

GRAFFITI REMOVER

#20-47

A highly effective, environmentally safe formula that removes paint from brick, stucco, siding, concrete, and metal. Safely removes paint and varnish as well. The gel-like remover adheres to vertical surfaces and becomes more effective the longer it is left on the surface. Neutralize by rinsing with water. Use polyethylene plastic drop cloths or aluminum foil to protect surrounding areas.

Suggested Uses:

Glass
Brick
Concrete
Metal
Furniture
Gasket remover

Packaging:

UPC Code	043281001762
Cans per case	12
Shipping weight per case	12 lbs.
Container	20 fluid ounce can
Label weight	13 ounces (369 grams)
Shipping Classification	limited quantity, UN 1950
Hazard Class	2.1

Properties:

Coverage	Up to 15 square feet
Flammability	Extremely Flammable
Flash point	-4F
Specific Gravity	0.78
Solids Content	13%
VOC content	48%, cannot exceed 50%
HAPs content	0%
Storage Temperature	40-100F
Application Temperature	40-100F
Shelf life Guaranteed for	2 years
