

MTM70PL

Height Adjustable Rolling TV Stand

PRODUCT DESCRIPTION

MTM70PL is a versatile mobile TV cart built for safety and smooth AV mobility. Tested to 4× its advertised weight, it's rated for displays up to 100 pounds, with a sturdy metal base that offers superior tip stability. Rubber casters let you maneuver easily, with quick-release locks to secure your setup. A height-adjustable camera shelf and keyboard tray make it ideal for video conferencing, classrooms, and collaborative spaces. Telescoping columns provide over 16 inches of height adjustment, while integrated cable management keeps wires neatly routed for a clean, professional look.
