frequencies, allowing the cell to function at its optimal frequency.*

Premier NAC
Premier Detoxification, Liver and Antioxidant Support*

Premier NAC promotes optimal detoxification at the liver and has the ability to help chelate heavy metals.* It also supports respiratory health through its beneficial action on mucus secretions.*

NAC (N-Acetyl-L-Cysteine) is a key amino acid derived from L-cysteine. It is a powerful free radical scavenger that helps replenish glutathione, a critical tripeptide for antioxidant defense.*

This formula includes the botanical complex, **NAC Excel Blend™**, to provide a broad spectrum of phytochemical compounds for superior nutritional support.*

Each Plant-Source Capsule Provides:	
N-Acetyl-L-Cysteine (NAC)	300 mg
NAC Excel Blend™	228 mg
Organic Turmeric (rhizome) (<i>Curcuma longa</i>), Organic Milk Thistle (seed) (<i>Silybum marianum</i>), Green Tea (leaf) Extract (<i>Camellia sinensis</i>)	

Other Ingredients: Plant Source-Capsule (Cellulose, Water)

Suggested Use: Take 1 capsule, 2 times a daily or as directed by a health professional.

Order Code: 2171 (60 plant-source capsules/bottle); Violite® Container

Premier NADH
Advanced Energy, Brain and Memory Support*

Premier NADH (nicotinamide adenine dinucleotide) is an essential complex in the cellular respiration process. Thus, research shows NADH can significantly promote oxygen utilization.* It also supports memory and alertness as well as providing effective support for optimal athletic performance.* This formula provides a generous 10 mg of NADH per capsule.

Each Plant-Source Capsule Provides:	
NADH	10 mg

Other Ingredients: Plant Source-Capsule (Cellulose, Water), Organic Rice Concentrate, Calcified Red Algae

Suggested Use: Take 1 capsule, 2 times a day or as directed by a health professional.

Order Code: 0510 (30 plant-source capsules/bottle); Violite® Container

NeuroVen™

Premier Neurological and Neurotransmitter Support*

NeuroVen™ is a comprehensive nerve support formula, featuring two key botanical-based blends, **Neuro Support Blend™** and **Phospholipid Neuro Blend™**. This product offers extraordinary, broad-spectrum support for the entire neurological system, including nerve function and health.*

Two Plant-Source Capsules Provide:

Calcium (as calcium carbonate from Aquamin® F)	112 mg
Neuro Support Blend™	502 mg
Aquamin® F Mineralized Red Algae (<i>Lithothamnion sp.</i>), Organic Turmeric (rhizome) (<i>Curcuma longa</i>), Organic Coriolus (whole) (<i>Coriolus versicolor</i>)	
Phospholipid NeuroBlend™	210 mg
Phospholipids with phosphatidylserine (from sunflower lecithin), L-Carnosine, Nervonic Acid	
Reishi Neuro Pro	185 mg
Reishi (fruiting body) (<i>Ganoderma lucidum</i>), Organic Chlorella (whole; broken cell wall) (<i>Chlorella sorokiniana</i>), Rhodiola (root) Extract (<i>Rhodiola rosea</i>), Alpha-GPC (L-Alpha-glycerophosphorylcholine), Policosanol	

Other Ingredients: Plant Source-Capsule (Cellulose, Water)

Suggested Use: Take 2 capsules, 2 times a day or as directed by a health professional.

Order Code: 2150 (60 plant-source capsules/bottle); Violite® Container

Premier Noni

Optimized Energy*, Fatigue Quencher*, Gentle Cleansing*

For centuries, Noni has been revered as a key botanical used by many cultures. This formula features **Noni-Pure™** which contains unrefined, premier-quality Noni from India. Coupled with **Plant-Gest™** Enzyme Blend, this product offers optimal health and wellness support.*

Each Plant-Source Capsule Provides:

Noni-Pure™	438 mg
Organic Noni (fruit) (<i>Morinda citrifolia</i>)	

Other Ingredients: Plant Source-Capsule (Cellulose, Water)

Suggested Use: Take 1 capsule, 3 times a day or as directed by a health professional.

Order Code: 2500 (60 plant-source capsules/bottle); Violite® Container

Nucleo Immune™ provides genuine whole-body immune system support because it delivers the raw material from which the cell is constructed.* It takes 6 billion nucleotides to build just one cell. Imagine your nucleotide requirements when you are under high stress. No other product directly furnishes this critical raw material (nucleotides) so that the body can do its job as rapidly and efficiently as possible – when you need it the most.*

- This formula features **BGF-Immune™** (fermented beta-glucans) for immune cell activation*
- This formula also features **Immunell™**: an unmatched quality nucleotide blend for immune cell maturation support and protein synthesis*
- Nucleotides are the basis of all cellular structure; they compromise the structure of nucleic acids, RNA, and DNA.

Three Plant-Source Capsules Provide:

Total Carbohydrate	<1 g
Beta Glucan Complex	630 mg
BGF-Immune*† 1, 3D Beta Glucan (standardized to min. 85%, Reishi (fruiting body) (<i>Ganoderma lucidum</i>)	
Total Beta Glucan	400 mg
Beta Pro Complex	378 mg
Organic Turmeric (rhizome) (<i>Curcuma longa</i>)	162 mg
Organic Lemon Peel (<i>Citrus limon</i>)	108 mg
Organic Prickly Pear (leaf) (<i>Opuntia ficus-indica</i>)	108 mg
Immunell™††	150 mg
Proprietary Nucleotide Blend [Min. 50% mixed 5'-Ribonucleotides; Guanosine-5'-monophosphoric acid (GMP), Adenosine-5'-monophosphoric acid (AMP), Uridine-5'-monophosphoric acid (UMP), Cytidine-5'-monophosphoric acid (CMP)], Arabic Gum	

Other Ingredients: Plant-Source Capsules (Cellulose, Water)

Suggested Use: Take 3 capsules daily on an empty stomach or as directed by a health professional.

††Immunell™ is a trademark of Nexira

Try this tasty Super Food for daily super nutrition with a pleasantly cheesy taste. **Premier Nutritional Flakes** contains non-GMO nutritional yeast that is a good source of high quality, bioavailable protein, containing both essential and non-essential amino acids that is suitable for everyone, including vegetarians and vegans. This formula is also rich in a range of B vitamins, including vitamin B12.

These nutritional flakes are made with a specially selected strain of *Saccharomyces cerevisiae* (that is specially grown on molasses) which has undergone a fermentation process under carefully controlled conditions. This product does not encourage candida or other yeast growth.

To enliven any dish, add 1 or 2 tablespoons to a salad, soup or main dish to give it a hearty, cheesy taste. Children (and even pets) love it.

