SCAN FOR INSTALLATION INSTRUCTIONS

XD110C

XD210C

SINGLE OR DUAL GANG

Choose the XD110C for 1-gang vertical/horizontal outlets, or the XD210C for 2-gang, large cord knockouts.

EXTRA-DUTY STRENGTH

Durable professional-grade design, featuring UV Stabilized Polycarbonate, for in-use applications on residential or commercial outlets.

CUSTOMIZED INSTALLATION

Multiple cord knockouts for any configuration, in horizontal or vertical installation.

WEATHERPROOF COVER

Resists water infiltration for outdoor or indoor usage and extra-duty applications. Meets 2014 Article 406.9(B)(1).

PROVEN QUALITY

This UL-tested cover carries the TORK legacy of innovation and dependable quality as well as a 1-year limited warranty.

⚠ WARNING: Cancer and reproductive harm.
