

## TOOL CRIB DRY MOLY LUBE

#620-1505

A quick-drying, thin film that provides superior lubrication under extreme pressures and a broad temperature ranges. Excellent adhesion, oil free, and protects against seizing, fretting, and galling. Provides excellent anti-wear protection for cutting and forming tools.

### Suggested Uses:

Dust free lubricant for pre-assembly and production  
 Wire drawing  
 Gasket and stop-off coating  
 Rubber mold release  
 Machine tool slides  
 Conveyors (hi-temperature)

### Packaging:

|                          |                           |
|--------------------------|---------------------------|
| UPC Code                 | 043281007023              |
| Cans per case            | 6                         |
| Shipping weight per case | 9 lbs.                    |
| Container                | 20 fluid ounce can        |
| Label weight             | 14 ounces (397 grams)     |
| Shipping Classification  | Limited quantity, UN 1950 |
| Hazard Class             | 2.1                       |

### Properties:

|                             |                        |
|-----------------------------|------------------------|
| Cleanup                     | Lacquer thinner        |
| Flammability                | Extremely Flammable    |
| Flash point                 | -4F                    |
| Specific Gravity            | 0.80                   |
| Solids Content              | 3%                     |
| VOC content                 | 47%, can't exceed 50%  |
| HAPs content                | 7%                     |
| Storage Temperature         | 40-90F                 |
| Application Temperature     | 40-100F                |
| Active Ingredient           | Molybdenum Disulfide   |
| Lubricity Rating            | Excellent              |
| Appearance                  | Black                  |
| Operating Speed             | 2000+ RPM              |
| High Temperature Resistance | 600 <sup>o</sup> F     |
| Low Temperature Resistance  | -100 <sup>o</sup> F    |
| Heavy Load Capability       | Yes                    |
| Shelf life                  | Guaranteed for 2 years |
| Food contact rating         | No                     |

### Dry Time:

Not Applicable

### Gloss:

None