One Tablespoon Provides:

Calories	40
Total Fat	0.5 g
Sodium	15 mg
Total Carbohydrate	4 g
Dietary Fiber	2 g
Protein	5 g

Typical Amino Acid (Profile per 10g Serving)

Alanine	300 mg	Lysine	350 mg
Arginine	210 mg	Methionine	70 mg
Aspartic Acid	440 mg	Phenylalanine	200 mg
Cystine	50 mg	Proline	160 mg
Glutamic Acid	690 mg	Serine	210 mg
Glycine	210mg	Threonine	220 mg
Histidine	90 mg	Tyrosine	160 mg
Isoleucine	210 mg	Valine	250 mg
Leucine	320 mg		

Other Ingredients: Dried yeast (*Saccharomyces cerevisiae*), niacin, pyridoxine hydrochloride, thiamin hydrochloride, riboflavin, folic acid, cyanocobalamin

Suggested Use: Take 1 tablespoon as desired. Enjoy its pleasant-tasting, nutty flavor by mixing it into drinks or food, such as soup, grain dishes, salads, vegetable juice or sprinkle over popcorn.

Order Code: 4670 (10 oz/bottle); Violite® Container

NZ-Red Deer Antler Velvet

Promotes Optimal Health and Well Being*

Velvet deer antler ranks as one of the most important nutrients in traditional Eastern medicine, used for centuries to nourish the body's jing essence (defined as overall health and vitality*).

This unique deer antler is humanely harvested from New Zealand deer on private ranches, without harm to the deer and without the use of questionable anesthetics that can taint the product. Although deer antler offers many benefits, only now, by finding an exquisite quality source of deer antlers, are we able to provide you with this outstanding product.

Each Plant-Source Capsule Provides:

Calcium	50 mg
Deer Antler Velvet	500 mg

Other Ingredients: Plant-Source Capsules (Cellulose, Water)

Suggested Use: Take 1 capsule daily or as directed by a health professional.

Order Code: 2090 (30 plant-source capsules/bottle); Violite® Container

OcuVen™

Premier Vision & Eye Support, Including the Macula*

OcuVen™ is a premier vision and eye support formula that features two well-researched eye support nutrients: natural-source lutein (from marigold flowers) and natural-source zeaxanthin (from marigold flowers)*. In addition, OcuVen™ features **Eye Integrity Support Blend™** which contains a broad spectrum blend of high-value, premier quality botanical agents for optimal nutritional support.*

Zeaxanthin is the strongest antioxidant carotenoid found in the retina. Zeaxanthin cannot be made by the body, thus it must be supplemented as part of the diet. Zeaxanthin supports lens and macula health.*

Lutein is a naturally occurring carotenoid and is found in high concentrations in the macula. Lutein is a powerful antioxidant that can fight free radicals and protect cells from oxidative stress.*

Research studies show that a higher dietary intake of lutein and zeaxanthin is related to good visual health. Recent research studies show healthy benefits from supplementing with lutein and zeaxanthin.* Studies also show that a dietary intake of approximately 6 to 20 mg of lutein each day may be necessary for good eye health support.*

Each Plant-Source Capsule Provides:

Vision Greens Blend	258 mg
Organic Prickly Pear (cladode) (<i>Opuntia ficus-indica</i>), Organic Spinach (leaf) (<i>Spinacia oleracea</i>), Organic Chlorella (whole; broken cell wall) (<i>Chlorella sorokiniana</i>), Organic Tomato (fruit)	
Eye Integrity Support Blend™	112 mg
Organic Bilberry (fruit) (<i>Vaccinium myrtillus</i>), Organic Carrot (root) (<i>Daucus carota</i>), Organic Turmeric (rhizome) (<i>Curcuma longa</i>)	
Lutein (from Marigold flower)	10 mg
Zeaxanthin (from Marigold flower)	2 mg

Other Ingredients: Pea Protein, Gum Acacia, Tocopherol, Plant-Source Capsule (Cellulose, Water)

Suggested Use: Take 1 capsule daily or as directed by a health professional.

Order Code: 2402 (60 plant-source capsules/bottle); Violite® Container

Olive leaf extract has been popular as an herbal remedy in many cultures. Olive leaf extract features the naturally occurring phytonutrient, oleuropein, a phenolic glucoside. The olive leaf extract used in this formula contains the highest concentration of oleuropein (minimum 20% oleuropein) available.

This full-spectrum olive leaf formula supports immune and cardiovascular health and supports a healthy environment for cells; it does not harm beneficial bacteria.* This formula also features **Olea-Pro Support™** blend for optimal broad-spectrum nutritional support.*

Two Plant-Source Capsules Provide:

Olea-Pro™ 500 mg
Olive Leaf Extract (*Olea europaea*) (Minimum 20% Oleuropein)

Olea-Pro Support™ 356 mg
Organic Turkey Tails (whole) (*Coriolus versicolor*), Reishi (fruiting body) (*Ganoderma lucidum*), Organic Chlorella (whole; broken cell wall) (*Chlorella sorokiniana*), Organic Turmeric (rhizome) (*Curcuma longa*), Organic Clove (bud) (*Syzygium aromaticum*), Organic Parsley (leaf) (*Petroselinum crispum*)

Other Ingredients: Plant Source-Capsule (Cellulose, Water)

Suggested Use: Take 2 capsules daily or as directed by a health professional.

Order Code: 2510 (60 plant-source capsules/bottle); Violite® Container

Kosher Certified

Premier Oregano Oil is made from the leaves and flowers of *Origanum vulgare*, the true oregano species of the mint family. Native to Eurasia and the Mediterranean, this perennial herb grows up to 3 feet tall with dark green leaves and purple flowers. It can take 100 lbs of plants to produce just 1 lb of essential oil, which is rich in phenolic compounds like carvacrol.

Oregano has been valued since ancient times, with Greeks and Romans calling it the “joy of the mountain.” Its quality, however, depends heavily on harvesting and production methods. Poor practices such as high-heat drying can damage key phytonutrients, while authentic wild oregano should have a spicy aroma and strong, numbing taste.

At PRL, every batch is verified through botanical authentication and advanced screening for pesticides, herbicides, heavy metals, solvents, and microbes in our FDA-inspected lab. Our oil is never solvent-extracted or heat-damaged, ensuring purity, strength, and full-spectrum benefits.

Five Drops Provide:

Carvacrol 18 mg
from Oregano Essential Oil (leaf) (*Origanum vulgare*)

Other Ingredients: Extra Virgin Olive Oil

Suggested Use: Take 5 drops, twice daily in 2 oz. of water or with food. Feeling a heat sensation after use is normal. Cap tightly to avoid evaporation.

Order Code: 1500 (0.5 oz/bottle); Amber Glass

Premier pH Minerals is the world's most potent, broad-spectrum, natural source of ionic minerals from Utah's Great Salt Lake water that naturally provides a good source of magnesium. This unique mineral product is a perfect mineral concentrate for outstanding mineral support.* Minerals are essential for good health although the body cannot produce them. Minerals must be consumed in the diet.

½ Teaspoon Provides:

Magnesium	180 mg
Chloride	540 mg
Sodium	15 mg
Sulfate	15 mg
Sulfur	10 mg
Lithium	750 mcg
Boron	300 mcg

Other Ingredients: Ionic Trace Mineral Concentrate, 99% sodium removed

Suggested Use: Take ½ teaspoon daily in 1 liter of juice or water. For those who are sensitive, dilute ¼ tsp. in 2 liters of water. Due to the concentrated nature of these minerals, do not take undiluted.

