

## SPRAY GUN CLEANER

#20-1685

Seymour's Spray Gun cleaner is a powerful formulation that easily removes solvent based and waterborne coatings from spray gun equipment, spray cups and aerosol tips. Comes equipped with an extension tube for pinpoint application in hard to reach spots. VOC Compliant in all 50 states, this 2 in 1 cleaner reduces the need for special equipment, dipping and additional cleaning solvents. Does not leave a residue and is excellent for cleaning up overspray and other shop floor applications.
