

**PDP**  
PRO-X PMM

COMPACT AND FULL SIZE 4.6"

**PDP PRO-X PMM COMPACT (18RD)**

Not just for competition—it's for everyday carry as well.

**PDP PRO-X PMM Full-Size (20RD)**

Uncompromising reliability for everyday duty.

The PDP PRO-X features a 4-inch slide on a 5" frame and threaded barrel, seamlessly paired with a Parker Mountain Machine compensator. The PMM compensator is specifically engineered for the PDP, delivering best-in-class recoil reduction while seamlessly blending with the pistol's aesthetics.