Code: 0107 (2 fl oz/bottle); Amber glass bottle with dropper dispenser

½ Teaspoon Provides:

Magnesium	215 mg
Chloride	630 mg
Sodium	15 mg
Sulfate	30 mg
Sulfur	20 mg
Lithium960 mcg
Boron	330 mcg

Other Ingredients: Ionic Trace Mineral Concentrate

Suggested Use: Take ½ teaspoon daily in 1 liter of juice or water. For those who are sensitive, dilute ¼ tsp. in 2 liters of water. May also be mixed in soups and foods. Due to the concentrated nature of these minerals, do not take undiluted.

*NOTE: Premier pH Minerals contains natural ingredients and does not have standardized, mined minerals added to it. It is assayed from batch to batch to provide the amount of naturally occurring minerals contained in this pristine oceanic seawater concentrate. Please contact your account manager for the most current assay results.

Premier Phyto-Iron is a scientifically formulated nutritional supplement designed to deliver body-friendly iron as highly bioavailable, plant-based iron (non-heme form) that has been concentrated from non-GMO, organic certified curry leaf extract. It offers an excellent 18 mg. iron per serving. Exciting research demonstrates the body is able to effectively absorb, metabolize, and store the biologically active iron phytochemicals of curry extract which promote healthy blood iron levels that are essential to the body's tissue oxygen requirements and erythrocyte demands.*

Four Plant-Source Capsules Provide:

Calories	5
Total Carbohydrates	1 g
Dietary Fiber	1 g
Iron	18 mg
Organic Curry (Leaf) Extract (<i>Murraya koenigii</i>)	532 mg
Organic MCT Oil	117 mcg

Other Ingredients: Organic Rice Concentrate (*Oryza sativa*), Plant-Source Capsules (cellulose, water), Organic Gum Acacia

Suggested Use: For general iron support or pregnant and lactating women, take 4 capsules daily with meals.

Order Code: 2188 (120 plant-source capsules/bottle); Violite® Container

Phyto Methylate™ delivers the most dynamic support in methyl group supplementation for human nutrition today.* It is a rich source of biologically available methyl donors and cofactors important for advanced cellular functions such as DNA methylation, homocysteine synthesis, and protein synthesis.*

Phyto Methylate™ directly delivers advanced methylation through the fully activated methyl donors of folate as 5-methyltetrahydrofolate, B12 as methylcobalamin, B6 as pyridoxal-5-phosphate and choline bitartrate.* Supporting healthy methylation is vital to promoting healthy genetic expression and cellular functions.* When sufficient methyl groups are available, it has a positive effect regulating many biochemical reactions throughout the body including cardiovascular, neurological, reproductive, and detoxification systems.*

Two Plant-Source Capsules Provide:

Vitamin B6 (as Pyridoxal-5-Phosphate)	14 mg
Folate (as 5-Methyltetrahydrofolate)	1,190 mcg
Vitamin B12 (Methylcobalamin)	800 mcg
Choline (from grape fermentation as Choline Bitartrate)	60 mg
Green Methyl Support	290 mg
Organic Rice Concentrate (<i>Oryza sativa</i>), Organic Barley (leaf) (<i>Hordeum vulgare</i>), Organic Oat Grass (<i>Avena sativa</i>), Organic Parsley (leaf) (<i>Petroselinum crispum</i>)	

Other Ingredients: Plant-Source Capsules (Cellulose, Water)

Premier Plant Vitamin C

Antioxidant, Immune, & Optimal Health Support*

Unlike most vitamin C products, Premier Plant Vitamin C is a potent, 100% natural botanical vitamin C formula without synthetic ascorbic acid or calcium ascorbate. It features Vita C Pro Blend and Vita C Support Blend for optimal, full spectrum, nutritional support.* The total vitamin C content in this formula is from natural sources, including organic acerola, organic bilberry fruit, and more.

This product delivers premier antioxidant power with natural free radical quenching activity for optimal immune support.* Vitamin C is a water-soluble vitamin which must be obtained through the diet. In human biochemistry, it acts as a free radical scavenger and antioxidant while providing other important health factors.*

Three Plant-Source Capsules Provide:

Vitamin C (from Vitamin C Fractions Extracted from Amla)	135 mg
Vita C Pro Blend	412 mg
Organic Rice Concentrate (<i>Oryza sativa</i>), Quercetin Dihydrate, Hesperidin [Natural Orange (fruit) extract (<i>Citrus spp.</i>)], Quercetin Dihydrate)	
Organic Amla (fruit) Extract	310 mg
Vita C Support Blend	105 mg
Organic Stabilized Rice Bran, Organic Rose Hip Powder (fruit) (<i>Rosa spp.</i>)	

Other Ingredients: Plant-Source Capsules (Cellulose, Water)

Suggested Use: Take 2 capsules daily or as directed by a health professional.

Order Code: 2300 (60 plant-source capsules/bottle); Violite® Container

*NOTE: Premier Plant Vitamin C provides only natural ingredients and does not have standardized ascorbic acid or other vitamin C sources added to it. It is assayed from batch to batch to provide the amount of natural vitamin C per capsule. Please contact your account manager for the most current assay results.

PneumoVen™

Premier Lung Support*

PneumoVen™ provides a superior combination of natural vegetarian enzymes (as bromelain, derived from the pineapple plant), NAC (n-acetyl-L-cysteine), and a broad spectrum of selected botanical support agents for effective lung support.* Bromelain offers proteolytic enzymes which promote the breakdown of protein.* NAC (N-Acetyl-L-Cysteine) is a source of the essential amino acid, L-cysteine, and is a precursor to the important antioxidant, glutathione. NAC supports detoxification in the liver.*

Three Plant-Source Capsules Provide:

Phyto Lung Support*	553 mg
Organic Cranberry (fruit)	189 mg
Organic Turmeric (rhizome) (<i>Curcuma longa</i>)	121 mg
Organic Clove (bud) (<i>Syzygium aromaticum</i>)	108 mg
Organic Chlorella (whole, broken cell wall) (<i>Chlorella sorokiniana</i>)	81 mg
Organic Marshmallow (root) (<i>Althaea officinalis</i>)	54 mg
Bromelain Enzymes (from Pineapple) (<i>Ananas comosus</i>)	300 mg
N-Acetyl-L-Cysteine (NAC) (free form)	260 mg
Garlic Extract (bulb) (<i>Allium sativum</i>)	135 mg

Other Ingredients: Plant-Source Capsules (Cellulose, Water)

Suggested Use: Take 3 capsules daily or as directed by a health professional. Please refrigerate after opening.

