# PERSONAL MOSQUITO ZAPPER & LANTERN

The PERSONAL MOSQUITO ZAPPER & LANTERN uses UV light technology to attract pesky mosquitoes and other flying insects inside where they are zapped by a 360° electrical grid. This product also doubles as a lantern to provide ambient light to the surrounding area. The collapsible handle and hook make it easy to hang or store when not in use.

## FEATURES:

- 150 lumen lantern
- Zaps bugs while providing soft area light
- Collapsible handle + hook
- Indoor or outdoor use

Folding Hanging Hook

Collapsible Carry Handle

360° Electric Grid

Grid Guard

Power Button

UV LEDs

Charging Indicator

Micro USB Charging Port

White LED Lantern

Cleaning Brush

## RECHARGING

To charge, use the included Micro USB charging cable to connect the Zapper & Lantern to a power source. This product features a Charging Indicator LED located near the Micro USB charging port. When the product is in use, the indicator will light to show the current charging level.

- LED will light **RED** when charging
- LED will light **GREEN** when fully charged

## OPERATION

Simply press the power button to turn the product ON. The Zapper & Lantern will turn ON the first light mode (UV). Continue pressing the button to set the desired light mode. To turn OFF, press the button to cycle through the remaining light modes until the product turns OFF.

### 5 LIGHT MODES

- UV (365nm+395nm)
- Lantern (High)
- Lantern (Low)
- UV & Lantern (High)
- UV & Lantern (Low)

## MAINTENANCE

Make sure that the Zapper & Lantern is OFF and disconnected from its power source before performing any maintenance or cleaning. Do not use spray cleaners on the Zapper & Lantern. Only use a damp or dry cloth to clean the exterior. Use the included zapper brush to remove any insects or debris from the electric grid.

## CAUTION

- Keep out of reach of children.
- Product is not waterproof, but can be used outdoors. Take appropriate precautions.
- Use only as directed.

Our extensive line of pest defense products helps provide fierce protection indoors, outdoors, and even on-the-go. Visit our website for full information.
