- White: DM2W

PRODUCT DESCRIPTION

Bring balance and flexibility to your dual-monitor setup with the DM2 monitor arm. Designed for creators, professionals, and multitaskers, it supports two displays up to 35" each, giving you the space to work your way. Spring-assisted arms glide smoothly for precise height, tilt, and swivel adjustments, while 360° rotation lets you switch easily between portrait and landscape. A top-mounted clamp allows hassle-free installation from above the desk, and quick-release VESA plates make attaching monitors simple. Built-in cable management keeps your workspace clean, turning any desk into a comfortable, clutter-free command center.