Order Code: 2480 (60 plant-source capsules/bottle); Violite® Container

PQQ Complex

Antioxidant, Cardiovascular and Cognitive Support*

This formula features PQQ (pyrroloquinoline quinone), a unique B vitamin-like nutrient. It offers nerve, cardiovascular, and cognitive (learning and memory) support.* This formula is coupled with a natural source, fermented CoQ-10 (trans isomer form) which promotes cellular energy and offers premier antioxidant support.*

PhytoMarine Support Blend™ is included to offer a biocompatible botanical blend for broad spectrum phyto-nutritional support.*

Each Plant-Source Capsule Provides:

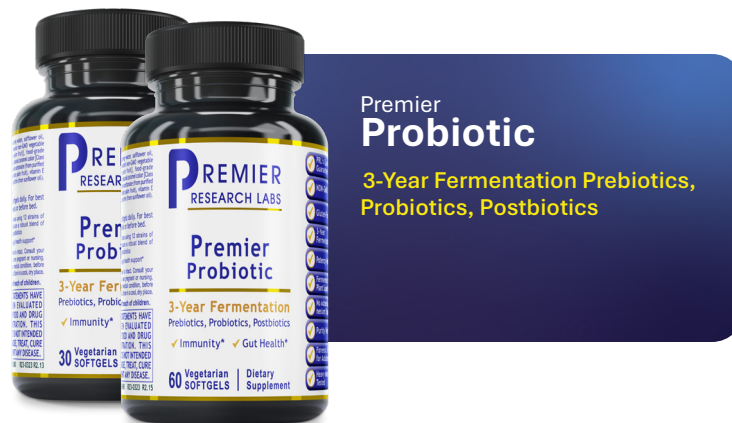

Calcium (as carbonate from Aquamin® F)	80 mg
PhytoMarine Support Blend™	425 mg
Aquamin® F Mineralized Red Algae (whole) (<i>Lithothamnion</i> sp.), Organic Turmeric (rhizome) (<i>Curcuma longa</i>), Lion's Mane (fruiting body) Extract (<i>Hericium erinaceus</i>), Green Tea Extract (leaf) (<i>Camellia sinensis</i>)	
Coenzyme Q-10 (fermented)	50 mg
PQQ (Pyrroloquinoline quinone)	10 mg

Other Ingredients: Plant-Source Capsules (Cellulose, Water)

Suggested Use: Take 1 capsule, twice daily or as directed by a health professional. Please refrigerate after opening.

Order Code: 2085 (60 plant-source capsules/bottle); Violite® Container

Premier Pregnenolone is a natural steroid hormone that the body produces from cholesterol. Because all steroid hormones are ultimately derived from pregnenolone, it has been called the “Grandmother of all Steroid Hormones.”

Premier Pregnenolone supplies pregnenolone in a natural base of organic rice concentrate and bran. This product provides premier hormone support.*

Each Plant-Source Capsule Provides:

Pregnenolone 100 mg

Other Ingredients: Rice Bran, Plant-Source Capsule (cellulose, water), Organic Rice Concentrate

Suggested Use: Take 1 capsule daily or as directed by a health professional.

Order Code: 2530 (60 plant-source capsules/bottle); Violite® Container

This broad-spectrum, premier probiotic formula (with “good bacteria”) promotes healthy intestinal ecology with 13 different viable strains of beneficial flora to support health-promoting intestinal bacteria.* A unique fermentation process uses 95 different natural herbs and barks, cultured for 3 years to produce healthy, mature flora, and highly bioavailable nutrients.

Bottles of either 30 or 60 Softgels are available

Two Softgels Provide:

Probiotic Fermented Multi-Culture 840 mg

Prebiotics: [Fruits: Prunes (*Prunus domestica*), Goji berries (*Lycium chinense*), Figs (*Ficus carica*), Blueberries (*Vaccinium spp.*), Red Bayberries (*Myrica rubra*), Yuzu fruit (*Citrus junos*)], [Vegetables (leaves and stalks): Japanese mugwort (*Artemisia princeps*), Komatsuna (*Brassica rapa var. perviridis*)], [Mushrooms (fruiting bodies): Shiitake (*Lentinula edodes*), Agaricus (*A. blazei*), Maitake (*Grifola frondosa*)], [Seaweed (leaves and stalks): Hijiki (*Hizikia fusiform*), Wakame (*Undaria pinnatifida*), Kombu kelp (*Laminaria japonica*)]

Probiotic Cultures 50,000 CFU/g~

Lactic Acid Bacteria: Bifidobacteria (*B. brevis* ss. *breve* M-16v, *B. infantis* M-63, *B.-longum* BB536), *Enterococcus faecalis* TH10, *Lactobacilli* (*L. acidophilus* ATCC SD5212, *L. brevis* NBRC 3345, *L. bulgaricus* NBRC 13953, *L. casei* TO-A, *L. fermentum* NBRC 3071, *L. helveticus* ss. *jugurti* BBRC 3809, *L. plantarum* TO-A) and *Streptococcus thermophilus* NBRC 13957, *Bacillus coagulans*

Postbiotics: Short-chain fatty acids and other organic acids (such as acetic, citric, fulvic, humic, and phenylactic acids), oligosaccharides, polyphenols, melanoidin

Other Ingredients: Mountain spring water, safflower oil, vegetarian softgel (roasted non-GMO vegetable starch, glycerin [from date palm fruit], food-grade carrageenan [from red seaweed] natural caramel color [Class I, from caramelized sugar] calcium carbonate (from purified minerals), glycerin ester (from date palm fruit), vitamin E (from date palm oil), beeswax, lecithin (from sunflower oil)

~ At time of manufacture.

Suggested Use: Take 2 softgels daily, especially effective between meals or before bed.

Order Code: 2680 (30 plant-source capsules/bottle); Violite® Container

Order Code: 2690 (60 plant-source capsules/bottle); Violite® Container

Premier
Probiotic Gummies

Support for the Whole Family

Dietary Supplement

Two Gummies Provides:

Calories	15
Total Carbohydrate	4 g
Total Sugars	3 g
Added Sugars	3g
DE111g Bacillus subtilis 2mg (1.5 billion CFU)	1.5 Billion CFU

Other Ingredients: Apple Juice Concentrate, Apple Puree Concentrate, Blackberry Puree, Raspberry Puree, Strawberry Puree, Cherry Puree, Pectin, Lemon Juice Concentrate, Black Carrot Juice Concentrate, Tripotassium Citrate (acid regulator), Citrus Fiber

Premier Probiotic Gummies combines natural ingredients with scientific innovation to support the cornerstone of wellness – digestion. Each delicious gummy combines DE111®, a well-researched strain of *Bacillus subtilis*, with naturally derived prebiotics from whole fruit purees and citrus fiber. This blend promotes a balanced microbiome and enhances gastrointestinal health.

DE111® is designed to thrive, surviving stomach acid to effectively work in the gut, where it's most needed. It supports a balanced biome, aids digestion, and strengthens the immune system by boosting beneficial bacteria and enhancing energy levels. Research has found that DE111® supports a healthy gut by keeping good bacteria balanced, which strengthens the immune system and helps keep digestion regular and comfortable.

Our gummies are formulated to deliver targeted support for long-term health and vitality. Sweetened with 100% whole fruit concentrates and free from artificial additives, Premier Probiotic Gummies ensures a clean, wholesome option for daily wellness. The inclusion of fruit purees and citrus fiber enriches the natural fruit matrix, optimizing the absorption and utilization of approximately 1.5 billion CFUs of DE111® per dose. This synergy not only makes each gummy a tasty treat but also a potent delivery system for comprehensive digestive health and immune function support.

