## Myriad™ Features

Myriad™ keyboard trays are made of steel for long-lasting strength and powder-coated with a rich, wrinkle finish for added durability. A raised lip keeps your keyboard and mouse in place, and a contoured palm support is standard for the keyboard. Available with or without mouse tray.

Myriad™ keyboard trays are designed to retrofit virtually any existing articulating arm, when used with our hook and slot adapter plate.

Myriad™ trays are designed to fit all workstation applications.
