## Key Features

- **Improves OTDR Accuracy** – Provides the necessary distance to measure near-end and far-end connectors without signal loss.
- **Low-Loss Design** – Premium fiber construction minimizes insertion loss for reliable results.
- **Rugged & Portable** – Protected in a compact, durable case for field use. Armored fiber for durability.
- **Multiple Adapter Options** – Adapters included for multiple connector and endface types. UPC, APC, SC and LC.
- **Length Options** – offered in 150m, 500m, and 1,000m

## Applications

- OTDR testing of singlemode fiber runs
- Data centers, enterprise backbones, and FTTx installations
- Troubleshooting and certifying fiber optic links

# UNIVERSAL OTDR LAUNCH BOX

PRODUCT #	DESCRIPTION	UPC
LCR-SA1SU1-SM3-150M	Universal Launch Cable Ring: Red Hard Plastic cover, 1 fiber, SC/APC to SC/UPC, 9um/SM, 3mm Micro Armored jacket, with belt clip, 150M.	849160015642
LCR-SA1SU1-SM3-500M	Universal Launch Cable Ring: Red Hard Plastic cover, 1 fiber, SC/APC to SC/UPC, 9um/SM, 3mm Micro Armored jacket, with belt clip, 500M.	849160015659
LCR-SA1SU1-SM3-1000M	Universal Launch Cable Ring: Red Hard Plastic cover, 1 fiber, SC/APC to SC/UPC, 9um/SM, 3mm Micro Armored jacket, with belt clip, 1000M.	849160015666
SLB-SA1SU1-SM3-150M	Universal OTDR Launch Box, Red waterproof square box, 1 fiber, SC/APC to SC/UPC, 9um/SM, 3mm Micro Armored jacket, 238x141x670mm, 150M.	849160015673
SLB-SA1SU1-SM3-500M	Universal OTDR Launch Box, Red waterproof square box, 1 fiber, SC/APC to SC/UPC, 9um/SM, 3mm Micro Armored jacket, 238x141x670mm, 500M.	849160015680
SLB-SA1SU1-SM3-1000M	Universal OTDR Launch Box, Red waterproof square box, 1 fiber, SC/APC to SC/UPC, 9um/SM, 3mm Micro Armored jacket, 238x141x670mm, 1000M.	849160015697
