ARCUS

Provides 120° or 360° beam patterns, with dimming, for infinite brightness levels. Press the power button 1x to activate the 120° beam pattern or 2x to activate the 360° beam pattern.

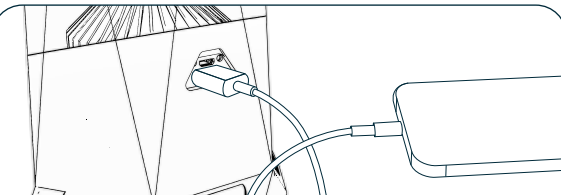

LIGHT MODES

Press button to cycle through modes.

POWER MEMORY RECALL

When ON, press and hold then release to set desired brightness. Double-tap to recall last saved mode.

POWER BANK

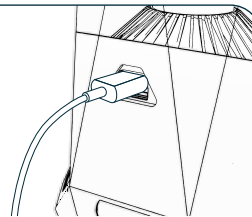

To charge your USB device, simply remove USB cover on the back and plug it into the USB port.

RECHARGEABLE

Remove the charging port cover and plug the micro USB cable into the charging port.

Battery Indicator Light:
Red = Charging
Green = Fully Charged

This product is guaranteed against all defects in workmanship and materials for the original owner for one year from the date of purchase.
