PERFECT PLACEMENT

With the ability to offset the articulating arm independently of the wall plate, you'll be able to position your clients' TV perfectly on the wall regardless of stud layout.

UNIVERSALLY COMPATIBLE

Boasting an impressive 150 lb weight capacity and support for VESA patterns up to 700x500, RCAD490 is suitable for nearly any TV on the market.

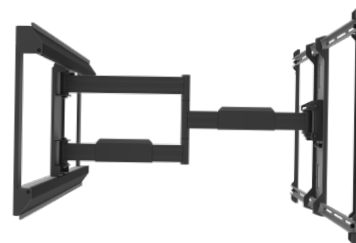

FULLY ADJUSTABLE

RCAD490 articulating TV mount can be tilted forward 15° or backward 3° and swivel up to 90° in either direction. Post-installation horizontal leveling lets you dial in your clients' TV perfectly.

MADE FOR PROFESSIONALS

The RCAD490 TV wall mount comes with sleek aluminum magnetic wall plate covers to hide any sign of installation, and installer-friendly snap on cable management clips with plenty of room for bulky wiring.

PLENTIFUL EXTENSION

Even with its low-profile design, RCAD490 TV wall mount can extend an impressive 29.5" from the wall, giving you plenty of room to work behind the TV and allow your customer to position their TV wherever they'd like.