Premier Probiotic Fermented Greens

Fermented Multi-Greens with
Prebiotics & Postbiotics*

Probiotic Fermented Greens provide a highly bioavailable, fermented vegetarian prebiotic blend of the most immaculate greens from the finest sources worldwide that also include live probiotics! This distinctive, gluten-free, fermented plant blend showcases our pristine prebiotic greens blend of: Fermented Organic Barley Grass, Fermented Organic Oat Grass, Fermented Organic Kale, Fermented Organic Chlorella plus a garden blend of 100% fermented vegetarian greens carefully air-dried at a low temperature to deliver a wide-ranging assortment of naturally occurring vitamins and minerals to help support the natural alkalinity of the body.*

Five Plant-Source Capsules Provide:

Fermented Greens Blend 1,003 mg
Organic Fermented Barley Grass (*Hordeum vulgare*), Organic Fermented Kale (leaf),
Organic Fermented Oat Grass (*Avena sativa*), Lactobacillus reuteri, Organic Fermented
Chlorella (whole; broken cell wall) (*Chlorella sorokiniana*), Organic Fermented Alfalfa
(herb) (*Medicago sativa*), Organic Fermented Cilantro (leaf) (*Coriandrum sativum*),
Organic Fermented Spinach (leaf) (*Spinacia oleracea*)

Rice Bran 155 mg

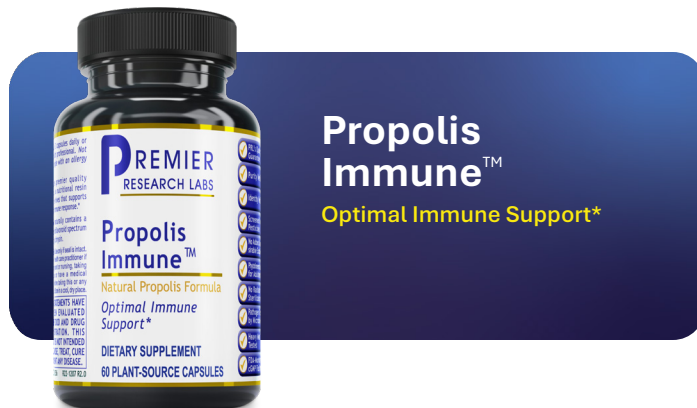

Other Ingredients: Plant-Source Capsules (Cellulose, Water), Micro Crystalline Cellulose

Suggested Use: Take 5 capsules daily or as directed by a health professional. Please refrigerate after opening.

Premier Resveratrol

Premier Antioxidant, Cardiovascular, Immune and Cognitive Support*

Premier Resveratrol features probiotic-fermented resveratrol, a specialized agent that supports cell health.* This formula also supports the immune response and offers cardiovascular support.*

In addition, this formula also provides premier antioxidant activity in supporting healthy function by scavenging free radicals.*

ND Technology™ (Novel Micro-cultured Delivery)

This premier quality formula is fermented using a unique probiotic culture which allows rapid oral delivery with superior bioenergetic properties. Many people say they can feel the effect of this product the very first time they take it.

1 Teaspoon Provides:

Resveratrol	180 mg
[from Japanese Knotweed Extract (<i>Polygonum cuspidatum</i>)] fermented in a probiotic culture*	

Other Ingredients: Purified Water, Organic Cane Alcohol, Organic Molasses

*Probiotic formula inactivated after fermentation; preserved with organic cane alcohol

Suggested Use: Take 1 teaspoon in ½ cup of water daily or as directed by a health professional. Shake vigorously before use.

Order Code: 2368 (8 fl oz/bottle); Amber glass bottle

*NOTE: Our ND products undergo a natural, patent-pending probiotic fermentation process. They may be assayed from batch to batch to provide the amount of vitamins and other nutrients. Please contact your account manager for the most current assay results.

Premier Taurine Blend

Premier Cardiovascular, Gallbladder, and Detox Support*

Premier Taurine Blend offers advanced cardiovascular, gallbladder and detoxification support.* This formula features taurine in its free form. The botanical blend, PhytoMatrix Support is included as a biocompatible herbal support blend for broad-spectrum nutritional support.*

Taurine, a sulfur-containing, amino acid-like nutrient, is the most abundant free amino-sulphonic acid in the heart and the nervous system. Taurine plays a recognized role in the health of the brain, heart, gallbladder, eyes and the cardiovascular system.* Taurine facilitates the production of bile by being conjugated to form valuable bile salts which aid the absorption of fat-soluble vitamins.* Taurine supports liver health by supporting the body's natural detoxification processes.*

Each Plant-Source Capsule Provides:

Taurine (free form)	375 mg
PhytoMatrix Support	165 mg
Organic Hawthorn (berry) (<i>Crataegus</i> spp), Reishi (fruiting body) (<i>Ganoderma lucidum</i>), Organic Prickly Pear (leaf) (<i>Opuntia ficus-indica</i>)	

Other Ingredients: Plant-Source Capsules (Cellulose, Water)

Suggested Use: Take 1 capsule, 3 times daily or as directed by a health professional.

Premier Turmeric Caps

Premier Liver Support*

Although turmeric has been traditionally used in cooking simply as a curry spice, numerous studies show that turmeric supports liver and gastrointestinal health.* One of the main keys to turmeric's nutritional benefits has been shown to be its high concentration of natural compounds known as curcuminoids. Curcuminoids are present as a naturally occurring component of turmeric and possess significant antioxidant capabilities. This provides free radical protection for the liver and digestive health.*

Premier Turmeric features organic, premier-quality turmeric in its full-spectrum state. Thus, we do not specify a particular amount of curcumin in this product or assay for it. Concentration will vary per batch due to various factors, such as the time of harvest. Our turmeric raw material is specifically selected due to its superior intrinsic bioenergetic properties as well as meeting our strict laboratory testing requirements.

We import our turmeric from Ayurvedic botanical growers in India where they have been naturally cultivating this nutritious root for centuries. Additionally, raw turmeric contains beneficial volatile oils. We encourage you to open a capsule for yourself to smell its rich aromatic, full-bodied aroma.

Each Plant-Source Capsules Provides:

Organic Turmeric (rhizome) (*Curcuma longa*) 500 mg

Other Ingredients: Organic Pullulan Capsule (Pullulan, Water, Seaweed Extract)

Suggested Use: Take 1 capsule 3 times daily, or as directed by a health professional.

Order Code: 2580 (60 plant-source capsules/bottle); Violite® Container

Premier Organic Turmeric Powder

Supports Inflammatory
Balance, Joint Mobility, and
Liver Health* (4 oz)

Premier Organic Turmeric provides high-curcumin content turmeric (*Curcuma longa*) from organically grown sources. Carefully processed to avoid lead chromate contamination, synthetic dyes, and irradiation, it maintains the full spectrum of beneficial curcuminoids.

