## Rolling TV Cart

### PRODUCT DESCRIPTION

The MTP90 Rolling TV Stand is a versatile mobile solution for open offices, shared spaces, classrooms, and anywhere flexible AV access is needed. Easily move your display from room to room for presentations or collaboration, then store it neatly out of the way when not in use. The MTP90 supports most 55"–90" TVs and interactive displays up to 150 lb, with a wide VESA compatibility range of 200x200 to 800x600. Eight levels of height adjustment between 43.3" and 61" from the floor to the center of the screen let you tailor the viewing experience to suit everything from small team meetings to company-wide presentations. Additional features like a built-in accessory tray, cable management clips, and locking wheels make setup, transport, and organization effortless.
