

# LT100

## Low-Profile Tilting TV Wall Mount

### PRODUCT DESCRIPTION

Designed to solve common installation frustrations, LT100 delivers a clean installation for screens 15" to 45". At just 1.4" from the wall, it creates a flush appearance while offering up to 7° forward tilt and 5° backward tilt for glare reduction and optimal viewing. LT100 includes two VESA plates — 100x100 and 200x200 — giving you flexibility to mount smaller TVs without blocking ports or crowding inputs, while still supporting larger VESA patterns. Installation is effortless thanks to its single-stud design that takes up less space than a traditional tilt mount, and the included 280 mm Allen key, allowing you to secure the TV plate to the wall plate where a traditional screwdriver would be too short or bulky to maneuver.

### DIMENSIONS & WEIGHT

Product Dims (W/D/H):	22.6 x 3.5 x 22.6 cm (8.9" x 1.4" x 8.9")
Product Weight:	1.2 kg (2.6 lb)
Ship Box Dims (W/D/H):	24.5 x 23 x 6 cm (9.6" x 9.1" x 2.4")
Ship Box Weight:	1.3 kg (2.9 lb)