Traditionally used for healthy inflammatory balance, joint mobility, and liver function, curcuminoids also provide antioxidant support and promote the body's natural detoxification pathways.

Premier Organic Turmeric is tested for heavy metals, pesticides, aflatoxins, and authenticity, ensuring uncompromised quality. Use in culinary applications such as golden milk, soups, or smoothies, ideally with a fat-containing meal and a pinch of black pepper for enhanced absorption.

1/2 Teaspoon Provides:

Turmeric (100% Organic)

Other Ingredients: None

Suggested Use: Enjoy this spicy powder in your favorite food and drinks.

Premier Vegan D3+K2 is a high-potency, plant-based supplement delivering clinically relevant levels of vitamin D3 and vitamin K2 (as MK-7, the preferred form) to support bone health, calcium metabolism, and cardiovascular function. *

Each capsule provides 5,000 IU (125 mcg) of vitamin D3 and 180 mcg of vitamin K2 derived from fermented natto, one of the most bioavailable forms of K2 available. *

Premier Vegan D3+K2 is formulated without fillers, additives, or synthetic excipients. The clean, powder-based capsules are a great choice for those seeking a vegan-friendly, gluten-free formula backed by rigorous purity, heavy metal, and microbiological testing.

Each Plant-Source Capsule Provides:

Vitamin D3 (as Cholecalciferol)	125 mcg (5,000 IU)
Vitamin K2 (as Menaquinone)	180 mcg

Other Ingredients: Plant-Source Capsule (Cellulose, Water), Rice Bran, Organic Rice Concentrate (Oryza Sativa), Organic MCT Oil Extract (Coconut)

Suggested Use: Take 1 capsule daily or as directed by a health professional.

Order Code: 1210 (60 plant-source capsules/bottle); Violite® Container

Premier Vitamin D3 for Kids

Naturally and Sustainably
Sourced Vitamin D3

Support your child's health journey with the essential benefits of Vitamin D3, a crucial building block for growth and development. Vitamin D3 supports lifelong health, making it vital for bone growth, immune function, and brain health.

Vitamin D deficiency is increasingly common in children due to factors like low levels in breast milk, limited sun exposure, and strict vegetarian or vegan diets. Adequate vitamin D3 intake is essential for all children to thrive.

Start supplementation early to support growth, following the recommended dose to avoid potential toxicity. Improvements in health may take several weeks of consistent supplementation. For better absorption, administer with a fat-containing snack or meal.

Premier Research Labs' Vitamin D3 for Kids is naturally and sustainably sourced to support overall health and development. Recommended for children ages one year and older, each dose provides 400 IU of bioactive vitamin D3 in a fat-soluble base (extra virgin olive oil) for better absorption. Every drop of this golden 'liquid sunshine' delivers 100 IU of vitamin D3, allowing safe dose adjustments as your child grows to ensure they receive the recommended daily amount for bone, immune, and brain health.

The quality and purity of the supplement are superior. Our product is third-party tested, non-GMO, and easy to use with its neutral-tasting, highly absorbable liquid form. Health-conscious consumers and PRL practitioners can trust our Vitamin D3 for Kids for its purity, effectiveness, and commitment to sustainability. Ensure your child's wellness with our reliable and high-quality supplement.

Four Drops Provide:

Vitamin D3 10 mcg
(as cholecalciferol)

Other Ingredients: Extra Virgin Olive Oil, D-Alpha Tocopherol (preservative)

Suggested Use: Take 4 drops daily or as directed by a health professional.

Order Code: 1330 (0.43 fl oz/bottle); Amber glass bottle with dropper dispenser

Kosher Certified

Premier Vitamin D3+K2

Premier Bone and Heart
Support*

Welcome to our pure, plant-source product, Premier Vitamin D3+K2. This formula has been designed to feature plant-source vitamin D3 in addition to plant-source vitamin K2 in vegetable capsules -- without undesirable chemical tagalongs.

At a hefty 5,000 IU of D3 and 180 mcg. of K2 per capsule, Premier Vitamin D3+K2 contains an exclusive 100% vegan/vegetarian friendly formula with both vitamin D3 and K2 present in clinically established dosages that promote cardiovascular and bone health.* This supplement is the perfect choice for those who wish to significantly increase their vitamin D3 and vitamin K2 intake without consuming animal byproducts.

To perfect this one-of-a-kind vegan blend of vitamin D3 with K2 so that a higher clinical dosage would be incorporated all into one capsule, our team of scientists at Premier Research Labs joined forces with independent expert laboratories and developed a reliable way to do this.

Each Plant-Source Capsule Provides:

Vitamin D3 (as Vitashine®) 125 mcg (5,000 IU)

Vitamin K2 (as Menaquinone) 180 mcg

Other Ingredients: Organic Extra Virgin Olive Oil, Silica, Plant-Source Vitamin E (preservative), Plant-Source Capsules (Cellulose, Water)

Suggested Use: Take 1 capsule daily or as directed by a health professional.

XenoStat™ is a xeno botanical formula that features Botanica Detox™, a key multi-marine sea vegetation formula, coupled with Botanica Support™ (a botanical biocompatible blend) to deliver a full nutrient spectrum for premier thyroid and hormone support.* This unique supplement is rich in naturally occurring iodine, a mineral that is especially important in thyroid function.

Two Plant-Source Capsules Provide:

Iodine (Kelp source) 300 mcg

Botanica Detox™ 580 mg

Kelp (whole) (*Ascophyllum nodosum*), Organic Alfalfa (herb) (*Medicago sativa*), Organic Chlorella (whole; broken cell wall) (*Chlorella sorokiniana*), Organic Milk Thistle (seed) (*Silybum marianum*)

Botanica Support™ 296 mg

Organic Turmeric (rhizome) (*Curcuma longa*), Reishi (fruiting body) (*Ganoderma lucidum*), Aquamin® F Mineralized Red Algae (whole) (*Lithothamnion sp.*), Organic Hyssop (aerial parts) (*Hyssopus officinalis*), Milk Thistle (seed) Extract (*Silybum marianum*)

Other Ingredients: Plant-Source Capsules (Cellulose, Water)

May contain fish (pollock) and crustacea (shrimp). Wild-harvested kelp cannot be guaranteed free of trace amounts of fish or crustacean allergens.

Suggested Use: Take 2 capsules daily or as directed by a health professional.

Order Code: 2551 (90 plant-source capsules/bottle); Violite® Container

*NOTE: XenoStat™ provides only natural ingredients and does not have standardized iodine added to it. It is assayed from batch to batch to provide the amount of iodine naturally occurring from its constituents. Please contact your account manager for the most current assay result.

External Cleansing

Premier Organic Castor Oil

Softens and Nourishes Skin

Castor oil is an ancient oil called the “hand of Christ,” and has been used for thousands of years by many cultures, especially for skin health and cleansing.

This castor oil is sourced from India and is considered to be the finest source of castor oil in the world, where many generations of growers have cultivated their fields according to ancient traditions. Castor oil can be used on organic cotton flannel to make castor oil packs for excellent cleansing results.

