Patch Panel

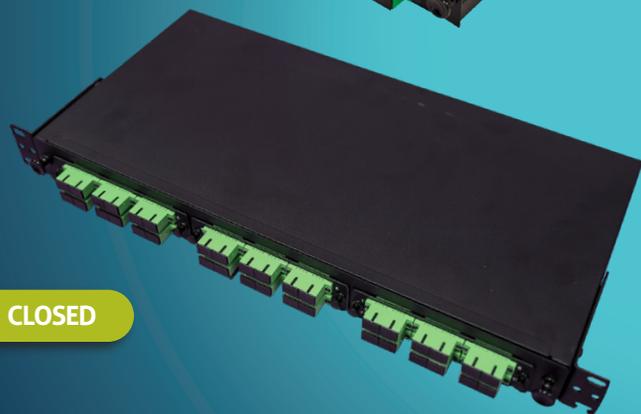

OPEN

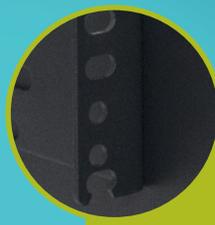

* Can be purchased FULLY LOADED as pictured

CLOSED

FEATURES

Non-Captive Mounting Ears - Allow you to pre-install screws in rack so you can simply place panel on screws and tighten

Non-captive Rear Entry Portals - Protects cables from sharp edges and makes future moves, adds and changes easier

Easy Release Latches - Push/pull latches allow you to access tray even in a crowded rack

Industry's lowest cost per quality splice