Castor Oil Ingredients:

Organic *Ricinus Communis* (Castor) Seed Oil

Other Ingredients: None (No Added Oils or Fillers)

Directions: Gently cleanse the skin, then massage a few drops of Premier Organic Castor Oil into the desired skin area once or twice daily. For soft hair, add a few drops to your favorite shampoo before washing.

Order Code: 1505 (8 fl oz/bottle); Violite® Container

Certified organic by Bioagricert SRL

Medi-Body Bath®

With Red Algae, Seaweed Minerals, Clay, and Essential Oils

Medi-Body Bath® is the ultimate cleansing bath formula of the 21st century! It contains premium quality cleansing agents, including sea vegetation, minerals, clay, and essential oils used for centuries by other cultures to promote skin cleansing and beauty. It features organic fucus (a form of sea vegetation). This bath formula is the premier generation in cleansing excellence. Experience the power first-hand for yourself. Our specialized formula initiates the “thermal effect,” which is a deep, intrinsic cleansing effect. Medi-Body Bath® uses only premier-quality ingredients.

Ingredients:

OceanPure Herbal Cleansing Blend™

Dead Sea Salt, Green Tea Extract, Aquamin® F Mineralized Red Algae (Whole) (Lithothamnion sp.), Calcium Bentonite, Organic Foeniculum Vulgare (Fennel) Seed, Organic Ascophyllum (Kelp) whole, Organic Syzygium Aromaticum (Clove) Bud

Mohave Desert Mineral and Essential Oil Blend™

Soda Ash, Sodium Sesquicarbonate, Sodium Borate, Sea Salt, Trace Minerals, Organic Helianthus Annuus (Sunflower) Oil, Organic Taraxacum Officinale (Dandelion) Root Extract, Arctium Lappa (Burdock) Root, Citrus Paradisi (Grapefruit) Essential Oil, Juniperus Communis (Juniper) Essential Oil, Lavandula Officinalis (Lavender) Essential Oil, Cymbopogon Citratus (Lemongrass) Essential Oil, Rosmarinus Officinalis (Rosemary) Essential Oil, Abies Sibirica (Fir) Essential Oil

Total Contents: Approximately 2-1/4 cups per container

Suggested Use: For External Use Only. Foot Bath: Place 1 cup of Medi-Body Bath® in a plastic (nonmetallic) container wide enough to place your feet. Add 12 of cups warm water. Swish the contents around in the water with your hand. It is not necessary to dissolve all the crystals. Soak feet for 10 to 20 minutes. Then towel- dry feet. Best used before 8 p.m.

Whole Body Bath: Fill bath tub with warm water. With your hand, mix 2 cups of Medi-Body Bath® to your bath water. It is not necessary to dissolve all the crystals. Soak in bath for 10 to 20 minutes. Then rinse off and drain tub. Residual particulates in the bath water may be rinsed down the drain.

Note: For the elderly or very sensitive people, start with 5 to 10 minutes per bath. If you feel weak or faint while in the bath, immediately discontinue the bath.

Cleansing Effects: This product may initiate the “thermal effect,” a deep, intrinsic cleansing effect where a part of the body may feel flushed temporarily (such as the face) for a brief time, typically 30-60 minutes, after the bath. This effect is harmless and transitory.

Order Code: 3670 (19 oz/Container); Violite® Container

Medi-Body Pack®

Effective Cleansing Support of Targeted Body Areas

Premier Botanical/Clay Pack With Marine Vegetation

This premier quality formula can be used as an effective cleansing body pack. It contains organic sea vegetation, bentonite clay and targeted, organic botanical agents, all key cleansing agents used for centuries in many cultures. Our Medi-Body Pack® promotes the bioenergetic flow of stagnant meridians, encouraging premier quality resonance.

Medi-Body Pack® initiates the “thermal effect,” which is a deep, intrinsic cleansing effect. This unique clay + botanical formula is made using 100% premier quality ingredients.

Ingredients:

Ancient Botanical/Clay Blend

Organic Medicago Sativa (Alfalfa) Leaf, Calcium Bentonite Clay, Organic Syzygium Aromaticum (Clove) Bud, Organic Foeniculum Vulgare (Fennel) Seed

Premier Marine Cleansing Complex

Lithothamnion Spp. (Mineralized Red Algae) (Whole), Organic Chondrus Crispus (Irish Moss) (Whole), Bladderwrack

Suggested Use: For External Use Only. Place 2 tablespoons of Medi-Body Pack in a nonmetallic bowl. Add enough water or Medi-Mineral Serum™ to make a thick paste. Mix thoroughly. Then apply it to a selected external body area. Let it remain for 15 minutes, then wash off. Do not apply near the eyes or on open skin lesions.

Highly recommended after a pack: go outside for 5 minutes (or more) to receive solar radiation. The Medi-Body Pack® is best used during the day, before 7 pm. For best results, also take a quality nutritional cleansing formula.

Note: After using a Medi-Body Pack®, the skin area may appear reddish. This temporary flushing effect is due to increased circulation and will typically subside after 30 to 60 minutes.

Order Code: 3678 (6 oz/Container); Violite® Container

Kosher Certified

Medi-Detox Pack

Premier External Cleansing Clay Pack

Facial • Dental • Body

The Medi-Detox Pack is an effective, cleansing dental pack that contains premium-quality bentonite clay and zeolite minerals. High-quality clays and minerals have been used for centuries in many cultures to promote cleansing. In the past, certain sources were highly prized for their amazingly diverse cleansing effects. Bentonite is a smectite clay that has been formed through volcanic activity.

It exhibits a unique crystalline structure. These crystalline molecules act as transducers of light frequencies to encourage the cleansing process. Smectite clay has a unique, natural sorptive power with cleansing properties.

Once the clay mixture of this product has been used for cleansing of the oral cavity, its unique sorptive power has been exhausted so it is best to discard and not re-use it. Please enjoy the powerful effects of this excellent pack.

Ingredients:

Proprietary Blend: Calcium-Based Bentonite & Zeolite Clay (laumontite form)

Total Contents: Approximately 192 Applications

Directions:

Mix Powder: Place ¼ teaspoon of Medi-Detox Pack powder in a nonmetallic container. Add enough water or aloe liquid to mix the clay into a thick paste ball.

Place on targeted dental area: Place the clay ball inside your mouth and form it around the target area (such as a target tooth or gum area) that you wish to cleanse. You may hold the ball in place with your finger.

Wait for 10 minutes: Then rinse out your mouth a few times with purified water. (During this time, if you happen to swallow a small amount of the clay mixture, it is harmless.)

Solar Energy: Optional but highly recommended: go outside for 5 minutes (or more) to absorb beneficial frequencies from solar radiation.

Medi-Body Bath: For best results, follow each dental cleansing session with a Medi-Body Bath®, an effective, cleansing foot bath (for 10 minutes).

Note: Each dental area in the mouth corresponds to various meridians in the body, as shown by classical Asian textbooks.

Medi-Mineral Serum™

Ionic Mineral Serum with Mineralized Red Algae and Green Tea

Ionic Mineral Serum

Medi-Mineral Serum™ features mineralized red algae and green tea blended with an ionic mineral concentrate from Utah's Great Salt Lake – an amazing breakthrough in promoting natural topical skin beauty.

Medi-Mineral Serum™ is the perfect nourishing, vitalizing serum for facial clarity and beauty. Medi-Mineral Serum™ may also be used instead of water as the fluid to mix together ingredients in external clay packs.

Ingredients:

Purified Water, Green Tea (Leaf) Extract (Camellia Sinensis), Mediterranean Sea Salt, Ionic Mineral Concentrate, AquaMin F® (Mineralized Red Algae) (Lithothamnion Spp.), Hawaiian Sea Salt

Suggested Use: Shake gently before use. After cleansing the skin, gently massage ¼ teaspoon of Medi-Mineral Serum™ into the facial skin. Wait a few minutes as the skin absorbs the serum, then rinse off with water. Next, apply a quality skin moisturizer.

For Use with Body Packs: Medi-Mineral Serum™ may be used instead of water as the fluid to mix together ingredients in external packs such as Medi-Body® Pack.

Order Code: 3669 (8 fl oz/bottle); Violite® Container

Medi-Soak® Cleanse

Premier Bath Salts Formula with Ocean-Rich Sea Vegetation

Cleansing Soak for the Feet or Whole Body

Medi-Soak® Cleanse is a premier cleansing formula for use as a premier foot soak or whole body soak. It contains four key, premium sources of sea salt minerals including natural salts from the Australian Sea, the Dead Sea, the Hawaiian Islands, and ancient inland seas, in addition to premier quality, organic sea vegetation, and organic cloves. Medi-Soak® Cleanse offers effective extraction of impurities to cleanse waste particles and promote quantum-state resonance. It contains no added fillers. Due to their natural properties, some of the sea salts may not dissolve completely in your bath water. However, the premier effect generated from these ingredients is still maximally operative.

Ingredients:

Solar-Dried Sea Salt (Ancient Inland Sea), Australian Sea Salt, Dead Sea Salt (Israel), Hawaiian Sea Salt with Red Algae Clay (Hawaii), Organic Ascophyllum Nodosum (Atlantic Kelp) Frond, Green Tea Extract, Organic Syzygium Aromaticum (Clove) Bud

Directions: Foot Bath: Place 1 cup of Medi-Soak® Cleanse and 8 cups of warm water in a plastic (nonmetallic) container wide enough to place your feet. Briefly swish the contents around in the water with your hand. Some of the mineral crystals will dissolve but not all. Retaining some whole crystals in the bath helps create a beneficial, cleansing effect. Soak feet for 10 to 20 minutes. Afterward, discard bath water down the drain (do not reuse). Optional: after the bath, spend a few minutes outside to receive beneficial solar radiation.

Whole Body Bath: Add 2 cups of Medi-Soak® Cleanse to your bath water. Briefly swish the contents around in the water with your hand. Soak in the bath for 10 to 20 minutes. Afterward, drain bath water through tub drain. Optional: after the bath, spend a few minutes outside to receive beneficial solar radiation.

Other Body Areas: Use the foot bath procedure to cleanse other body areas, such as hands, elbows, etc.

Lifestyle Essentials

pH Paper Roll

Code: 0180 (7/32" x 15' / Roll)

This roll is used to test your 1st-morning urine to determine your acid/alkaline balance.

Enema Bucket

Code: 5000 (1 qt. Size Enema Bucket)

This versatile plastic enema bucket works well for all enema uses and is easy to use. It has an open top that allows for easy pouring of enema fluids into the bucket (such as water, coffee, etc.). Its 1.5-quart size easily accommodates the amount of fluid needed for a typical enema. The semi-transparent, see-through sides of the bucket allow for easy viewing of liquid levels while taking an enema. It has a durable, plastic construction for longevity.

This enema bucket is easy to clean – just use soap and water. It comes with polyethylene tubing (not undesirable polyvinylchloride tubing). It also comes with a clamp (to place on the tubing) to gently regulate fluid flowing through the tube.

Longevity Kits

Discover How Your Genetics Influence Your Body

Premier Basic & Advanced Longevity Kits

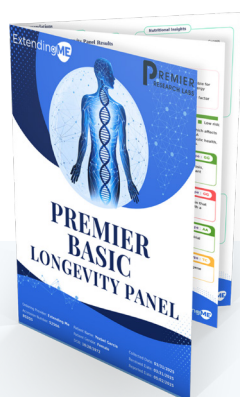

Who We Are

Premier Research Labs, in partnership with ExtendingME, is a comprehensive and personalized genetics laboratory, specializing in longevity support. We use advanced methylation testing, metabolic biomarker testing, and comprehensive epigenetic testing with quarterly follow-ups to monitor and enhance patient progress.

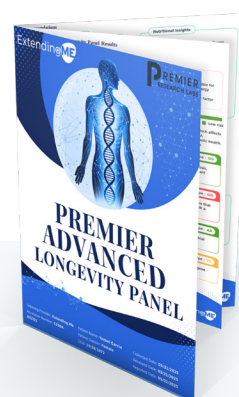

What We Offer

At Premier Research Labs, we offer our Premier Longevity Panels to provide a personalized health protocol based on your unique DNA. These comprehensive genetic tests remove the guesswork, revealing how your genes influence wellness, metabolism, and biological aging. With this insight, you will receive precise DNA-based recommendations to guide your personal health plan, including targeted, high quality supplements, so you can achieve true precision nutrition for life.

Longevity Panel Overview - Basic Test

- 66 SNPs over 63 genes and 7 traits assessed for comprehensive genetic health insights.
- Reveals genetic predispositions related to aging resilience, gut microbiome diversity, inflammation balance, cellular energy production, and overall longevity potential.
- Delivers precise, personalized recommendations.

Longevity Panel Overview - Advanced Test

- 57 SNPs over 50 genes and 10 traits assessed for comprehensive genetic health insights.
- Uncovers predispositions affecting cellular stress response, nutrient metabolism, hormonal balance, biological aging, and key micronutrient levels that influence healthy aging.
- Delivers precise, personalized recommendations.

Benefits

- **Understand Your Genetic Health:** Know how your DNA affects wellness.
- **Personalized Nutrition & Lifestyle:** Optimize diet, metabolism & longevity.
- **Deliver Precision Nutrition for Life:** Personalized genetic PRL supplement report for patients.
- **Effortless Test Management:** Easily manage and review your results in a simple online portal.
- **Differentiate Your Practice:** Offer cutting-edge preventive healthcare.

Features & Advantages

- **Comprehensive Health Blueprint:** Covers metabolism, aging, and cognitive health.
- **Precision Nutrition & Wellness:** DNA-based diet & lifestyle guidance.
- **Actionable Reports:** Easy-to-follow insights for better patient care.

Service Aspects

- **3-4 Weeks Turnaround Time**
- **Seamless & Remote-Friendly Testing:** Premier Research Labs kits include all the necessary self-collection devices necessary to deliver real-time, data-driven healthcare solutions.
